(a) Nasdaq BX, Inc. (“BX” or “Exchange”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² is filing with the Securities and Exchange Commission (“SEC” or “Commission”) a proposal to amend BX Options Rules at Chapter I, Section 1 to define certain terms.

A notice of the proposed rule change for publication in the Federal Register is attached as Exhibit 1.

The text of the proposed rule change is attached as Exhibit 5.

² 17 CFR 240.19b-4.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

BX rules currently do not define an “in-the-money” or “out-of-the-money” option. The Exchange proposes to define these terms at Chapter I, Section 1 to bring greater transparency to BX rules. In addition, the Exchange notes that the terms, “in-the-money” and “out-of-the-money” are generally accepted terms in the options industry. These terms are utilized throughout the options industry. The Exchange desires for its Participants to have a clear understanding of how BXs System defines these terms.

The Exchange proposes to define an “in-of-the-money” option at Chapter I, Section 1(a)(68). The Exchange proposes that the term “in-the-money” shall mean the following: for call options, all strike prices below the offer in the underlying security on the primary listing market; for put options, all strike prices above the bid in the underlying security on the primary listing market. The Exchange proposes to define an “out-of-the-money” option at Chapter I, Section 1(a)(69). The Exchange proposes that the term “out-of-the-money” shall mean the following: for call options, all strike prices above the offer in the underlying security on the primary listing market; for put options, all strike prices below the bid in the underlying security on the primary listing market.

b. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,³ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁴ in particular, in that it is designed to promote just and equitable principles of trade, to remove

³ 15 U.S.C. 78f(b).

⁴ 15 U.S.C. 78f(b)(5).

impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest. The Exchange's proposal to define the terms "in-the-money" and "out-of-the-money" options is consistent with the Act and protects investors and the public interest by bringing greater transparency to the Rulebook. In addition, the Exchange notes that the terms, "in-the-money" and "out-of-the-money" are generally accepted terms in the options industry. These terms are utilized throughout the options industry. The Exchange desires for its Participants to have a clear understanding of how BX's System defines these terms.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange's proposal to define the terms "in-the-money" and "out-of-the-money" options does not unduly burden competition, rather it adds greater transparency to the Rulebook.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

Not Applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(iii)⁵ of the Act and Rule 19b-4(f)(6) thereunder⁶ in that it effects a change

⁵ 15 U.S.C. 78s(b)(3)(A)(iii).

that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

The Exchange's proposal to define the terms "in-the-money" and "out-of-the-money" options does not significantly affect the protection of investors or the public interest because the Exchange is adding transparency to its current rules. The Exchange's proposal to define the terms "in-the-money" and "out-of-the-money" options does not impose any significant burden on competition because the Exchange desires to add transparency.

Furthermore, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file a proposed rule change under that subsection at least five business days prior to the date of filing, or such shorter time as designated by the Commission. The Exchange has provided such notice.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

⁶ 17 CFR 240.19b-4(f)(6).

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative prior to 30 days after the date of filing. Rule 19b-4(f)(6)(iii), however, permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange requests that the Commission waive the operative delay to permit the Exchange to immediately define the terms “in-the-money” and “out-of-the-money” options within its Rulebook to provide greater transparency to its Participants.

8. Proposed Rule Change Based on Rules of Another Self-Regulatory Organization or of the Commission.

Not applicable.

9. Security-Based Swap Submissions Filed Pursuant to Section 3C of the Act

Not applicable.

10. Advance Notices Filed Pursuant to Section 806(e) of the Payment, Clearing and Settlement Supervision Act

Not applicable.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

BX rules currently do not define an “in-the-money” or “out-of-the-money” option. The Exchange proposes to define these terms at Chapter I, Section 1 to bring greater transparency to BX rules. In addition, the Exchange notes that the terms, “in-the-money” and “out-of-the-money” are generally accepted terms in the options industry. These terms are utilized throughout the options industry. The Exchange desires for its Participants to have a clear understanding of how BXs System defines these terms.

The Exchange proposes to define an “in-of-the-money” option at Chapter I, Section 1(a)(68). The Exchange proposes that the term “in-the-money” shall mean the following: for call options, all strike prices below the offer in the underlying security on the primary listing market; for put options, all strike prices above the bid in the underlying security on the primary listing market. The Exchange proposes to define an “out-of-the-money” option at Chapter I, Section 1(a)(69). The Exchange proposes that the term “out-of-the-money” shall mean the following: for call options, all strike prices above the offer in the underlying security on the primary listing market; for put options, all strike prices below the bid in the underlying security on the primary listing market.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,³ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁴ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest. The Exchange's proposal to define the terms "in-the-money" and "out-of-the-money" options is consistent with the Act and protects investors and the public interest by bringing greater transparency to the Rulebook. In addition, the Exchange notes that the terms, "in-the-money" and "out-of-the-money" are generally accepted terms in the options industry. These terms are utilized throughout the options industry. The Exchange desires for its Participants to have a clear understanding of how BX's System defines these terms.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange's proposal to define the terms "in-the-money" and "out-of-the-money" options does not unduly burden competition, rather it adds greater transparency to the Rulebook.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

³ 15 U.S.C. 78f(b).

⁴ 15 U.S.C. 78f(b)(5).

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁵ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁶

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
