Section 19(b)(2) of the Act⁴ provides that within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to adopt Rule 6.49C to add a new exception to the Exchange’s general requirement that transfers of options contracts listed on the Exchange be effected on an exchange, as set forth in Rule 6.49.³ Rule 6.49A specifies the circumstances under which Trading Permit Holders may currently effect transfers of positions off the trading floor, notwithstanding the prohibition in Rule 6.49.

Background

As discussed further below, the ability to effect “in kind” transfers is a key component of the operational structure of an exchange-traded fund

³ Rule 6.49(a) (Transactions Off the Exchange) generally requires transactions of option contracts listed on the Exchange for a premium in excess of \$1.00 to be effected on the floor of the Exchange or on another exchange.
