1. Our U.S. Rulebooks are accessible from the Listing Center home page under the Market Regulation – US menu. Select a market to browse its rules or view the Rule Filing Status table.

2. **Conduct a customized search.** You can access advanced search from the rulebook landing page or from any of the rule text pages.

3. **Specify where and how to search.**
   a. Search in Rule Text, Rule Filings or Both.
   b. Search for exact phrase, all of these words or any of these words.

4. **Search across rulebooks.**
   a. Limit search to one or more exchanges or expand to all exchanges.
   b. Limit Search to documents within exchanges (e.g., a rule series, By-Laws, etc.).
   c. Make multiple selections from our list boxes by pressing and holding the Ctrl Key.

5. **Print your search results** by selecting the Printer Friendly View link, which will generate and Adobe PDF view of your search results.

6. **Email your search results** by selecting the Mailto link. The link will appear after a search is executed. Select it and send colleagues and email link to one specific item or a targeted group of materials.

7. Select the Info icon on the Advanced Search page to learn how to best utilize our advanced search functionality.

8. **We value your feedback.** Click on the feedback icons to tell us how we’re doing and even leave detailed comments.

9. **Additional Resources.** If you need assistance with the Rulebook or want to give us feedback, we’d love to hear from you. Contact us at +1 301 978 8400 or email OGC@nasdaq.com.
