The Notice section of this Form 19b-4 must comply with the guidelines for publication in the Federal Register as well as any requirements for electronic filing as published by the Commission (if applicable). The Office of the Federal Register (OFR) offers guidance on Federal Register publication requirements in the Federal Register Document Drafting Handbook, October 1998 Revision. For example, all references to the federal securities laws must include the corresponding cite to the United States Code in a footnote. All references to SEC rules must include the corresponding cite to the Code of Federal Regulations in a footnote. All references to Securities Exchange Act Releases must include the release number, release date, Federal Register cite, Federal Register date, and corresponding file number (e.g., SR-[SRO] -xx-xx). A material failure to comply with these guidelines will result in the proposed rule change being deemed not properly filed. See also Rule 0-3 under the Act (17 CFR 240.0-3).

Copies of notices, written comments, transcripts, other communications. If such documents cannot be filed electronically in accordance with Instruction F, they shall be filed in accordance with Instruction G.

Copies of any form, report, or questionnaire that the self-regulatory organization proposes to use to help implement or operate the proposed rule change, or that is referred to by the proposed rule change.

The full text shall be marked, in any convenient manner, to indicate additions to and deletions from the immediately preceding filing. The purpose of Exhibit 4 is to permit the staff to identify immediately the changes made from the text of the rule with which it has been working.

The self-regulatory organization may choose to attach as Exhibit 5 proposed changes to rule text in place of providing it in Item I and which may otherwise be more easily readable if provided separately from Form 19b-4. Exhibit 5 shall be considered part of the proposed rule change.

If the self-regulatory organization is amending only part of the text of a lengthy proposed rule change, it may, with the Commission's permission, file only those portions of the text of the proposed rule change in which changes are being made if the filing (i.e. partial amendment) is clearly understandable on its face. Such partial amendment shall be clearly identified and marked to show deletions and additions.
1. **Text of the Proposed Rule Change**

   (a) Nasdaq ISE, LLC (“ISE” or “Exchange”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)\(^1\) and Rule 19b-4 thereunder,\(^2\) is filing with the Securities and Exchange Commission (“SEC” or “Commission”) a proposal to amend the ISE Disciplinary Rules in General 5 to incorporate by reference The Nasdaq Stock Market LLC’s (“Nasdaq”) Series 8000 and 9000 Rules, currently located under the General 5 title of the Nasdaq rulebook,\(^3\) instead of the BX Rules, which the Exchange currently incorporates by reference.

   A notice of the proposed rule change for publication in the Federal Register is attached as **Exhibit 1**. The text of the proposed rule change is attached as **Exhibit 5**.

   (b) Not applicable.

3. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

In connection with a recent rule change to relocate the Nasdaq BX, Inc. (“BX”) Disciplinary Rules under the General 5 title (“Discipline”), and incorporate by reference The Nasdaq Stock Market LLC’s (“Nasdaq”) Series 8000 and 9000 Rules, ISE proposes to similarly incorporate by reference Nasdaq’s Series 8000 and 9000 Rules.

The BX Disciplinary Rules, which were relocated to General 5 of the BX Rules, were replaced with introductory paragraphs that respectively incorporate by reference the Nasdaq Series 8000 and 9000 Rules (located under the General 5 title in the Nasdaq rulebook). Currently, ISE incorporates the BX Disciplinary Rules within the Series 8000 and 9000 Rules.
8000 and 9000 Rules, which were relocated to General 5 of the BX Rules with the aforementioned rule change.\(^7\) At this time, ISE proposes to incorporate by reference the Nasdaq Series 8000 and 9000 Rules (located in General 5 Discipline), respectively, and state that such Nasdaq Rules shall be applicable to Exchange Members, associated persons, and other persons subject to ISE’s jurisdiction.

