1. Text of the Proposed Rule Change

(a) The International Securities Exchange, LLC (“ISE” or “Exchange”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> is filing with the Securities and Exchange Commission (“SEC” or “Commission”) a proposal to remove direct debit for market data products, as described in more detail below.

A notice of the proposed rule change for publication in the Federal Register is at Exhibit 1 and the text of the amended Exchange Rule is at Exhibit 5.

(b) Not applicable.

(c) Not applicable.

2. Procedures of the Self-Regulatory Organization

The Exchange staff approved this rule filing pursuant to delegated authority. This action constitutes the requisite approval under the Exchange’s Certificate of Formation, Operating Agreement and Constitution.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

The purpose of the proposed rule change is to remove direct debit for market data products. Today, the Exchange requires all of its members to provide a clearing account number at the National Securities Clearing Corporation ("NSCC") for purposes of permitting the Exchange to debit any undisputed or final fees, fines, charges and/or other monetary sanctions or monies due and owing to the Exchange.<sup>3</sup> Specifically, Rule 213 currently requires members, and all applicants for registration as such to provide a clearing account number for an account at NSCC for purposes of permitting the Exchange to debit any undisputed or final fees,<sup>4</sup> fines, charges and/or other monetary sanctions or monies due and owing to the Exchange<sup>5</sup> or other charges related to Rules 205, 206, 207, 208, 209, and 210.<sup>6</sup> The proposed amendment would exclude from Rule

<sup>3</sup> See Securities Exchange Act Release No. 79014 (September 30, 2016), 81 FR 69560 (October 6, 2016) (SR-ISE-2016-24).

<sup>4</sup> Exchange fees are noted on the Exchange Schedule of Fees, available at: <http://www.ise.com/fees>.

<sup>5</sup> This includes, among other things, fines which result from the imposition of fines pursuant to Rules 1611, Judgment and Sanction; and 1614, Imposition of Fines for Minor Rules Violations. With respect to disciplinary sanctions that are imposed by either the Business Conduct Committee or a Hearing Panel, the Exchange would not debit any monies until such action is final. The Exchange would not consider an action final until all appeal periods have run and/or all appeal timeframes are exhausted. With respect to non-disciplinary actions, the Exchange would similarly not take action to debit a Member account until all appeal periods have run and/or all appeal timeframes are exhausted. Any uncontested disciplinary or non-disciplinary actions will be debited, and the amount due will appear on the Member's invoice prior to the actual NSCC debit.

<sup>6</sup> See ISE Rules 205 (Access Fees), 206 (Transaction Fees), 207 (Communication Fees), 208 (Regulatory Fees or Charges), 209 (Transfer Fees) and 210 (Liability for Payment of Fees).

213 the fees set forth in Chapter VIII (Market Data) of the Exchange's Schedule of Fees<sup>7</sup> to harmonize the direct debit process across all Nasdaq Exchanges.<sup>8</sup>

The Exchange proposes that this rule change become operative on December 1, 2016. On November 23, 2016, the Exchange applied direct debit to its members for October 2016 billing<sup>9</sup> pursuant to the process currently in place. Under the proposed amendment and starting December 2016, the Exchange will bill the market data fees separately and will continue to direct debit its members for all of the other fees that are covered under Rule 213, in each case for the previous month's billing.

b. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,<sup>10</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>11</sup> in particular, in that it is designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest by providing members with a harmonized process to pay undisputed or final fees, fines, charges and/or monetary sanctions or monies due and owing to the Exchange.

---

<sup>7</sup> See note 4.

<sup>8</sup> The NASDAQ Stock Market LLC, The NASDAQ Options Market LLC, NASDAQ PHLX LLC, and NASDAQ BX, Inc. (the "Nasdaq Exchanges") do not direct debit any fees for market data products.

<sup>9</sup> The debit for October 2016 billing included all outstanding fees, including the fees for market data, through October 1, 2016.

<sup>10</sup> 15 U.S.C. 78f(b).

<sup>11</sup> 15 U.S.C. 78f(b)(5).

The Exchange believes that its proposal to remove the fees for market data products from the direct debit process is reasonable because it will not place any administrative burden on its members who are already subject to the same billing process on all other Nasdaq exchanges.<sup>12</sup>

The Exchange believes that its proposal to remove the market data fees as described above from the direct debit process is equitable and not unfairly discriminatory because it will apply to all members in a uniform manner.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. With this proposal, the amended debit process would apply uniformly to all ISE members.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)<sup>13</sup> of the Act and Rule 19b-4(f)(6)<sup>14</sup> thereunder, in that it effects a change that: (i) does not

significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest. The Exchange's proposal does not significantly affect the protection of investors or the public interest because the Exchange is proposing to adopt the debit process for ISE members in a manner similar to how it is applied today on the Nasdaq exchanges.<sup>15</sup>

The Exchange does not believe the rule change imposes any significant burden on competition because it will apply uniformly to all ISE members. Furthermore, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative prior to 30 days after the date of filing. Rule 19b-4(f)(6)(iii), however, permits

<sup>14</sup> 17 CFR 240.19b-4(f)(6).

