Such partial amendment shall be clearly identified and marked to show deletions and additions.

1. Text of the Proposed Rule Change

(a) Nasdaq ISE, LLC (“ISE” or “Exchange”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> is filing with the Securities and Exchange Commission (“SEC” or “Commission”) a proposal to adopt ISE Options 9, Section 25 to codify the Exchange’s longstanding guidance that the unbundling of orders for any purpose other than best execution is considered conduct inconsistent with just and equitable principles of trade.

A notice of the proposed rule change for publication in the Federal Register is attached as Exhibit 1. The text of the proposed rule change is attached as Exhibit 5.

(b) Nasdaq GEMX, LLC (“GEMX”) Options 9 and Nasdaq MRX, LLC (“MRX”) Options 9 incorporate ISE Options 9 by reference. Therefore, the proposed rule change also adds the new ISE Options 9, Section 25 to the GEMX and MRX rulebooks as GEMX Options 9, Section 25 and MRX Options 9, Section 25, respectively.

(c) Not applicable.

2. Procedures of the Self-Regulatory Organization

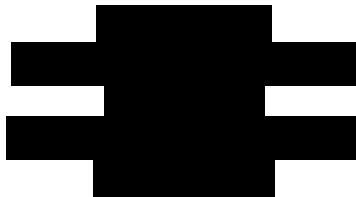

The proposed rule change was approved by senior management of the Exchange pursuant to authority delegated by the Board of Directors (“Board”). Exchange staff will advise the Board of any action taken pursuant to delegated authority. No other action is necessary for the filing of the rule change.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

The Exchange proposes to amend ISE Options 9 by adding a new Section 25 to codify its longstanding guidance that it shall be considered conduct inconsistent with just and equitable principles of trade for any member, member organization, or person associated with or employed by a member or member organization (collectively, “member” or “members”) to split an order into multiple smaller orders for any purpose other than seeking the best execution of the entire order.<sup>3</sup> Members of the Exchange are not allowed to engage in conduct inconsistent with just and equitable principles of trade.<sup>4</sup>

“Unbundling,” also known as “trade shredding,” is the practice of breaking up an order into multiple smaller orders for some purpose other than the best execution of the order. The practice of unbundling has in the past been used for purposes such as improperly maximizing

<sup>3</sup> Nasdaq GEMX, LLC (“GEMX”) Options 9 and Nasdaq MRX, LLC (“MRX”) Options 9 incorporate ISE Options 9 by reference. Therefore, the proposed rule change also adds the new ISE Options 9, Section 25 to the GEMX and MRX rulebooks as GEMX Options 9, Section 25 and MRX Options 9, Section 25, respectively.

commissions and fees charged to customers, distorting trade data, or circumventing rules pertaining to maximum order size.<sup>5</sup>

The Exchange believes that the unbundling of orders generally serves no purpose to the customer that entered the order and may cause unnecessary delays in the execution of that order. This belief has been reflected in the Exchange's longstanding regulatory guidance to its members.<sup>6</sup>

The impermissibility of unbundling is a well-established principle across the U.S. securities markets. Other options exchanges have anti-unbundling rules or rule interpretations that are similar to the rule being adopted by the Exchange.<sup>7</sup> Additionally, other exchanges have also issued regulatory guidance to their members warning them against the practice of unbundling.<sup>8</sup> Finally, the Financial Industry Regulatory Authority ("FINRA") also has its own anti-unbundling rule, FINRA Rule 5290, which specifies, in part, that "[n]o member . . . shall engage in conduct that has the intent or effect of splitting any order into multiple smaller orders

for execution or any execution into multiple smaller executions for transaction reporting for the primary purpose of maximizing a monetary or in-kind amount to be received by the member . . . as a result of the execution of such orders or the transaction reporting of such executions.”

b. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,<sup>9</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>10</sup> in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest, by deterring and helping to prevent the distortive practice of unbundling.