Except as noted below, the Nasdaq Series 8000 and 9000 Rules are substantially similar to BX’s Disciplinary Rules, which the Exchange currently incorporates by reference. The following discussions identify the differences between the current BX Disciplinary Rules and the corresponding Nasdaq Disciplinary Rules to be incorporated by reference into ISE:

**Current BX IM-8310-3(b)**

Current BX Rule 9120(f) provides that “[t]he term “Department of Enforcement” means the Department of Enforcement of FINRA Regulation, acting on behalf of the Exchange pursuant to the FINRA Regulatory Contract.”\(^8\) Current BX IM-8310-3(b), however, uses the term “Department of Enforcement of FINRA.” Since Nasdaq IM-8310-3(b) uses the term “Department of Enforcement” ISE believes it is appropriate to utilize the Nasdaq terms going forward and incorporate by reference into the ISE rule.

---

8\(^{8}\) This definition mirrors the one in the Nasdaq rulebook under Rule 9120(f).
Current BX Rule 8320

In 2010, Nasdaq created Rule 7007 ("Collection of Fees") to facilitate an efficient method of collecting undisputed or final fees, fines, charges and/or other monetary sanctions or monies due and owing to Nasdaq from The Nasdaq Option Market ("NOM") Participants.9

Similarly, in 2012, BX adopted its options market rules ("BX Options Market") to operate as a fully automated, price/time priority execution system built on the core functionality of NOM.10 In its filing, BX proposed to adopt, under respective Chapter XV, Section 2, a rule identical to the Nasdaq Collection of Fees rule.11 Although, at the time of its creation, the Nasdaq Collection of Fees rule was cross-referenced to current Nasdaq Rule 8320(a)(1),12 such cross-reference was not included in the filing that created the BX Options Market. ISE also has the same Collection of Fees rule13, that is identical to the Nasdaq rule. Because BX Rule 8320, which ISE incorporates by reference, does

---

11 Id.

12 See supra note 9.

13 See ISE Options 7, Section 2.
not include a cross-reference to the Collection of Fees rule, ISE will follow the Nasdaq rule going forward, which has the correct cross-reference. The Exchange also proposes to add rule text, within General 5, Section 3, to note the distinction between the location of the Collection of Fees rules. Specifically, the Exchange proposes to add rule text to provide that references in the Nasdaq 8000 Series to “Nasdaq’s Options 7, Section 1” shall be read to refer to ISE Options 7, Section 2.

Based on the above, the Exchange believes that it is appropriate that ISE adopts the aforementioned cross-reference to make the collection of fees owed to the Exchange more efficient. Therefore, the Exchange believes that it is appropriate to incorporate by reference Nasdaq Rule 8320 into ISE Rules.

**Current BX Rule 9120**

In 2018, BX amended its Disciplinary Rules to align them with the investigatory and disciplinary processes of Nasdaq PHLX LLC (“Phlx”). As stated in its proposal, the changes to the “Interested Staff” concept (which, at the time, was relocated under 9120(r)) were done to conform the BX rule to Phlx’s definition. At the time, however, the proposed harmonizing changes to BX Rule 9120(r)(1)(B) inadvertently excluded the words “Head of” and omitted to add the word “the”; indeed, the text should have read “Head of the Exchange’s Regulation Department” instead of, simply, “Exchange’s Regulation Department.”

The correct definition, as explained above, would also align with the term currently defined in Nasdaq Rule 9120(r)(1)(B), which provides that “Interested Staff”

---

shall mean “an Exchange employee of the Nasdaq Regulation Department who reports, directly or indirectly, to the Head of the Nasdaq Regulation Department.”

The Exchange believes that it is appropriate to apply Nasdaq Rule 9120 and to incorporate it by reference into the ISE rule. Additionally, the Exchange notes that applying Nasdaq Rule 9120 and incorporating it by reference into the Exchange rule should correct a typo in current BX Rule 9120(v) that erroneously uses the term “RINRA” instead of the acronym “FINRA.”

**Current BX Rule 9231**

The Exchange proposes to adopt the cross-reference in Nasdaq Rule 9231(c) concerning the appointment of arbitrators pursuant to the FINRA Rules 12000 and 13000 Series (the “FINRA Arbitration Rules”). Current BX Rule 9231(c) provides that arbitrators shall be appointed pursuant to BX General 6 (“BX Arbitration Rules”).\(^\text{15}\) The BX Arbitration Rules incorporate by reference the similar Nasdaq arbitration rules (also under Nasdaq’s General 6 title); ISE’s arbitration rules within General 6 also incorporate Nasdaq’s arbitration rules; in turn, the Nasdaq rules incorporate the FINRA Arbitration Rules by reference into its text. Following the incorporation by reference of Nasdaq Rule 9231, ISE Rule 9231(c) will directly cross-reference the FINRA Arbitration Rules, which will not create any differences from the current ISE rules.

