3. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

Earlier this year, the Commission approved a Nasdaq filing (the “Prior Filing”) to amend the continued listing requirements for exchange-traded products (“ETPs”).\(^3\) The Exchange now proposes to make a minor amendment to Nasdaq Rules 5705(a) and (b), as well as Nasdaq Rule 5735, to reinsert a word inadvertently deleted by the Prior Filing and that is in the current rule language for these rules, but would otherwise be deleted once the Prior Filing goes into effect later this year.

Under the fixed income section for Portfolio Depository Receipts (Nasdaq Rule 5705(a)), Index Fund Shares (Nasdaq Rule 5705(b)), and Managed Fund Shares (Nasdaq Rule 5735(b)) the word “original” has been reinserted. Specifically, the word “original” has been reinserted, respectively, into the following sentences: “Components that in aggregate account for at least 75% of the weight of the index or portfolio must have a minimum original principal amount outstanding of $100 million or more;”, in the case of Nasdaq Rules 5705(a) and 5705(b); and “Components that in the aggregate account for at least 75% of the fixed income weight of the portfolio each shall have a minimum original principal amount outstanding of $100 million or more;”, in the case of Nasdaq Rule 5735(b).

Adding the word “original” back into the above sentences and into the designated rules properly reflects the intended meaning of the sentence and is in keeping with the language as it was initially adopted.

b. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,\(^4\) in general and with Section 6(b)(5) of the Act,\(^5\) in particular in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Exchange believes that the proposed rule change will provide clarity and accurately reflect the intent of the rules amended herein to the benefit of investors and the public interest by correcting an error caused by the inadvertent deletion of a word in the Prior Filing in Nasdaq Rules 5705(a) and (b) and 5735(b).

4. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended. The proposed rule change simply corrects an inadvertent deletion made in the Prior Filing to the rules amended herein. For this reason, Nasdaq does not believe that the proposed rule change will result in any burden on competition.

5. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

6. **Extension of Time Period for Commission Action**

   Not applicable.

7. **Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)**

   Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)\(^6\) of the Act and Rule 19b-4(f)(6) thereunder.\(^7\) The Exchange believes that this proposed rule change is properly designated as non-controversial because it simply corrects an inadvertent deletion made in the Prior Filing to the rules amended herein.

   Furthermore, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file a proposed rule change under that subsection at least five business days prior to the date of filing, or such shorter time as designated by the Commission. The Exchange has provided such notice.

   At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Amend the Continued Listing Requirements for Exchange-Traded Products

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)1, and Rule 19b-4 thereunder,2 notice is hereby given that on February 24, 2017, The NASDAQ Stock Market LLC (“Nasdaq” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Nasdaq Rules 5705 and 5735 to reinsert a word that is in the current rule language for these rules, but would otherwise be deleted once SR-NASDAQ-2016-135 goes into effect later this year.

The text of the proposed rule change is available on the Exchange’s Website at http://nasdaq.cchwallstreet.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Earlier this year, the Commission approved a Nasdaq filing (the “Prior Filing”) to amend the continued listing requirements for exchange-traded products (“ETPs”).3 The Exchange now proposes to make a minor amendment to Nasdaq Rules 5705(a) and (b), as well as Nasdaq Rule 5735, to reinsert a word inadvertently deleted by the Prior Filing and that is in the current rule language for these rules, but would otherwise be deleted once the Prior Filing goes into effect later this year.

Under the fixed income section for Portfolio Depository Receipts (Nasdaq Rule 5705(a)), Index Fund Shares (Nasdaq Rule 5705(b)), and Managed Fund Shares (Nasdaq Rule 5735(b)) the word “original” has been reinserted. Specifically, the word “original” has been reinserted, respectively, into the following sentences: “Components that in aggregate account for at least 75% of the weight of the index or portfolio must have a minimum original principal amount outstanding of $100 million or more;”3, in the case of Nasdaq Rules 5705(a) and 5705(b); and “Components that in the aggregate account for at

---
least 75% of the fixed income weight of the portfolio each shall have a minimum original principal amount outstanding of $100 million or more;”, in the case of Nasdaq Rule 5735(b).

Adding the word “original” back into the above sentences and into the designated rules properly reflects the intended meaning of the sentence and is in keeping with the language as it was initially adopted.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Act, in general and with Section 6(b)(5) of the Act, in particular in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Exchange believes that the proposed rule change will provide clarity and accurately reflect the intent of the rules amended herein to the benefit of investors and the public interest by correcting an error caused by the inadvertent deletion of a word in the Prior Filing in Nasdaq Rules 5705(a) and (b) and 5735(b).

---

B. **Self-Regulatory Organization’s Statement on Burden on Competition**

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended. The proposed rule change simply corrects an inadvertent deletion made in the Prior Filing to the rules amended herein. For this reason, Nasdaq does not believe that the proposed rule change will result in any burden on competition.

C. **Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others**

No written comments were either solicited or received.

III. **Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)\(^6\) of the Act and Rule 19b-4(f)(6) thereunder.\(^7\) The Exchange believes that this proposed rule change is properly designated as non-controversial because it simply corrects an inadvertent deletion made in the Prior Filing to the rules amended herein.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for

the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If
the Commission takes such action, the Commission shall institute proceedings to
determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

concerning the foregoing, including whether the proposed rule change is consistent with
the Act. Comments may be submitted by any of the following methods:
