(Title) Executive Vice President and General Counsel

NOTE: Clicking the button at right will digitally sign and lock this form. A digital signature is as legally binding as a physical signature, and once signed, this form cannot be changed.
If the self-regulatory organization is amending only part of the text of a lengthy proposed rule change, it may, with the Commission's permission, file only those portions of the text of the proposed rule change in which changes are being made if the filing (i.e., partial amendment) is clearly understandable on its face. Such partial amendment shall be clearly identified and marked to show deletions and additions.
1. **Text of the Proposed Rule Change**

   (a) The NASDAQ Stock Market LLC (“NASDAQ” or “Exchange”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) \(^1\) and Rule 19b-4 thereunder, \(^2\) proposes to amend Rule 1013 titled “New Member Application” to include an expedited application process for firms that are already approved members of NASDAQ OMX PHLX LLC (“PHLX”).

   A notice of the proposed rule change for publication in the Federal Register is attached hereto as Exhibit 1, and the text of the amended Exchange Rule is attached hereto as Exhibit 5.

   (b) Not applicable.

   (c) Not applicable.

2. **Procedures of the Self-Regulatory Organization**

   The proposed rule change was approved by senior management of the Exchange pursuant to authority delegated by the Board of Directors of the Exchange on July 16, 2014. Exchange staff will advise the Board of Directors of any action taken pursuant to delegated authority. No other action by the Exchange is necessary for the filing of the rule change.

   Questions and comments on the proposed rule change may be directed to John C. Pickford, at (215) 496-5273.

---

3. **Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

   a. **Purpose**

   The purpose of the proposed rule change is to amend NASDAQ Rule 1013(a)(5), entitled Applicants That Are Members of an Association or Another Exchange, to permit an expedited review for new member applications seeking NASDAQ membership provided those applicants are approved members of PHLX.

   Specifically, Exchange Rule 1013(a)(5)(C) currently permits the Exchange to accept applicants that gained membership at Financial Industry Regulatory Authority (“FINRA”) or NASDAQ OMX BX, Inc. (“BX”) when considering a NASDAQ new member application. Applicants who are approved members of FINRA or BX are eligible for an abbreviated waive-in application eliminating the submission and review of duplicative supplemental material that has already been submitted and reviewed in connection with a FINRA or BX new member application.

   At this time, the Exchange proposes to extend the abbreviated application process already in place for approved FINRA and/or BX members to PHLX members. The Exchange notes that the PHLX qualifications are the same as those applicable to NASDAQ membership requirements. PHLX approved members seeking NASDAQ membership will be required to submit a fully executed Waive-In Membership Application and Membership Agreement but will not be required to submit any duplicative documentation that was previously provided as part of the PHLX application. These PHLX members would still be required to provide additional information if there has been a material change in status from its original application with PHLX. Applicants
will be required to attest that the information provided as part of previously conducted new membership review remains complete and accurate.

b. **Statutory Basis**

The Exchange believes that its proposal is consistent with Section 6(b) of the Act\(^3\) in general, and furthers the objectives of Section 6(b)(5) of the Act\(^4\) in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

Today, the NASDAQ Membership Department performs similar functions when reviewing new member applications for NASDAQ, BX and PHLX.\(^5\) The Membership Department reviews: applicant business plans, clearing arrangements, FOCUS reports, organizational charts, and written supervisory procedures for applicants desiring membership in any of the aforementioned markets. These membership requirements include, but are not limited to, review of registration as a Broker Dealer with the Commission, a net capital review, qualification of associated persons and examining

\(^5\) Today, FINRA conducts the new member application reviews for NASDAQ and BX pursuant to a 17d-2 agreement and Regulatory Services Agreement. These application reviews are administered by FINRA and subject to NASDAQ’s final review and decision.
written supervisory procedures. The same material is considered for each new member review conducted by FINRA on behalf of NASDAQ.

NASDAQ believes that this proposed amendment is consistent with its current practices today when reviewing applications for members of BX and FINRA. NASDAQ proposes this rule change to harmonize its affiliated exchanges’ rules to provide applicants similar application procedures on its markets. The PHLX new member review is consistent with the NASDAQ new member review. NASDAQ believes that applicants that are members of PHLX are eligible for the waive-in process when seeking membership on NASDAQ similar to BX and FINRA members.

NASDAQ believes that the proposed rule change would eliminate the duplicate review for prospective NASDAQ applicants that were approved for membership by PHLX. The waive-in process will promote efficiency with respect to the Exchange’s membership review process and reduce the burden on applicants that have already been approved for membership on PHLX by reducing the duplicative information and documentation required to be provided to the Exchange. As a result, Exchange staff will be able to focus its regulatory efforts on reviewing any material changes or new information that may affect the applicant’s eligibility for Exchange membership.