**Current BX Rule 9232**

Currently, Nasdaq Rule 9232(a) provides a cross-reference to subsections (A) through (D) in Nasdaq Rule 9231(b)(1), whereas current BX Rule 9232(a) simply provides a reference to BX Rule 9231(b)(1). The Exchange believes that it is appropriate

---

to apply Nasdaq Rule 9232(a) and incorporate it by reference into the ISE rule since the Nasdaq rule contains a more precise cross-reference to Nasdaq Rule 9231(b)(1).

Current BX Rule 9522

The Exchange proposes to apply and incorporate by reference Nasdaq Rule 9522 in place of current BX Rule 9522. This proposal amends the first sentence in current BX Rule 9522(a)(1) by replacing the term “Exchange’s Regulation Department” with the term “Department of Member Regulation” as currently provided in Nasdaq Rule 9522(a)(1). As previously indicated by the Exchange, the FINRA Department of Member Regulation currently performs the functions described in current BX Rule 9522. Therefore, applying the Nasdaq rule and incorporating it by reference into ISE Rule 9522, provides clarity to the rule text and aligns it with Nasdaq and Phlx’s rules.

The ISE introductory paragraphs currently list instances in which various terms and rules within the BX Disciplinary Rules shall be read to refer to Exchange specific rules and terms. Replacing references to “BX” with “Nasdaq” in this introductory paragraph should align the Nasdaq and ISE rules. All of these specific terms are identical as between the Nasdaq and BX Rules and, therefore, the term “BX” is being replaced with “Nasdaq.”

The Exchange also proposes to remove certain references within ISE General 5, Section 3, Code of Procedure, which are no longer necessary because they align with the

---

17 As defined in BX 9120(g).
current rules referenced within the Nasdaq 9000 Rule Series.\textsuperscript{18} The Exchange also proposes to amend certain references to Nasdaq Rules, as a result of the relocation of certain Nasdaq Rules in conjunction with a larger Rulebook relocation.\textsuperscript{19} Specifically, the Exchange proposes to amend: (a) Rule 1160 to relocated General 2, Section 11; (b) Equity Rules 2110 and 2120 to relocated General 9, Section 1;\textsuperscript{20} (c) Equity Rule 2150 to relocated General 9, Section 2.\textsuperscript{21} Additionally, as noted above, the Exchange proposes to add rule text to provide that references in the Nasdaq 8000 Series to “Nasdaq’s Options 7, Section 1” shall be read to refer to ISE Options 7, Section 2.

\textbf{Other Technical Amendments}

Further, the Exchange proposes to amend references to General 5 to more specific references to the Nasdaq 9000 Series Rules, which pursuant to the proposed incorporation by reference will become ISE Rules. Specifically, the Exchange proposes to amend General 1, Section 1 (Definitions); General 3, Section 2 (Denial of and Conditions to Becoming a Member); General 3, Section 6 (Dissolution and Liquidation

\begin{itemize}
\item Equity Rule 2120 was more specifically relocated to General 9, Section 1(g), however the Nasdaq Rule 9000 Series only reference General 9, Section 1.
\item \textit{Id.}
\end{itemize}
of Members); Options 2A, Section 3 (Sale and Transfer of Market Maker Rights); Options 6A, Section 1 (Contracts of Suspended Members); Options 6E, Section 7 (Regulatory Cooperation); Options 9, Section 11 (Other Restrictions on Members); and Options 11, Section 1 (Imposition of Fines for Minor Rule Violations) to replace references to General 5 to the applicable Nasdaq 9000 Series Rule or Rules. Further, the Exchange proposes to amend General 1, “Provisions” to General 1, “General Provisions” to mirror the name of the Chapter on Nasdaq Phlx LLC, Nasdaq BX, Inc., and Nasdaq.

b. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act, in general, and furthers the objectives of Section 6(b)(5) of the Act, in particular, in that it is designed to promote just and equitable principles of trade and to protect investors and the public interest by consolidating its rules into a single rule set. The various Nasdaq exchanges (“Affiliated Exchanges”) have filed similar proposed rule changes to amend and relocate their disciplinary rules in order that the Nasdaq 8000 Series and 9000 Series Rules, which govern the investigative and disciplinary processes,

are similarly consolidated and incorporated by reference.\textsuperscript{25} To the extent that there will be differences remaining between the two rule sets, the Exchange notes those differences in introductory paragraphs to each of ISE’s Disciplinary Rules.

Incorporating the Nasdaq Disciplinary Rules by reference into the ISE Rules, instead of the BX Disciplinary Rules, will conform the alignment of these rules and permit the rules of Phlx, BX, ISE, Nasdaq GEMX, LLC and Nasdaq MRX, LLC to be incorporated by reference to one rule set. This proposal would permit the Nasdaq Series 8000 and 9000 Rules to be the source document for all of the Nasdaq Exchanges’ investigative and disciplinary processes. The Exchange notes that its current Disciplinary Rules are not substantively changing. The Exchange desires to conform its rules to give its Members and the members of its Affiliated Exchanges the ability to quickly locate rules in one central location and also to have a unified disciplinary rule set.

The Exchange also believes that the proposal is consistent with Section 6(b)(6) of the Act,\textsuperscript{26} which requires that the rules of an exchange provide that its Members be appropriately disciplined for violations of the Act as well as the rules and regulations thereunder, or the rules of the Exchange, by expulsion, suspension, limitation of activities, functions, and operations, fine, censure, being suspended or barred from being associated with a Member, or any other fitting sanction.

Other Technical Amendments

\textsuperscript{26} 15 U.S.C. 78f(b)(6).
These technical amendments are intended to align ISE with other Nasdaq affiliated markets Rulebooks. Nasdaq Phlx LLC and Nasdaq BX, Inc. Rulesets are also incorporating by reference the Nasdaq Rules and those rulesets provide specific references to the Nasdaq disciplinary rules within the 9000 Series.

4. **Self-Regulatory Organization’s Statement on Burden on Competition**

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that this rule change does not impose an undue burden on competition because the Nasdaq Series 8000 and 9000 Rules, which are substantially similar to BX’s Disciplinary Rules, will be incorporated by reference into ISE’s Rules. Those rules will now apply to ISE Members, associated persons, and other persons subject to the Exchange’s jurisdiction. To the extent that there will be differences remaining between the two rule sets, the Exchange notes those differences in introductory paragraphs to each of ISE’s Disciplinary Rules. As noted above, the proposed introductory paragraphs list instances in which cross references in Nasdaq Series 8000 and 9000 Rules to other Nasdaq rules shall be read to refer instead to the Exchange Rules, and references to Nasdaq terms (whether or not defined) shall be read to refer to the Exchange-related meanings of those terms. Because Nasdaq Current Series 8000 and 9000 Rules are substantially similar to BX’s Disciplinary Rules, which ISE currently incorporates by reference, and because the introductory paragraphs ensure that any differences are preserved, the proposed changes do not impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

Finally, the Exchange believes that the proposed amendments, including the technical amendments contained herein, do not impose an undue burden on competition
because the amendments to relocate the Rules are non-substantive. This rule change is intended to bring greater clarity to the Exchange’s Rules.

5. **Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others**

   No written comments were either solicited or received.

6. **Extension of Time Period for Commission Action**

   Not applicable.

7. **Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)**

   The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(iii)\(^{27}\) of the Act and Rule 19b-4(f)(6) thereunder\(^{28}\) in that it effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

   The proposal does not significantly affect the protection of investors or the public interest because the Exchange is proposing to incorporate by reference Nasdaq’s Current Series 8000 and 9000 Rules into ISE’s Disciplinary Rules for ease of reference by ISE Members, associated persons associated, and other persons subject to the Exchange’s jurisdiction. The remaining technical amendments are non-substantive and are designed to provide for accurate and precise internal references within the ISE Rules.

