1. Text of Proposed Rule Change

(a) Pursuant to the provisions of Section 19(b)(1) under the Securities Exchange Act of 1934 (“Act”)<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> The NASDAQ Stock Market LLC (“NASDAQ” or “Exchange”) is filing with the Securities and Exchange Commission (“Commission”) a proposal to delay implementation of the Opening Cross Contingency.

A notice of the proposed rule change for publication in the Federal Register is attached hereto as Exhibit 1.

(b) Not applicable.

(c) Not applicable.

2. Procedures of the Self-Regulatory Organization

The proposed rule change was approved by senior management of NASDAQ pursuant to authority delegated by the Board of Directors of NASDAQ on July 17, 2013. NASDAQ staff will advise the Board of Directors of NASDAQ of any action taken pursuant to delegated authority. No other action by NASDAQ is necessary for the filing of the rule change.

Questions regarding this rule filing may be directed to T. Sean Bennett, Associate General Counsel, The NASDAQ OMX Group, Inc., (301) 978-8499.

---

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> 17 CFR 240.19b-4.

a. Purpose

NASDAQ is proposing to delay implementation of the Opening Cross Contingency, which was adopted by the Exchange on May 13, 2014<sup>3</sup> but is not yet implemented. The Exchange had originally anticipated implementing the Opening Cross Contingency in mid-June 2014 at the conclusion of the 30 day operative delay provided by Rule 19b-4(f)(6)(iii) under the Act.<sup>4</sup> The Exchange, however, has experienced an unanticipated delay in the development of the new process, which has made the original implementation date unachievable. The Exchange will implement the Opening Cross Contingency in the third quarter of 2014 and will provide at least 30 days prior notice of the implementation date to members and investors via an Equity Trader Alert.<sup>5</sup>

b. Statutory Basis

NASDAQ believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,<sup>6</sup> in general, and with Section 6(b)(5) of the Act,<sup>7</sup> in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the

mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest; and is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers. The Exchange believes that the Opening Cross Contingency will promote transparency in the process for handling failures of the Opening Cross in calculating an opening price for System securities, and will promote consistent results in handling such Opening Cross failures. Delaying implementation of the Opening Cross Contingency for a brief period so that NASDAQ may implement the changes necessary to ensure the process operates as planned promotes fair and orderly markets, the protection of investors and the public interest.

4. Self-Regulatory Organization's Statement on Burden on Competition

NASDAQ does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.<sup>8</sup> The Exchange believes that the proposal is irrelevant to competition because it is not driven by, and will have no impact on, competition. Specifically, the proposal is representative of the Exchange's efforts in contingency planning. Such efforts are never used by exchanges for competitive purposes.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>9</sup> and Rule 19b-4(f)(6)<sup>10</sup> thereunder in that it effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest. The Exchange has provided the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule. The proposal meets the requirements of the Rule 19b-4(f)(6) because the proposal presents no new or novel issues that impact investor protection. Specifically, the Exchange does not believe that the proposed change will significantly affect the protection of investors or the public interest because it delays implementation of the new contingency process for a brief time so that the Exchange can make the necessary programming changes discussed above, which will ensure that the new process performs as originally intended. Moreover, the Exchange does not believe that the proposed change will impose a burden on competition whatsoever, as it is not driven by, and will have no impact on, competition.

The Exchange respectfully requests that the Commission waive the 30-day operative delay so that the proposed rule change may become effective and operative

upon filing with the Commission pursuant to Section 19(b)(3)(A) of the Act<sup>11</sup> and paragraph (f)(6) of Rule 19b-4<sup>12</sup> thereunder. Waiver of the 30-day operative delay will allow the Exchange to postpone implementation of the Opening Cross Contingency immediately, prior to the operative date of the change. Waiver of the operative delay is consistent with the protection of investors and the public interest for the reasons described above.

1. Purpose

NASDAQ is proposing to delay implementation of the Opening Cross Contingency, which was adopted by the Exchange on May 13, 2014<sup>3</sup> but is not yet implemented. and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest; and is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers. The Exchange believes that the Opening Cross Contingency will promote transparency in the process for handling failures of the Opening Cross in calculating an opening price for System securities, and will promote consistent results in handling such Opening Cross failures. Delaying implementation of the Opening Cross Contingency for a brief period so that NASDAQ may implement the changes necessary to ensure the process operates as planned promotes fair and orderly markets, the protection of investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

NASDAQ does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.<sup>8</sup> The Exchange believes that the proposal is irrelevant to competition because it is not driven by, and will have no impact on, competition. III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>9</sup> and subparagraph (f)(6) of Rule 19b-4 thereunder.<sup>10</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
