3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

Nasdaq proposes that the Shares of the Fund will no longer be listed and traded as an actively-managed ETF in accordance with the Order, but will instead operate under the generics for passively-managed ETFs set forth under Nasdaq Rule 5705(b). Nasdaq represents and confirms that the Fund meets such generics

The impetus for the change is that the Fund will begin tracking an index and thus no longer be actively-managed. There are no other changes being proposed to be made to the Fund.

b. Statutory Basis

Nasdaq believes that the proposed rule change is consistent with Section 6(b) of the Act,<sup>5</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>6</sup> in particular, in that it is designed to promote just and equitable principles of trade, to

<sup>6</sup> 15 U.S.C. 78f(b)(5).

remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest.

Nasdaq believes that this proposed rule change will help to inform and to protect investors and the public interest through disclosing that the Fund will no longer be actively managed, but instead passively-managed through the tracking of an index.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. As noted above, the Fund will no longer be listed and traded in accordance with the Order,<sup>7</sup> but will instead operate under the generics for passively-managed ETFs set forth under Nasdaq Rule 5705(b). The Exchange does not intend for or expect that such change will have any impact on competition.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(iii)<sup>8</sup> of the Act and Rule 19b-4(f)(6) thereunder<sup>9</sup> in that it effects a change

---

<sup>7</sup> Supra, note 3.

<sup>8</sup> 15 U.S.C. 78s(b)(3)(A)(iii).

that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

Furthermore, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file a proposed rule change under that subsection at least five business days prior to the date of filing, or such shorter time as designated by the Commission. The Exchange is requesting a waiver of the five day pre-filing period, in order that investors may immediately benefit from the clarity provided by the proposed rule change by making it known that the Fund will no longer be listed and traded in accordance with the Order,<sup>10</sup> but will instead operate under the generics for passively-managed ETFs set forth under Nasdaq Rule 5705(b).

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative prior to 30 days after the date of filing. Rule 19b-4(f)(6)(iii), however, permits the Commission to designate a shorter time if such action is consistent with the protection

<sup>10</sup> Supra, note 3.

of investors and the public interest. The Exchange requests that the Commission waive the 30-day operative delay period for “non-controversial” proposals contained in Rule 19b-4(f)(6)(iii) and make the proposed rule change effective and operative upon filing. Such a waiver will permit the Exchange to immediately begin to operate under the generics for passively-managed ETFs set forth under Nasdaq Rule 5705(b).

8. Proposed Rule Change Based on Rules of Another Self-Regulatory Organization or of the Commission

Not applicable.

9. Security-Based Swap Submissions Filed Pursuant to Section 3C of the Act

The text of these statements may be examined at the places specified in Item IV below. A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest.

Nasdaq believes that this proposed rule change will help to inform and to protect investors and the public interest through disclosing that the Fund will no longer be actively managed, but instead passively-managed through the tracking of an index.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. As noted above, the Fund will no longer be listed and traded in accordance with the Order,<sup>6</sup> but will instead operate under the generics for passively-managed ETFs set forth under Nasdaq Rule 5705(b). The Exchange does not intend for or expect that such change will have any impact on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>7</sup> and subparagraph (f)(6) of Rule 19b-4 thereunder.<sup>8</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
