1. Text of the Proposed Rule Change

(a) Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² The NASDAQ Stock Market LLC ("NASDAQ" or the "Exchange") is filing with the Securities and Exchange Commission ("Commission") a proposed rule change with respect to the amendment of the by-laws of its parent corporation, The NASDAQ OMX Group, Inc. ("NASDAQ OMX").

The text of the proposed rule change is attached as Exhibit 5.

(b) and (c) Not applicable.

2. Procedures of the Self-Regulatory Organization

The Board of Directors of NASDAQ OMX approved the proposed rule change on May 22, 2012. As provided in Article EIGHTH, Paragraph B of the Restated Certificate of Incorporation of NASDAQ OMX and Section 11.3 of its By-Laws, proposed amendments to the By-Laws are to be reviewed by the Board of Directors of each self-regulatory subsidiary of NASDAQ OMX, and if any such proposed amendment must, under Section 19 of the Act and the rules promulgated thereunder, be filed with, or filed with and approved by, the Commission before such amendment may be effective, then such amendment shall not be effective until filed with, or filed with and approved by, the Commission, as the case may be. Accordingly the Boards of Directors of the Exchange, NASDAQ OMX BX ("BX"), and NASDAQ OMX PHLX LLC ("PHLX") approved the proposed rule change on June 5, 2012; and the Boards of Directors of the Boston Stock Exchange Clearing Corporation ("BSECC") and the Stock Clearing Corporation of

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

Philadelphia (“SCCP”) approved the proposed rule change on June 11, 2012. Each such board has determined that the proposed rule change should be filed with the Commission.

The proposed rule change does not require approval by NASDAQ OMX stockholders.

The proposed amendments will be implemented upon approval by the Commission.

Questions and comments on the proposed rule change may be directed to John M. Yetter, Vice President and Deputy General Counsel, NASDAQ OMX, at (301) 978-8497.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

NASDAQ OMX is proposing amendments to provisions of its by-laws pertaining to the composition of the Management Compensation Committee of the NASDAQ OMX Board of Directors. Specifically, NASDAQ OMX is amending the compositional requirements of its Management Compensation Committee in Section 4.13 to replace a requirement that the committee be composed of a majority of Non-Industry Directors³

³ An “Industry Director” means a Director (excluding any two officers of NASDAQ OMX, selected at the sole discretion of the Board, amongst those officers who may be serving as Directors (the “Staff Directors”)) who (1) is or has served in the prior three years as an officer, director, or employee of a broker or dealer, excluding an outside director or a director not engaged in the day-to-day management of a broker or dealer; (2) is an officer, director (excluding an outside director), or employee of an entity that owns more than ten percent of the equity of a broker or dealer, and the broker or dealer accounts for more than five percent of the gross revenues received by the consolidated entity; (3) owns more than five percent of the equity securities of any broker or dealer, whose investments in brokers or dealers exceed ten percent of his or her net worth, or whose ownership interest otherwise permits him or her to be engaged in the day-to-day management of a broker or dealer; (4) provides professional services to brokers or dealers, and such services constitute 20 percent or more of the professional revenues received by the Director or 20 percent or more of the gross revenues received by the Director’s firm or partnership; (5) provides professional services to a director, officer, or employee of a broker, dealer, or corporation that owns 50 percent or more of the voting stock of a broker or dealer, and such services relate to the director’s, officer’s, or employee’s professional capacity and constitute 20 percent

with a requirement that the number of Non-Industry Directors on the committee equal or exceed the number of Industry Directors. Thus, in the case of a committee composed of four Directors, the current by-law provides that only one Director may be an Industry Director, while the amended by-law would allow up to two Directors to be Industry Directors. The proposed compositional requirement for the committee with regard to the balance between Industry Directors and Non-Industry Directors would be the same as that already provided for in the by-laws with respect to the Executive Committee and the Nominating and Governance Committee, as well as the full Board of Directors.

NASDAQ OMX and the Exchange believe that the change will provide greater flexibility to NASDAQ OMX with regard to populating a committee that includes Directors with relevant expertise and that is not excessively large in relation to the size of the full Board of Directors, while continuing to ensure that Directors associated with NASDAQ members and other broker-dealers do not exert disproportionate influence of the governance of NASDAQ OMX. As required by NASDAQ Rule 5605(d), the

or more of the professional revenues received by the Director or 20 percent or more of the gross revenues received by the Director's firm or partnership; or (6) has a consulting or employment relationship with or provides professional services to NASDAQ OMX or any affiliate thereof or to the Financial Industry Regulatory Authority ("FINRA") or has had any such relationship or provided any such services at any time within the prior three years.

A "Non-Industry Director" means a Director (excluding the Staff Directors) who is (1) a Public Director; (2) an officer, director, or employee of an issuer of securities listed on a national securities exchange operated by any subsidiary of NASDAQ OMX that is a self-regulatory organization; or (3) any other individual who would not be an Industry Director.

A "Public Director" means a Director who has no material business relationship with a broker or dealer, NASDAQ OMX or its affiliates, or FINRA.

committee would continue at all times to be composed solely of Directors who are independent within the meaning of that rule.

b. Statutory Basis

NASDAQ believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁴ in general, and with Sections 6(b)(1) and (b)(5) of the Act,⁵ in particular, in that the proposal enables NASDAQ to be so organized and to have the capacity to be able to carry out the purposes of the Act and to comply with and enforce compliance by members and persons associated with members with provisions of the Act, the rules and regulations thereunder, and NASDAQ rules, and is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

NASDAQ believes that the change will provide greater flexibility to NASDAQ OMX with regard to populating a committee that includes Directors with relevant expertise and that is not excessively large in relation to the size of the full Board of Directors, while continuing to ensure that Directors associated with NASDAQ members and other broker-dealers do not exert disproportionate influence of the governance of NASDAQ OMX.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

NASDAQ OMX is proposing amendments to provisions of its by-laws pertaining to the composition of the Management Compensation Committee of the NASDAQ OMX Board of Directors. Specifically, NASDAQ OMX is amending the compositional requirements of its Management Compensation Committee in Section 4.13 to replace a requirement that the committee be composed of a majority of Non-Industry Directors³
