## ATTACH SUPPORTING DOCUMENTS

---

In addition to a completed Listing Application, prior to approval, Nasdaq will require additional information and supporting documentation. Documentation will vary depending on the type of application you are submitting. Please review our [Supporting Documentation Guidelines](#). These guidelines, presented by application type, list the specific documents Nasdaq will require prior to approval for your specific application type. **Required documentation must be provided prior to approval, but is not required at the time of original submission.**

If the company has submitted a confidential draft registration statement to the SEC in connection with its proposed initial public offering, please attach the most recent copy of this draft registration statement and all related SEC correspondence.

To facilitate the review process, please submit supporting documentation electronically. You can submit additional documentation for your form at any time during the application review process.

Uploading documents for submission is easy:

Select documents using the “Browse” button. To attach multiple documents, hold CTRL key while making the selection. Documents should be provided using one of the following formats: **MS Word, MS Excel or PDF**.