The Exchange believes that the unbundling of orders generally serves no purpose to the customer that entered the order and may cause unnecessary delays in the execution of that order. Codifying its longstanding guidance in its rulebook that unbundling is conduct inconsistent with just and equitable principles of trade is thus designed to promote just and equitable principles of trade. Additionally, by defining unbundling as the practice of splitting an order into multiple smaller orders for any purpose other than seeking the best execution of the entire order, the proposal is designed to promote best execution and thus protect investors and the public interest.

Additionally, the Exchange reiterates that the proposed rule is substantively identical to NYSE American Rule 995NY(d) and it is consistent with the rules and regulatory guidance of other exchanges, as well as FINRA Rule 5290.

<sup>10</sup> 15 U.S.C. 78f(b)(5).

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. In terms of intra-market competition, the Exchange notes that the proposed rule will apply equally to all members of the Exchange. Additionally, in terms of intermarket competition, the Exchange notes that the proposed rule is consistent with the rules of other exchanges, as well as the rules of FINRA.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

Not Applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(iii)<sup>11</sup> of the Act and Rule 19b-4(f)(6) thereunder<sup>12</sup> in that it effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

The proposal does not significantly affect the protection of investors or the public interest. On the contrary, the proposal helps further the protection of investors and the public interest by emphasizing that the distortive and manipulative practice of unbundling on the

Exchange shall be considered inconsistent with just and equitable principles of trade.

Additionally, the proposal does not impose any significant burden on competition because it will apply equally to all Exchange members, and it is consistent with the rules and interpretations of other exchanges and FINRA.

Furthermore, Rule 19b-4(f)(6)(iii)<sup>13</sup> requires a self-regulatory organization to give the Commission written notice of its intent to file a proposed rule change under that subsection at least five business days prior to the date of filing, or such shorter time as designated by the Commission. The Exchange has provided such notice.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

8. Proposed Rule Change Based on Rules of Another Self-Regulatory Organization or of the Commission

As detailed above, the proposed rule is substantively identical to NYSE American Rule 995NY(d). Additionally, the proposed rule is consistent with the rules of other exchanges, such as NYSE Arca, Inc., and Miami International Securities Exchange, LLC, as well as the regulatory guidance to their members provided by other exchanges, such as Cboe Exchange, Inc. Finally, the proposed rule is consistent with FINRA Rule 5290.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend ISE Options 9 by adding a new Section 25 to codify its longstanding guidance that it shall be considered conduct inconsistent with just and equitable principles of trade for any member, member organization, or person associated with or employed by a member or member organization (collectively, “member” or “members”) to split an order into multiple smaller orders for any purpose other than seeking the best execution of the entire order.<sup>3</sup> Members of the Exchange are not allowed to engage in conduct inconsistent with just and equitable principles of trade.<sup>4</sup>

<sup>3</sup> Nasdaq GEMX, LLC (“GEMX”) Options 9 and Nasdaq MRX, LLC (“MRX”) Options 9 incorporate ISE Options 9 by reference. commissions and fees charged to customers, distorting trade data, or circumventing rules pertaining to maximum order size.<sup>5</sup>

The Exchange believes that the unbundling of orders generally serves no purpose to the customer that entered the order and may cause unnecessary delays in the execution of that order. This belief has been reflected in the Exchange's longstanding regulatory guidance to its members.<sup>6</sup>

for execution or any execution into multiple smaller executions for transaction reporting for the primary purpose of maximizing a monetary or in-kind amount to be received by the member . . . as a result of the execution of such orders or the transaction reporting of such executions.”

## 2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,<sup>9</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>10</sup> in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest, by deterring and helping to prevent the distortive practice of unbundling.

**B. Self-Regulatory Organization's Statement on Burden on Competition**

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. In terms of intra-market competition, the Exchange notes that the proposed rule will apply equally to all members of the Exchange. Additionally, in terms of intermarket competition, the Exchange notes that the proposed rule is consistent with the rules of other exchanges, as well as the rules of FINRA.

**C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others**

No written comments were either solicited or received.

**III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>11</sup> and subparagraph (f)(6) of Rule 19b-4 thereunder.<sup>12</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. The Exchange has satisfied this requirement.

Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
