SECURITIES AND EXCHANGE COMMISSION

Self-Regulatory Organizations; Nasdaq ISE, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Temporarily Extend the Filing Requirements for Certain Written Reports, Currently Due April 1, 2020 Pursuant to Options 10, Section 7, to June 1, 2020

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"), 1 and Rule 19b–4 thereunder, 2 notice is hereby given that on March 27, 2020, Nasdaq ISE, LLC ("ISE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to temporarily extend the filing requirements for certain written reports, currently due April 1, 2020 pursuant to Options 10, Section 7, to June 1, 2020. The text of the proposed rule change is available on the Exchange’s website at http://ise.chwwallstreet.com/, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose
Given current market conditions, the Exchange proposes to provide its members temporary relief from filing certain supervision-related reports pursuant to Options 10, Section 7 (Supervision of Accounts). 3

2. Statutory Basis for, the Proposed Rule Change

3. The Exchange notes that ISE Options 10, including Section 7, is incorporated by reference into the rulebooks of Nasdaq GEMX, LLC ("GEMX") and Nasdaq MRX, LLC ("MRX"). As such, the amendments to ISE Options 10, Section 7 proposed herein will also impact GEMX and MRX Options 10, Section 7.

4. See, e.g., Chairman Jay Clayton, Proposed Amendments to Modernize and Enhance Financial Disclosures; Other Ongoing Disclosure Modernization Initiatives: Impact of the Coronavirus; Environmental and Climate-Related Disclosure (Jan. 30, 2020), available at https://www.sec.gov/news/public-statement/clayton-unda-2020–01–30. ("Yesterday, I asked the staff to monitor and, to the extent necessary or appropriate, provide guidance and other assistance to issuers and other market participants regarding disclosures related to the current and potential effects of the coronavirus. We recognize that such effects may be difficult to assess or predict with meaningful precision both generally and as an industry- or issuer-specific basis. This is an uncertain issue where actual effects will depend on many factors beyond the control and knowledge of issuers.").

5 The Exchange notes that ISE Options 10, including Section 7, is incorporated by reference into the rulebooks of Nasdaq GEMX, LLC ("GEMX") and Nasdaq MRX, LLC ("MRX"). As such, the amendments to ISE Options 10, Section 7 proposed herein will also impact GEMX and MRX Options 10, Section 7.
measures have affected the U.S. markets. In the United States, Level 1 market wide circuit breaker halts were triggered on March 9, March 12, March 16, and March 18, 2020. While markets have seen significant declines, governments around the world are undertaking efforts to stabilize the economy and assist affected companies and their employees.

Amidst this market uncertainty, the Exchange is seeking to address potential challenges that members may face in timely meeting their obligations to submit to the Exchange annual supervision-related reports under Options 10, Sections 7(g) and (h) (“Supervision Reporting Requirements”), especially in light of unforeseen and uncertain demands on resources required to respond to COVID–19. Options 10, Section 7(g) requires each Exchange member that conducts a non-member customer business to submit to the Exchange a written report on the member’s supervision and compliance effort during the preceding year and on the adequacy of the member’s ongoing compliance processes and procedures. Each member that conducts a public customer options business is also required to specifically include its options compliance program in the report. The Section 7(g) report is due on April 1 of each year. Options 10, Section 7(h) requires that each member submit, by April 1 of each year, a copy of the Section 7(g) report to one or more control persons or, if the member has no control person, to the audit committee of its board of directors or its equivalent committee or group.

Accordingly, the Exchange proposes to provide temporary relief for members from the Supervision Reporting Requirements by extending the April 1, 2020 filing deadlines described above to June 1, 2020. The Exchange believes that this temporary relief will permit members to focus on running their businesses and the immediate health crisis caused by the COVID–19 pandemic, including its impact on their employees, customers, and communities.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act, in general, and furthers the objectives of Section 6(b)(5) of the Act, in particular, in that it is designed to promote just and equitable principles of trade; to remove impediments to and perfect the mechanism of a free and open market and a national market system; and, in general, to protect investors and the public interest. As a result of uncertainty related to the ongoing spread of the COVID–19 virus, the U.S. exchanges are experiencing unprecedented market volatility. The proposed rule change would allow the Exchange to provide temporary relief for members from the Supervision Reporting Requirements, which currently requires members to provide written reports to the Exchange by April 1, 2020, and extend that deadline to June 1, 2020. The Exchange believes that this temporary relief is necessary and appropriate in the public interest, and consistent with the protection of investors, given the unforeseen and uncertain challenges, including business continuity implementation and market volatility, posed by COVID–19 to members that must comply with the Supervision Reporting Requirements.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not designed to address any competitive issues but rather to provide temporary relief for all members that are required to comply with the Supervision Reporting Requirements.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act and subparagraph (f)(6) of Rule 19b–4 thereunder.

A proposed rule change filed pursuant to Rule 19b–4(f)(6) under the Act normally does not become operative for 30 days after the date of its filing. However, Rule 19b–4(f)(6)(iii) permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay so that the proposed rule change may become operative upon filing. The Commission notes that the proposed rule change would allow the Exchange, in light of the COVID–19 pandemic, to provide temporary relief for members by extending the deadline for written reports pursuant to the Supervision Reporting Requirements from April 1, 2020 to June 1, 2020. The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the operative delay and designates the proposed rule change operative upon filing.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
