1. Text of the Proposed Rule Change

(a) Nasdaq ISE, LLC (“ISE” or “Exchange”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² is filing with the Securities and Exchange Commission (“SEC” or “Commission”) a proposal to amend ISE’s Pricing Schedule at Options 7, Section 9E, FINRA Web CRD Fees, to reflect adjustments to FINRA Fees.

While the changes proposed herein are effective upon filing, the Exchange has designated the amendments become operative on January 1, 2026.

A notice of the proposed rule change for publication in the Federal Register is attached as Exhibit 1. The text of the proposed rule change is attached as Exhibit 5.

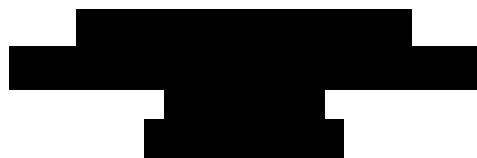

(b) Not applicable.

(c) Not applicable.

2. Procedures of the Self-Regulatory Organization

The proposed rule change was approved by senior management of the Exchange pursuant to authority delegated by the Board of Directors (the “Board”). Exchange staff will advise the Board of any action taken pursuant to delegated authority. No other action is necessary for the filing of the rule change.

Questions and comments on the proposed rule change may be directed to:

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

This proposal amends Options 7, Section 9E, FINRA Web CRD Fees, to reflect adjustments to FINRA³ Registration Fees and Fingerprinting Fees.⁴ The FINRA fees are collected and retained by FINRA via Web CRD for the registration of employees of ISE Members that are not FINRA members (“Non-FINRA members”). The Exchange is merely listing these fees on its Pricing Schedule. The Exchange does not collect or retain these fees.

FINRA Annual System Processing Fee

In 2024, FINRA amended certain fees assessed for use of the CRD system for implementation between 2026 and 2028.⁵ The Exchange accordingly proposes to amend its FINRA fees to mirror the system processing fees assessed by FINRA, which will be implemented concurrently with the amended FINRA fees as of January 2026. Specifically, the Exchange proposes to amend Options 7, Section 9E to modify FINRA Annual System Processing Fee from \$70 to the following, based on the number of securities regulators with which each such registered person is registered, excluding registration as an investment adviser representative:⁶

³ FINRA operates Web CRD, the central licensing and registration system for the U.S. securities industry. FINRA uses Web CRD to maintain the qualification, employment and disciplinary histories of registered associated persons of broker-dealers.

⁴ See Securities Exchange Act Release No. 93709 (November 21, 2024), 89 FR 93709 (November 27, 2024) (SR-FINRA-2024-019).

⁵ See *id.*

⁶ See Section (4)(b)(7) of Schedule A to the FINRA By-laws.

Number of Securities Regulators	Fee
1-5	\$70
6-20	\$95
21-40	\$110
41 +	\$125

These amendments are being made in accordance with a FINRA rule change to adjust to its fees.⁷

Continuing Education Regulatory Element Session Fee

The Exchange also proposes to amend Options 7, Section 9E with respect to the Continuing Education Regulatory Element Session Fee to increase the fee from \$18 to \$25 to mirror the same change proposed by FINRA in SR-FINRA-2024-019.⁸

Finally, the Exchange proposes to remove outdated rule text at Options 7, Section 9E which describes fees that were in place prior to January 1, 2023. Those fees have since been replaced with the Continuing Education Regulatory Element Session Fee.⁹

The FINRA Web CRD Fees are user-based and there is no distinction in the cost incurred by FINRA if the user is a FINRA member or a Non-FINRA member. Accordingly, the proposed fees mirror those currently assessed by FINRA.

⁷ See note 5. FINRA noted in its rule change that it was adjusting its fees to provide sustainable funding for FINRA's regulatory mission.

⁸ See note 5.

