1. Text of the Proposed Rule Change

(a) The NASDAQ Stock Market LLC (“Nasdaq” or “Exchange”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² is filing with the Securities and Exchange Commission (“SEC” or “Commission”) a proposal to delay the effective date of the merger of TotalView and OpenView by 31 days, until September 1, 2017.

The Exchange requests that the Commission waive the 30-day operative delay period contained in Exchange Act Rule 19b-4(f)(6)(iii).³

A notice of the proposed rule change for publication in the Federal Register is attached as Exhibit 1.

(b) Not applicable.

(c) Not applicable.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

The purpose of this filing is to delay the effective date of the merger of TotalView and OpenView by 31 days, from August 1, 2017, until September 1, 2017.

On May 26, 2017, the Exchange filed with the Commission a proposed rule change ("Proposal") to merge the OpenView depth-of-book product into TotalView, and to amend the Exchange's fees at Rules 7023 and 7026 to reflect the merger of these two products. The SEC published the Proposal in the Federal Register for notice and comment on June 8, 2017.⁴ The comment period expired on July 5, 2017, and no comments have been received.

The Exchange has recently been informed that certain Distributors will require additional time to modify systems and procedures to accommodate the merger of OpenView into TotalView, and the Exchange has agreed to modify the effective date of the Proposal from August 1, 2017, to September 1, 2017, to allow all Distributors an additional 31 days to prepare for the merger.

b. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁵ in general, and furthers the objectives of Sections 6(b)(4) and 6(b)(5) of the Act,⁶ in

⁴ Securities Exchange Act Release No. 80891 (June 8, 2017), 82 FR 27318 (June 14, 2017) (SR-NASDAQ-2017-054).

particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility, and is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers. All Distributors will be able to use their current systems and procedures to obtain the products that they now purchase during the period of delay, and such service will not be interrupted. Those Distributors that require additional time will be able to implement the merger of OpenView into TotalView, and those Distributors that do not require additional time will not be harmed because they will be able to continue using their current systems and procedures to obtain the products that they purchase.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The delay will not change the current competitive position of any Distributor because all Distributors will be able to use their current systems and procedures to obtain the products that they purchase.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The foregoing rule change has become effective pursuant to Section

19(b)(3)(A)(iii)⁷ of the Act and Rule 19b-4(f)(6) thereunder⁸ in that it effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

Furthermore, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file a proposed rule change under that subsection at least five business days prior to the date of filing, or such shorter time as designated by the Commission. The Exchange has provided such notice.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative prior to 30 days after the date of filing. Rule 19b-4(f)(6)(iii), however, permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange requests that the Commission waive the 30-day operative delay contained in Rule 19b-4(f)(6)(iii) so that certain Distributors will have the time they require to modify systems and procedures to accommodate the

merger of OpenView into TotalView. Those Distributors that do not require additional time will not be harmed because they will be able to continue using their current systems and procedures to obtain the products that they purchase.

the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing is to delay the effective date of the merger of TotalView and OpenView by 31 days, from August 1, 2017, until September 1, 2017.

On May 26, 2017, the Exchange filed with the Commission a proposed rule change ("Proposal") to merge the OpenView depth-of-book product into TotalView, and to amend the Exchange's fees at Rules 7023 and 7026 to reflect the merger of these two products. The SEC published the Proposal in the Federal Register for notice and comment on June 8, 2017.³ The comment period expired on July 5, 2017, and no comments have been received.

The Exchange has recently been informed that certain Distributors will require additional time to modify systems and procedures to accommodate the merger of OpenView into TotalView, and the Exchange has agreed to modify the effective date of the Proposal from August 1, 2017, to September 1, 2017, to allow all Distributors an additional 31 days to prepare for the merger.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁴ in general, and furthers the objectives of Sections 6(b)(4) and 6(b)(5) of the Act,⁵ in

³ Securities Exchange Act Release No. 80891 (June 8, 2017), 82 FR 27318 (June 14, 2017) (SR-NASDAQ-2017-054).

⁴ 15 U.S.C. 78f(b).

particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility, and is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers. All Distributors will be able to use their current systems and procedures to obtain the products that they now purchase during the period of delay, and such service will not be interrupted. Those Distributors that require additional time will be able to implement the merger of OpenView into TotalView, and those Distributors that do not require additional time will not be harmed because they will be able to continue using their current systems and procedures to obtain the products that they purchase.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The delay will not change the current competitive position of any Distributor because all Distributors will be able to use their current systems and procedures to obtain the products that they purchase.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed,

⁵ 15 U.S.C. 78f(b)(4) and (5).

or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁶ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁷

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

⁷ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.