---

As stated above, ISE’s Disciplinary Rules currently incorporate by reference BX’s disciplinary rules, which are substantially similar to the Nasdaq Series 8000 and 9000 Rules, and to the extent there will be differences remaining, they are preserved with the proposed introductory paragraphs to each of the ISE’s Disciplinary Rules at General 5, Sections 1, 2 and 3. The Exchange believes that the proposal does not significantly affect the protection of investors or the public interest or impose any significant burden on competition.

Furthermore, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file a proposed rule change under that subsection at least five business days prior to the date of filing, or such shorter time as designated by the Commission. The Exchange has provided such notice.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative prior to 30 days after the date of filing. Rule 19b-4(f)(6)(iii), however, permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. Except where noted otherwise, the rule text will be the same on Nasdaq and ISE’s Disciplinary Rules. Moreover, there will be no change in the way the ISE’s Disciplinary Rules are applied to Exchange Members, associated
persons, and other persons subject to the Exchange’s jurisdiction.

The Exchange also notes that the proposed changes will not become operative unless and until the Commission approves the Exchange’s request, which it has filed pursuant to Section 36 of the Exchange Act and SEC Rule 0-12 thereunder, for an exemption from the rule filing requirements of Section 19(b) of the Exchange Act as to changes to ISE’s Disciplinary Rules that are effected solely by virtue of a change to the Nasdaq Series 8000 or 9000 Rules. The Exchange will continue to file rule changes to amend ISE’s Disciplinary Rules until such time as the Exchange has received approval to no longer file such rule changes if an exemption is granted.

Finally, the Exchange desires to bring greater clarity to its rules for the benefit of investors and the general public. The Exchange’s relocation is part of a larger effort to reorganize its rules and those of Affiliated Exchanges. The Exchange notes that it is important that it be permitted to reorganize its Rulebook without delay to ensure that it would be able to continue to file other rules which are affected by this relocation in a timely manner to maintain the Exchange’s obligations as a self-regulatory organization and also to permit the Exchange to modify its Rules without delay.

8. **Proposed Rule Change Based on Rules of Another Self-Regulatory Organization or of the Commission**

   Not applicable.

9. **Security-Based Swap Submissions Filed Pursuant to Section 3C of the Act**

   Not applicable.

10. **Advance Notices Filed Pursuant to Section 806(e) of the Payment, Clearing and Settlement Supervision Act**

    Not applicable.

5. Text of the proposed rule change.
Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 10, 2020, Nasdaq ISE, LLC (“ISE” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the ISE Disciplinary Rules in General 5 to incorporate by reference The Nasdaq Stock Market LLC’s (“Nasdaq”) Series 8000 and 9000 Rules, currently located under the General 5 title of the Nasdaq rulebook,³ instead of the BX Rules, which the Exchange currently incorporates by reference.

The text of the proposed rule change is available on the Exchange’s Website at http://ise.cchwallstreet.com/, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

In connection with a recent rule change to relocate the Nasdaq BX, Inc. (“BX”) Disciplinary Rules under the General 5 title (“Discipline”), and incorporate by reference The Nasdaq Stock Market LLC’s (“Nasdaq”) Series 8000 and 9000 Rules, ISE proposes to similarly incorporate by reference Nasdaq’s Series 8000 and 9000 Rules.

The BX Disciplinary Rules, which were relocated to General 5 of the BX Rules, were replaced with introductory paragraphs that respectively incorporate by reference the Nasdaq Series 8000 and 9000 Rules (located under the General 5 title in the Nasdaq rulebook). Currently, ISE incorporates the BX Disciplinary Rules within the Series

6 Id. The Exchange notes that the proposed changes will not become operative unless and until the Commission approves the Exchange’s request, to be filed pursuant to Section 36 of the Exchange Act and SEC Rule 0-12 thereunder, for an exemption from the rule filing requirements of Section 19(b) of the Exchange Act as to changes to the ISE 8000 Series (New General 5, Section 1) and ISE 9000 Series (New General 5, Section 2) that are effected solely by virtue of a change to the Nasdaq Series 8000 or 9000 Rules Series.
8000 and 9000 Rules, which were relocated to General 5 of the BX Rules with the aforementioned rule change. At this time, ISE proposes to incorporate by reference the Nasdaq Series 8000 and 9000 Rules (located in General 5 Discipline), respectively, and state that such Nasdaq Rules shall be applicable to Exchange Members, associated persons, and other persons subject to ISE’s jurisdiction.

