SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-67904; File No. SR-NASDAQ-2012-106]

Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Offer Members the Ability To Pay a Regulatory Fine Pursuant to an Installment Plan

September 21, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on September 14, 2012, The NASDAQ Stock Market LLC ("NASDAQ" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange proposes a rule change to offer members the ability to pay a

regulatory fine pursuant to an installment plan, under certain conditions. The text of the proposed rule change is available at <http://nasdaq.cchwallstreet.com>, at the Exchange's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

NASDAQ is proposing to amend Rule 8320 governing "Payment of Fines, Other Monetary Sanctions, or Costs; Summary Action for Failure to Pay" to offer members the ability to pay a regulatory fine pursuant to an installment plan, under certain conditions. In order for a member to be eligible to pay a regulatory fine via an installment plan, the fine under the applicable letter of acceptance, waiver, and consent ("AWC")³ must be \$50,000 or more. A fine of less than \$50,000 is not eligible for the installment plan. When submitting its AWC, the member must check the installment plan option on the election of payment form included with the AWC. A sample election of payment form and AWC are included in Exhibit 3⁴ to this proposed rule change. A down payment of twenty-five percent (25%) or more of the total fine must be submitted with the signed AWC.

After receipt of the AWC and down payment, an installment package, including a promissory note and payment schedule, will be mailed to the member. A sample promissory note and payment schedule are included in Exhibit 3 to this proposed rule change. The member must then submit an executed (signed and notarized) promissory note for the unpaid balance

⁴ The Commission notes that Exhibit 3 is an exhibit to the proposed rule change, not to this Notice.

of the fine, along with its first installment payment. The term of the installment plan may not exceed four years after the execution of the AWC. The member may elect monthly or quarterly payments.

2. Statutory Basis

NASDAQ believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁵ in general, and with Section 6(b)(5) of the Act,⁶ in particular, in that the proposal is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. In addition, NASDAQ believes that the proposed rule change is consistent with the provisions of Section 6(b)(6) and 6(b)(7) of the Act,⁷ which require an exchange to provide fair procedures for the disciplining of members and persons associated with members. Specifically, NASDAQ believes that the proposal will promote the settlement of disciplinary cases by allowing members to make installment payments. NASDAQ believes that settlement is a beneficial method of disciplining members because it imposes meaningful sanctions on the member while avoiding the cost and uncertainty of a protracted disciplinary proceeding. NASDAQ further believes that affording members with the opportunity to pay a regulatory fine over a period of time may allow NASDAQ to impose higher fines in appropriate circumstances and diminish the risk that sanctioned members will fail to pay.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁹

A proposed rule change filed under Rule 19b-4(f)(6)¹⁰ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹¹ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that NASDAQ may offer members that are contemplating the execution of an AWC the option of entering into an installment arrangement as soon as possible. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest as it will provide members the option of paying large fines in installments.¹² Therefore, the Commission hereby waives the 30-day operative delay and designates the proposed rule change to be operative upon filing with the Commission.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.

⁸ 15 U.S.C. 78s(b)(3)(A).

⁹ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of the filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

¹⁰ 17 CFR 240.19b-4(f)(6).

¹¹ 17 CFR 240.19b-4(f)(6)(iii).

¹² For purposes only of waiving the operative delay for this proposal, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include File Number SR-NASDAQ-2012-106 on the subject line.

Paper Comments

- Send paper comments in triplicate to Elizabeth M. Murphy, Secretary, Securities and Exchange Commission, 100 F Street NE., Washington, DC 20549-1090.

All submissions should refer to File Number SR-NASDAQ-2012-106. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission's Public Reference Room on official business days between the hours of 10 a.m. and 3 p.m. Copies of such filing also will be available for inspection and copying at the principal offices of the Exchange. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-NASDAQ-2012-106, and should be submitted on or before October 18, 2012.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-67909; File No. SR-EDGA-2012-42]

Self-Regulatory Organizations; EDGA Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend EDGA Rule 13.9

September 21, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on September 19, 2012, EDGA Exchange, Inc. (the "Exchange" or "EDGA") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing with the Commission a proposed rule change to amend Rule 13.9, which provides a new market data product to Members³ and non-Members of the Exchange. The text of the proposed rule change is available on the Exchange's Web site at www.directedge.com, at the Exchange's principal office, and at the Public Reference Room of the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in

Sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, Proposed Rule Change

1. Purpose

In SR-EDGA-2012-38 (the "Filing"),⁴ the Exchange introduced a new market data product, Edge Routed Liquidity Report ("Edge Routed Liquidity Report" or the "Service") to Members and non-Members of the Exchange (collectively referred to as "Subscribers"). The Edge Routed Liquidity Report is a data feed that contains historical order information for orders routed to away destinations by the Exchange. The Filing stated that Edge Routed Liquidity Report is offered as either a standard report (the "Standard Report") or a premium report (the "Premium Report") (the Standard Report and the Premium Report shall be collectively referred to as the "Reports").

The purpose of this proposed rule change is to amend Rule 13.9 to provide additional information regarding the features of the Standard Report and the Premium Report. The Filing noted that both the Standard Report and the Premium Report provide a view of all marketable orders that are routed to away destinations by the Exchange. The Reports are available to the Subscribers on the morning of the following trading day (T + 1) and include limit price, routed quantity, symbol, side (bid/offer), time of routing, and the National Best Bid and Offer (NBBO) at the time of routing.

However, [the] Premium Report also identifies various categories of routing destinations. First, the Premium Report identifies whether the routing destination is either directed to a destination that is not an exchange ("Non-Exchange Destination") or directed to another exchange. If the order is routed to a Non-Exchange Destination, the Premium Report will then also specify one of the following Non-Exchange Destination categories: Regular, Fast, Superfast and Midpoint (collectively, the "Categories"). The Category is determined by the applicable routing strategy associated with the relevant order, based on responsiveness of the destination (i.e. latency), number of destinations, and/or type of execution (i.e. midpoint). For example, a routing strategy that leverages many dark pools for low-cost, low impact executions, which takes a

greater amount of time to fill an order may be categorized as "Regular" in the Premium Report, whereas a destination specific strategy that has fewer Non-Exchange Destinations and responds more quickly may be categorized as "Superfast" in the Premium Report. Notwithstanding the foregoing, the Premium Report will not identify the specific destination.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the objectives of Section 6 of the Act,⁵ in general, and with Section 6(b)(5) of the Act⁶ in particular, which requires, among other things, that the Exchange's rules are not designed to unfairly discriminate between customers, issuers, brokers or dealers and are designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

Specifically, the Exchange believes that this proposal is in keeping with those principles by promoting increased transparency through the dissemination of an additional market data feed, which will provide market participants with the opportunity to obtain additional data in furtherance of their investment decisions. The proposed rule change will contribute to providing such additional information and afford Subscribers transparency by categorizing routed liquidity to various Non-Exchange Destinations.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any