⁹ The Exchange proposes to remove the following rule text, \$55 Continuing Education Regulatory Element Session Fee for each individual who is required to complete the Regulatory Element of the Continuing Education Requirements pursuant to Exchange General 4, Section 1240. This fee will be amended on January 1, 2023 as noted below. Also, the Exchange proposes to remove this sentence: The below Continuing Education Regulatory Element Session Fee will be assessed by FINRA commencing on January 1, 2023.

b. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,¹⁰ in general, and furthers the objectives of Sections 6(b)(4) and 6(b)(5) of the Act,¹¹ in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility, and is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Exchange believes it is reasonable to amend the FINRA Annual System Processing Fee and the Continuing Education Regulatory Element Session Fee because the fees will be identical to those adopted by FINRA as of January 2026 for use of the CRD system for each of the member's registered representatives and principals for system processing and for continuing education.¹² The costs of operating and improving the CRD system and for continuing education are similarly borne by FINRA when a Non-FINRA member uses the CRD system; accordingly, the fees collected for such use should, as proposed by the Exchange, mirror the fees assessed to FINRA members. In addition, as FINRA noted in amending its fees, it believes that its proposed pricing structure is reasonable and correlates fees with the components that drive its regulatory costs to the extent feasible. The Exchange further believes that the change is reasonable because it will provide greater specificity regarding the CRD system fees and continuing education fees that are applicable to Non-FINRA members. All similarly situated members are subject to the same fee structure, and every member must use the CRD system for registration and disclosure and pay for continuing education. Accordingly, the Exchange believes that the fees collected for

¹⁰ 15 U.S.C. 78f(b).

¹¹ 15 U.S.C. 78f(b)(4) and (5).

¹² See note 5.

such use should likewise increase in lockstep with the fees assessed to FINRA members, as proposed by the Exchange.

The Exchange believes the proposed FINRA Annual System Processing Fee and the Continuing Education Regulatory Element Session Fee are equitable and not unfairly discriminatory because the fees apply equally to all individuals and firms required to report information in the CRD system and comply with continuing education. The proposal will result in the same regulatory fees being charged to all Members required to report information to CRD and comply with continuing education and for services performed by FINRA regardless of whether such Members are FINRA members. Further, the Exchange will not be collecting or retaining these fees, therefore, the Exchange will not be in a position to apply them in an inequitable or unfairly discriminatory manner.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

The Exchange believes the proposed FINRA Annual System Processing Fee and the Continuing Education Regulatory Element Session Fee do not impose an undue burden on competition because the fees apply equally to all individuals and firms required to report information in the CRD system and comply with continuing education. The proposal will result in the same regulatory fees being charged to all Members required to report information to CRD and comply with continuing education and for services performed by FINRA regardless of whether such Members are FINRA members. Further, the Exchange will not be collecting or retaining these fees, therefore, the Exchange will not be in a position to apply them in an inequitable or unfairly discriminatory manner.

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

⁷ See note 5. FINRA noted in its rule change that it was adjusting its fees to provide sustainable funding for FINRA's regulatory mission.

⁸ See note 5.

⁹ The Exchange proposes to remove the following rule text, \$55 Continuing Education Regulatory Element Session Fee for each individual who is required to complete the Regulatory Element of the Continuing Education Requirements pursuant to Exchange General 4, Section 1240. This fee will be amended on January 1, 2023 as noted below. same fee structure, and every member must use the CRD system for registration and disclosure and pay for continuing education. Accordingly, the Exchange believes that the fees collected for such use should likewise increase in lockstep with the fees assessed to FINRA members, as proposed by the Exchange.

The Exchange believes the proposed FINRA Annual System Processing Fee and the Continuing Education Regulatory Element Session Fee are equitable and not unfairly discriminatory because the fees apply equally to all individuals and firms required to report information in the CRD system and comply with continuing education. The proposal will result in the same regulatory fees being charged to all Members required to report information to CRD and comply with continuing education and for services performed by FINRA regardless of whether such Members are FINRA members. B. Self-Regulatory Organization's Statement on Burden on Competition