Except as noted below, the Nasdaq Series 8000 and 9000 Rules are substantially similar to BX’s Disciplinary Rules, which the Exchange currently incorporates by reference. The following discussions identify the differences between the current BX Disciplinary Rules and the corresponding Nasdaq Disciplinary Rules to be incorporated by reference into ISE:

**Current BX IM-8310-3(b)**

Current BX Rule 9120(f) provides that “[t]he term “Department of Enforcement” means the Department of Enforcement of FINRA Regulation, acting on behalf of the Exchange pursuant to the FINRA Regulatory Contract.” Current BX IM-8310-3(b), however, uses the term “Department of Enforcement of FINRA.” Since Nasdaq IM-8310-3(b) uses the term “Department of Enforcement” ISE believes it is appropriate to utilize the Nasdaq terms going forward and incorporate by reference into the ISE rule.

**Current BX Rule 8320**

In 2010, Nasdaq created Rule 7007 (“Collection of Fees”) to facilitate an efficient method of collecting undisputed or final fees, fines, charges and/or other monetary

---

8 This definition mirrors the one in the Nasdaq rulebook under Rule 9120(f).
sanctions or monies due and owing to Nasdaq from The Nasdaq Option Market (“NOM”) Participants.  

Similarly, in 2012, BX adopted its options market rules (“BX Options Market”) to operate as a fully automated, price/time priority execution system built on the core functionality of NOM.  

In its filing, BX proposed to adopt, under respective Chapter XV, Section 2, a rule identical to the Nasdaq Collection of Fees rule.  

Although, at the time of its creation, the Nasdaq Collection of Fees rule was cross-referenced to current Nasdaq Rule 8320(a)(1), such cross-reference was not included in the filing that created the BX Options Market.  ISE also has the same Collection of Fees rule, that is identical to the Nasdaq rule.  Because BX Rule 8320, which ISE incorporates by reference, does not include a cross-reference to the Collection of Fees rule, ISE will follow the Nasdaq rule going forward, which has the correct cross-reference.  The Exchange also proposes to add rule text, within General 5, Section 3, to note the distinction between the location

---

11 Id.

12 See supra note 9.

13 See ISE Options 7, Section 2.
of the Collection of Fees rules. Specifically, the Exchange proposes to add rule text to provide that references in the Nasdaq 8000 Series to “Nasdaq’s Options 7, Section 1” shall be read to refer to ISE Options 7, Section 2.

Based on the above, the Exchange believes that it is appropriate that ISE adopts the aforementioned cross-reference to make the collection of fees owed to the Exchange more efficient. Therefore, the Exchange believes that it is appropriate to incorporate by reference Nasdaq Rule 8320 into ISE Rules.

**Current BX Rule 9120**

In 2018, BX amended its Disciplinary Rules to align them with the investigatory and disciplinary processes of Nasdaq PHLX LLC (“Phlx”). As stated in its proposal, the changes to the “Interested Staff” concept (which, at the time, was relocated under 9120(r)) were done to conform the BX rule to Phlx’s definition. At the time, however, the proposed harmonizing changes to BX Rule 9120(r)(1)(B) inadvertently excluded the words “Head of” and omitted to add the word “the”; indeed, the text should have read “Head of the Exchange’s Regulation Department” instead of, simply, “Exchange’s Regulation Department.”

The correct definition, as explained above, would also align with the term currently defined in Nasdaq Rule 9120(r)(1)(B), which provides that “Interested Staff” shall mean “an Exchange employee of the Nasdaq Regulation Department who reports, directly or indirectly, to the Head of the Nasdaq Regulation Department.”

