SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-75482; File No. SR-ISE-2015-23]

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Extend the Price Improvement Mechanism Pilot Program

July 17, 2015.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 16, 2015, the International Securities Exchange, LLC (the "Exchange" or the "ISE") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The ISE proposes to extend two pilot programs related to its Price Improvement Mechanism ("PIM"). The text of the proposed rule change is available on the Exchange's Web site www.ise.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

² 17 CFR 240.19b-4.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange currently has two pilot programs related to its PIM (collectively, the "PIM Pilot Programs" or "Pilot Programs").³ The current Pilot Period provided in paragraphs .03 and .05 of the Supplementary Material to Rule 723 is set to expire on July 17, 2015.⁴ Paragraph .03 provides that there is no minimum size requirement for orders to be eligible for the Price Improvement Mechanism. Paragraph .05 concerns the termination of the exposure period by unrelated orders. In accordance with the Approval Order, the Exchange has continually submitted certain data in support of extending the current Pilot Programs. The Exchange proposes to extend these Pilot Programs in their present form, through July 18, 2016, to give the Exchange and the Commission additional time to evaluate the effects of these Pilot Programs before the Exchange requests permanent approval of the rules. To aid the Commission in its evaluation of the PIM Functionality, ISE represents that it will provide

⁴ See Securities Exchange Act Release No. 34-72467 (June 25, 2014), 79 FR 37377 (July 1, 2014) (SR-ISE-2014-33).

certain additional data requested by the Commission regarding trading in the PIM for the six (6) month period from January 1, 2015 through June 30, 2015. The Exchange agrees to provide this data by January 18, 2016 and to make the summary of the data provided to the Commission publicly available.

2. Statutory Basis

The basis under the Securities Exchange Act of 1934 (the "Exchange Act") for this proposed rule change is found in Section 6(b)(5), in that the proposed rule change is designed to promote just and equitable principles of trade, remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, to protect investors and the public interest.

The Exchange believes the Pilot Programs are consistent with the Exchange Act because they provide opportunity for price improvement for all orders executed in the Exchange's Price Improvement Mechanism. The proposed extension would allow the Pilot Programs to continue uninterrupted, thereby avoiding any potential investor confusion that could result from a temporary interruption to the pilot. Further, the Exchange believes that the data demonstrates that there is sufficient investor interest and demand to extend the Pilot Programs for an additional twelve months. The Exchange further believes it is appropriate to extend the Pilot Programs to provide the Exchange and Commission more data upon which to evaluate the rules. With this data, the Commission can evaluate whether the new data shows there is meaningful competition for all size orders within the PIM, whether there is significant price improvement for all orders executed through the PIM, and whether there is an active and liquid market functioning on the Exchange outside of the PIM.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act. Specifically, the Exchange believes that, by extending the expiration of the Pilot Programs, the proposed rule change will allow for further analysis of the PIM. In doing so, the proposed rule change will also serve to promote regulatory clarity and consistency, thereby reducing burdens on the marketplace and facilitating investor protection.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6) thereunder.⁵

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act⁶ normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)⁷ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay period because the Pilot Programs are set to expire on July 17, 2015. The Exchange noted that such waiver will allow the Pilot Programs to continue uninterrupted.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest, as it will allow the Pilot Programs to continue uninterrupted, thereby avoiding any potential investor confusion that could result from a temporary interruption in the Pilot Programs. For this reason, the Commission designates the proposed rule change to be operative on July 17, 2015.⁸

⁵ 17 CFR 240.19b-4(f)(6). As required under Rule 19b-4(f)(6)(iii), the Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and the text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

⁶ 17 CFR 240.19b-4(f)(6).

⁷ 17 CFR 240.19b-4(f)(6)(iii).

⁸ For purposes only of waiving the operative delay for this proposal, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

Applicants

1. The Trust will be registered as an open-end management investment company under the Act and is a

business trust organized under the laws of the State of Delaware. Applicants seek relief with respect to sixteen Funds (as defined below, and those Funds, the “Initial Funds”). The portfolio positions of each Fund will consist of securities and other assets selected and managed by its Adviser or Subadviser (as defined below) to pursue the Fund’s investment objective.

2. The Adviser, a Delaware corporation, will be the investment adviser to the Initial Funds. An Adviser (as defined below) will serve as investment adviser to each Fund. The Adviser is, and any other Adviser will be, registered as an investment adviser under the Investment Advisers Act of 1940 (“Advisers Act”). The Adviser and the Trust may retain one or more subadvisers (each a “Subadviser”) to manage the portfolios of the Funds. Any Subadviser will be registered, or not subject to registration, under the Advisers Act.

3. The Distributor is a Massachusetts corporation and a broker-dealer registered under the Securities Exchange Act of 1934 and will act as the principal underwriter of Shares of the Funds. Applicants request that the requested relief apply to any distributor of Shares, whether affiliated or unaffiliated with the Adviser (included in the term “Distributor”). Any Distributor will comply with the terms and conditions of the Order.

Applicants’ Requested Exemptive Relief

4. Applicants seek the requested Order under section 6(c) of the Act for an exemption from sections 2(a)(32), 5(a)(1), 22(d) and 22(e) of the Act and rule 22c-1 under the Act, under sections 6(c) and 17(b) of the Act for an exemption from sections 17(a)(1) and 17(a)(2) of the Act, and under section 12(d)(1)(j) of the Act for an exemption from sections 12(d)(1)(A) and (B) of the Act. The requested Order would permit applicants to offer exchange-traded managed funds. Because the relief requested is the same as the relief granted by the Commission under the Reference Order and because the Adviser has entered into, or anticipates entering into, a licensing agreement with Eaton Vance Management, or an affiliate thereof in order to offer exchange-traded managed funds,² the Order would incorporate by reference the terms and conditions of the Reference Order.

5. Applicants request that the Order apply to the Initial Funds and to any
