3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

Earlier this year, the Commission approved a Nasdaq filing (the "Initial Filing") to amend, among other things, the continued listing requirements for exchange-traded products ("ETPs") in the Nasdaq Rule 5700 Series.⁴ Subsequently, the Exchange submitted a filing⁵ (the "Subsequent Filing") containing a number of housekeeping and conforming changes to the Initial Filing. The proposed amendment makes a correction to language added as part of the Subsequent Filing.

Specifically, the Exchange proposes to correct under the applicability section of Nasdaq Rule 5735(b)(1) (Managed Fund Shares)⁶ that any of the statements or representations regarding not just the description of the portfolio, but also of reference assets, among other things, will constitute continued listing requirements for listing of shares. This correction will result in the language mirroring that added by the Subsequent Filing in the initial and continued listing requirements section of Nasdaq Rule 5735⁷ as intended.

b. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the

Act,⁸ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁹ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest.

The Exchange believes that the proposed rule change to correct Nasdaq Rule 5735(b)(1) to require that any of the statements or representations regarding not just the description of the portfolio, but also of reference assets, will constitute continued listing requirements for listing of shares will provide clarity and accurately reflect the intent of the rule to the benefit of investors and the public interest.

For these reasons, Nasdaq believes the proposed rule change is consistent with the requirements of Section 6(b)(5) of the Act.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act, as amended. The Exchange believes that the proposed rule change may enhance competition since it corrects and makes more consistent the applicability of listing requirements for ETPs.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

⁹ 15 U.S.C. 78f(b)(5).

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(iii)¹⁰ of the Act and Rule 19b-4(f)(6) thereunder¹¹ in that it effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

The Exchange believes that this proposal does not significantly affect the protection of investors or the public interest, and does not impose any significant burden on competition, because it will lead to a more consistent initial and continued listing standard across the exchanges and thereby also enhance competition.

Furthermore, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file a proposed rule change under that subsection at least five business days prior to the date of filing, or such shorter time as designated by the Commission. The Exchange has provided such notice.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If

¹¹ 17 CFR 240.19b-4(f)(6).

the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative prior to 30 days after the date of filing. Rule 19b-4(f)(6)(iii), however, permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange requests that the Commission waive the 30-day operative delay contained in Rule 19b-4(f)(6)(iii).

As noted above, the proposal will lead to a more consistent initial and continued listing standard and thereby also enhance competition. Nasdaq requests that the Commission waive the 30-day operative delay so that this proposal will be operative immediately and its attendant benefits to investors accrue immediately as well.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Earlier this year, the Commission approved a Nasdaq filing (the "Initial Filing") to amend, among other things, the continued listing requirements for exchange-traded products ("ETPs") in the Nasdaq Rule 5700 Series.⁴ Subsequently, the Exchange submitted a filing⁵ (the "Subsequent Filing") containing a number of housekeeping and conforming changes to the Initial Filing. Subsequent Filing in the initial and continued listing requirements section of Nasdaq Rule 5735⁷ as intended.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁸ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁹ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest.

The Exchange believes that the proposed rule change to correct Nasdaq Rule 5735(b)(1) to require that any of the statements or representations regarding not just the description of the portfolio, but also of reference assets, will constitute continued listing requirements for listing of shares will provide clarity and accurately reflect the intent of the rule to the benefit of investors and the public interest.

For these reasons, Nasdaq believes the proposed rule change is consistent with the requirements of Section 6(b)(5) of the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act, as amended. The Exchange believes that the proposed rule change may enhance

competition since it corrects and makes more consistent the applicability of listing requirements for ETPs.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act¹⁰ and subparagraph (f)(6) of Rule 19b-4 thereunder.¹¹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

¹¹ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.