The Exchange believes that it is appropriate to apply Nasdaq Rule 9120 and to incorporate it by reference into the ISE rule. Additionally, the Exchange notes that

---

applying Nasdaq Rule 9120 and incorporating it by reference into the Exchange rule should correct a typo in current BX Rule 9120(v) that erroneously uses the term “RINRA” instead of the acronym “FINRA.”

**Current BX Rule 9231**

The Exchange proposes to adopt the cross-reference in Nasdaq Rule 9231(c) concerning the appointment of arbitrators pursuant to the FINRA Rules 12000 and 13000 Series (the “FINRA Arbitration Rules”). Current BX Rule 9231(c) provides that arbitrators shall be appointed pursuant to BX General 6 (“BX Arbitration Rules”). The BX Arbitration Rules incorporate by reference the similar Nasdaq arbitration rules (also under Nasdaq’s General 6 title); ISE’s arbitration rules within General 6 also incorporate Nasdaq’s arbitration rules; in turn, the Nasdaq rules incorporate the FINRA Arbitration Rules by reference into its text. Following the incorporation by reference of Nasdaq Rule 9231, ISE Rule 9231(c) will directly cross-reference the FINRA Arbitration Rules, which will not create any differences from the current ISE rules.

**Current BX Rule 9232**

Currently, Nasdaq Rule 9232(a) provides a cross-reference to subsections (A) through (D) in Nasdaq Rule 9231(b)(1), whereas current BX Rule 9232(a) simply provides a reference to BX Rule 9231(b)(1). The Exchange believes that it is appropriate to apply Nasdaq Rule 9232(a) and incorporate it by reference into the ISE rule since the Nasdaq rule contains a more precise cross-reference to Nasdaq Rule 9231(b)(1).

---

**Current BX Rule 9522**

The Exchange proposes to apply and incorporate by reference Nasdaq Rule 9522 in place of current BX Rule 9522. This proposal amends the first sentence in current BX Rule 9522(a)(1) by replacing the term “Exchange’s Regulation Department” with the term “Department of Member Regulation” as currently provided in Nasdaq Rule 9522(a)(1). As previously indicated by the Exchange, the FINRA Department of Member Regulation currently performs the functions described in current BX Rule 9522. Therefore, applying the Nasdaq rule and incorporating it by reference into ISE Rule 9522, provides clarity to the rule text and aligns it with Nasdaq and Phlx’s rules.

The ISE introductory paragraphs currently list instances in which various terms and rules within the BX Disciplinary Rules shall be read to refer to Exchange specific rules and terms. Replacing references to “BX” with “Nasdaq” in this introductory paragraph should align the Nasdaq and ISE rules. All of these specific terms are identical as between the Nasdaq and BX Rules and, therefore, the term “BX” is being replaced with “Nasdaq.”

The Exchange also proposes to remove certain references within ISE General 5, Section 3, Code of Procedure, which are no longer necessary because they align with the current rules referenced within the Nasdaq 9000 Rule Series. The Exchange also

17 As defined in BX 9120(g).

proposes to amend certain references to Nasdaq Rules, as a result of the relocation of certain Nasdaq Rules in conjunction with a larger Rulebook relocation. Specifically, the Exchange proposes to amend: (a) Rule 1160 to relocated General 2, Section 11; (b) Equity Rules 2110 and 2120 to relocated General 9, Section 1; (c) Equity Rule 2150 to relocated General 9, Section 2. Additionally, as noted above, the Exchange proposes to add rule text to provide that references in the Nasdaq 8000 Series to “Nasdaq’s Options 7, Section 1” shall be read to refer to ISE Options 7, Section 2.

Other Technical Amendments

Further, the Exchange proposes to amend references to General 5 to more specific references to the Nasdaq 9000 Series Rules, which pursuant to the proposed incorporation by reference will become ISE Rules. Specifically, the Exchange proposes to amend General 1, Section 1 (Definitions); General 3, Section 2 (Denial of and Conditions to Becoming a Member); General 3, Section 6 (Dissolution and Liquidation of Members); Options 2A, Section 3 (Sale and Transfer of Market Maker Rights); Options 6A, Section 1 (Contracts of Suspended Members); Options 6E, Section 7 (Regulatory Cooperation); Options 9, Section 11 (Other Restrictions on Members); and Options 11, Section 1 (Imposition of Fines for Minor Rule Violations) to replace

Equity Rule 2120 was more specifically relocated to General 9, Section 1(g), however the Nasdaq Rule 9000 Series only reference General 9, Section 1.

references to General 5 to the applicable Nasdaq 9000 Series Rule or Rules. Further, the Exchange proposes to amend General 1, “Provisions” to General 1, “General Provisions” to mirror the name of the Chapter on Nasdaq Phlx LLC, Nasdaq BX, Inc., and Nasdaq.

2. **Statutory Basis**

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,\(^{22}\) in general, and furthers the objectives of Section 6(b)(5) of the Act,\(^{23}\) in particular, in that it is designed to promote just and equitable principles of trade and to protect investors and the public interest by consolidating its rules into a single rule set. The various Nasdaq exchanges (“Affiliated Exchanges”) have filed similar proposed rule changes to amend and relocate their disciplinary rules\(^{24}\) in order that the Nasdaq 8000 Series and 9000 Series Rules, which govern the investigative and disciplinary processes, are similarly consolidated and incorporated by reference.\(^{25}\) To the extent that there will be differences remaining between the two rule sets, the Exchange notes those differences in introductory paragraphs to each of ISE’s Disciplinary Rules.

Incorporating the Nasdaq Disciplinary Rules by reference into the ISE Rules, instead of the BX Disciplinary Rules, will conform the alignment of these rules and permit the rules of Phlx, BX, ISE, Nasdaq GEMX, LLC and Nasdaq MRX, LLC to be incorporated by reference to one rule set. This proposal would permit the Nasdaq Series 8000 and 9000 Rules to be the source document for all of the Nasdaq Exchanges’ investigative and disciplinary processes. The Exchange notes that its current Disciplinary Rules are not substantively changing. The Exchange desires to conform its rules to give its Members and the members of its Affiliated Exchanges the ability to quickly locate rules in one central location and also to have a unified disciplinary rule set.

The Exchange also believes that the proposal is consistent with Section 6(b)(6) of the Act,26 which requires that the rules of an exchange provide that its Members be appropriately disciplined for violations of the Act as well as the rules and regulations thereunder, or the rules of the Exchange, by expulsion, suspension, limitation of activities, functions, and operations, fine, censure, being suspended or barred from being associated with a Member, or any other fitting sanction.

Other Technical Amendments

These technical amendments are intended to align ISE with other Nasdaq affiliated markets Rulebooks. Nasdaq Phlx LLC and Nasdaq BX, Inc. Rulesets are also incorporating by reference the Nasdaq Rules and those rulesets provide specific references to the Nasdaq disciplinary rules within the 9000 Series.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that this rule change does not impose an undue burden on competition because the Nasdaq Series 8000 and 9000 Rules, which are substantially similar to BX’s Disciplinary Rules, will be incorporated by reference into ISE’s Rules. Those rules will now apply to ISE Members, associated persons, and other persons subject to the Exchange’s jurisdiction. To the extent that there will be differences remaining between the two rule sets, the Exchange notes those differences in introductory paragraphs to each of ISE’s Disciplinary Rules. As noted above, the proposed introductory paragraphs list instances in which cross references in Nasdaq Series 8000 and 9000 Rules to other Nasdaq rules shall be read to refer instead to the Exchange Rules, and references to Nasdaq terms (whether or not defined) shall be read to refer to the Exchange-related meanings of those terms. Because Nasdaq Current Series 8000 and 9000 Rules are substantially similar to BX’s Disciplinary Rules, which ISE currently incorporates by reference, and because the introductory paragraphs ensure that any differences are preserved, the proposed changes do not impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

Finally, the Exchange believes that the proposed amendments, including the technical amendments contained herein, do not impose an undue burden on competition because the amendments to relocate the Rules are non-substantive. This rule change is intended to bring greater clarity to the Exchange’s Rules.
C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act\(^\text{27}\) and subparagraph (f)(6) of Rule 19b-4 thereunder.\(^\text{28}\)

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

\(^{28}\) 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.
