after publication of the notice for this proposed rule change is March 8, 2020.

The Commission is extending the 45-day time period for Commission action on the proposed rule change. The Commission finds that it is appropriate to designate a longer period within which to take action on the proposed rule change so that it has sufficient time to consider the proposed rule change, including whether the proposed rule change should be approved in the event the other national securities exchanges and FINRA do not intend to harmonize their market-wide circuit breaker rules to facilitate appropriately a cross-market resumption of trading following a Level 3 halt that is no different from a normal trading day. Accordingly, pursuant to Section 19(b)(2) of the Act,4 the Commission designates April 22, 2020 as the date by which the Commission shall either approve, disapprove, or institute proceedings to determine whether to disapprove, the proposed rule change (File No. SR–NASDAQ–2020–003).

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.6

J. Matthew DeLesDernier,
Assistant Secretary.