This proposed rule change does not affect the protection of investors as NASDAQ will maintain the vigorous membership review that is conducted today when reviewing PHLX members applications.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed waive-in process for approved PHLX members will not impose any
burden on competition, but rather it will remove unnecessary burdens that currently exist for PHLX member applicants seeking NASDAQ membership. The proposal will eliminate the redundant review process for PHLX members that currently does not exist for FINRA and BX members applying to become NASDAQ members.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

The Exchange does not consent to an extension of the time period for Commission action.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

Pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6) thereunder, the Exchange has designated this proposal as one that effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest. The proposal will provide PHLX members with the same waive-in process when applying for NASDAQ membership that currently exists today for BX and FINRA members making application to NASDAQ.

Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement. The proposal will harmonize
the waive-in process that exists today for BX and FINRA members by extending the same process to PHLX members.

8. **Proposed Rule Change Based on Rules of Another Self-Regulatory Organization or of the Commission**

   The proposed rule change is the same as rules today on PHLX.⁶

9. **Security-Based Swap Submissions Filed Pursuant to Section 3C of the Act**

   Not applicable.

10. **Advance Notices Filed Pursuant to Section 806(e) of the Payment, Clearing and Settlement Supervision Act**

   Not applicable.

11. **Exhibits**

   1. Notice of proposed rule for publication in the Federal Register.

   3. The NASDAQ Stock Market Waive-In Membership Application and Membership Agreement.⁷

   5. Text of the proposed rule change.

---

⁶ See PHLX Rule 910(f)(3). Today, PHLX provides applicants that are members of NASDAQ or BX an expedited member application process.

⁷ The NASDAQ Stock Market Waive-In Application will be amended to reflect the PHLX member expedited review process upon approval of this proposed rule filing.

The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

NASDAQ proposes to amend Rule 1013 titled “New Member Application” to include an expedited application process for firms that are already approved members of NASDAQ OMX PHLX LLC ("PHLX").

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to amend NASDAQ Rule 1013(a)(5), entitled Applicants That Are Members of an Association or Another Exchange, to permit an expedited review for new member applications seeking NASDAQ membership provided those applicants are approved members of PHLX.

Specifically, Exchange Rule 1013(a)(5)(C) currently permits the Exchange to accept applicants that gained membership at Financial Industry Regulatory Authority ("FINRA") or NASDAQ OMX BX, Inc. ("BX") when considering a NASDAQ new member application. Applicants who are approved members of FINRA or BX are eligible for an abbreviated waive-in application eliminating the submission and review of duplicative supplemental material that has already been submitted and reviewed in connection with a FINRA or BX new member application.

At this time, the Exchange proposes to extend the abbreviated application process already in place for approved FINRA and/or BX members to PHLX members. The Exchange notes that the PHLX qualifications are the same as those applicable to
NASDAQ membership requirements. PHLX approved members seeking NASDAQ membership will be required to submit a fully executed Waive-In Membership Application and Membership Agreement but will not be required to submit any duplicative documentation that was previously provided as part of the PHLX application. These PHLX members would still be required to provide additional information if there has been a material change in status from its original application with PHLX. Applicants will be required to attest that the information provided as part of previously conducted new membership review remains complete and accurate.

2. **Statutory Basis**

The Exchange believes that its proposal is consistent with Section 6(b) of the Act in general, and furthers the objectives of Section 6(b)(5) of the Act in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

Today, the NASDAQ Membership Department performs similar functions when reviewing new member applications for NASDAQ, BX and PHLX. The Membership

Department reviews: applicant business plans, clearing arrangements, FOCUS reports, organizational charts, and written supervisory procedures for applicants desiring membership in any of the aforementioned markets. These membership requirements include, but are not limited to, review of registration as a Broker Dealer with the Commission, a net capital review, qualification of associated persons and examining written supervisory procedures. The same material is considered for each new member review conducted by FINRA on behalf of NASDAQ.

NASDAQ believes that this proposed amendment is consistent with its current practices today when reviewing applications for members of BX and FINRA. NASDAQ proposes this rule change to harmonize its affiliated exchanges’ rules to provide applicants similar application procedures on its markets. The PHLX new member review is consistent with the NASDAQ new member review. NASDAQ believes that applicants that are members of PHLX are eligible for the waive-in process when seeking membership on NASDAQ similar to BX and FINRA members.

NASDAQ believes that the proposed rule change would eliminate the duplicate review for prospective NASDAQ applicants that were approved for membership by PHLX. The waive-in process will promote efficiency with respect to the Exchange’s membership review process and reduce the burden on applicants that have already been approved for membership on PHLX by reducing the duplicative information and documentation required to be provided to the Exchange. As a result, Exchange staff will be able to focus its regulatory efforts on reviewing any material changes or new information that may affect the applicant’s eligibility for Exchange membership.
This proposed rule change does not affect the protection of investors as NASDAQ will maintain the vigorous membership review that is conducted today when reviewing PHLX members applications.

B. **Self-Regulatory Organization’s Statement on Burden on Competition**

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed waive-in process for approved PHLX members will not impose any burden on competition, but rather it will remove unnecessary burdens that currently exist for PHLX member applicants seeking NASDAQ membership. The proposal will eliminate the redundant review process for PHLX members that currently does not exist for FINRA and BX members applying to become NASDAQ members.

C. **Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others**

No written comments were either solicited or received.

III. **Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