<sup>15</sup> See note 12.

the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange respectfully requests that the Commission waive the 30-day operative delay contained in Rule 19b-4(f)(6)(iii) so that the Exchange may conform its billing process similar to the process in place at the Nasdaq exchanges.<sup>16</sup> The Exchange believes that the proposed rule change will not place any administrative burden for members who are already subject to the same billing process on all other Nasdaq equities and options markets.<sup>17</sup> The Exchange proposes this rule change become operative on December 1, 2016. Starting December 2016, the Exchange will bill the market data fees separately and will continue to direct debit its members for all of the other fees that are covered under Rule 213, in each case for the previous month's billing. The amendment is non-controversial.

SECURITIES AND EXCHANGE COMMISSION  
(Release No. \_\_\_\_\_ ; File No. SR-ISE-2016-28)

December \_\_, 2016

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Remove Direct Debit for Market Data Products

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on December 1, 2016, the International Securities Exchange, LLC (“ISE” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to remove direct debit for market data products, as described in more detail below.

The text of the proposed rule change is available on the Exchange’s Website at [www.ise.com](http://www.ise.com), at the principal office of the Exchange, and at the Commission’s Public Reference Room.

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> 17 CFR 240.19b-4.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to remove direct debit for market data products. Today, the Exchange requires all of its members to provide a clearing account number at the National Securities Clearing Corporation ("NSCC") for purposes of permitting the Exchange to debit any undisputed or final fees, fines, charges and/or other monetary sanctions or monies due and owing to the Exchange.<sup>3</sup> Specifically, Rule 213 currently requires members, and all applicants for registration as such to provide a clearing account number for an account at NSCC for purposes of permitting the Exchange to debit any undisputed or final fees,<sup>4</sup> fines, charges and/or other monetary sanctions or monies due and owing to the Exchange<sup>5</sup> or other charges related to Rules

<sup>3</sup> See Securities Exchange Act Release No. 79014 (September 30, 2016), 81 FR 69560 (October 6, 2016) (SR-ISE-2016-24).

<sup>4</sup> Exchange fees are noted on the Exchange Schedule of Fees, available at: <http://www.ise.com/fees>.

<sup>5</sup> This includes, among other things, fines which result from the imposition of fines pursuant to Rules 1611, Judgment and Sanction; and 1614, Imposition of Fines for Minor Rules Violations. With respect to disciplinary sanctions that are imposed by either the Business Conduct Committee or a Hearing Panel, the

205, 206, 207, 208, 209, and 210.<sup>6</sup> The proposed amendment would exclude from Rule 213 the fees set forth in Chapter VIII (Market Data) of the Exchange's Schedule of Fees<sup>7</sup> to harmonize the direct debit process across all Nasdaq Exchanges.<sup>8</sup>

The Exchange proposes that this rule change become operative on December 1, 2016. On November 23, 2016, the Exchange applied direct debit to its members for October 2016 billing<sup>9</sup> pursuant to the process currently in place. Under the proposed amendment and starting December 2016, the Exchange will bill the market data fees separately and will continue to direct debit its members for all of the other fees that are covered under Rule 213, in each case for the previous month's billing.

## 2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,<sup>10</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>11</sup> in particular,

---

Exchange would not debit any monies until such action is final. The Exchange would not consider an action final until all appeal periods have run and/or all appeal timeframes are exhausted. With respect to non-disciplinary actions, the Exchange would similarly not take action to debit a Member account until all appeal periods have run and/or all appeal timeframes are exhausted. Any uncontested disciplinary or non-disciplinary actions will be debited, and the amount due will appear on the Member's invoice prior to the actual NSCC debit.

<sup>6</sup> See ISE Rules 205 (Access Fees), 206 (Transaction Fees), 207 (Communication Fees), 208 (Regulatory Fees or Charges), 209 (Transfer Fees) and 210 (Liability for Payment of Fees).

<sup>7</sup> See note 4.

<sup>8</sup> The NASDAQ Stock Market LLC, The NASDAQ Options Market LLC, NASDAQ PHLX LLC, and NASDAQ BX, Inc. (the "Nasdaq Exchanges") do not direct debit any fees for market data products.

<sup>9</sup> The debit for October 2016 billing included all outstanding fees, including the fees for market data, through October 1, 2016.

<sup>10</sup> 15 U.S.C. 78f(b).

in that it is designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest by providing members with a harmonized process to pay undisputed or final fees, fines, charges and/or monetary sanctions or monies due and owing to the Exchange.

The Exchange believes that its proposal to remove the fees for market data products from the direct debit process is reasonable because it will not place any administrative burden on its members who are already subject to the same billing process on all other Nasdaq exchanges.<sup>12</sup>

The Exchange believes that its proposal to remove the market data fees as described above from the direct debit process is equitable and not unfairly discriminatory because it will apply to all members in a uniform manner.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. With this proposal, the amended debit process would apply uniformly to all ISE members.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

### III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>13</sup> and subparagraph (f)(6) of Rule 19b-4 thereunder.<sup>14</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

### IV. Solicitation of Comments

The Exchange has satisfied this requirement.
