

proposed rule change will also alleviate some of the operational challenges dealers may be experiencing, which will allow them to more effectively allocate resources to the operations that facilitate transactions in municipal securities and municipal financial products, to remove impediments to and perfect the mechanism of a free and open market in municipal securities and municipal financial products.

B. Self-Regulatory Organization's Statement on Burden on Competition

Section 15B(b)(2)(C) of the Act requires that MSRB rules be designed not to impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.¹¹ In fact, the MSRB does not believe the proposed rule change will have any burden on competition because the proposed rule change treats all dealers equally in that all dealers have the option to elect to conduct remote inspections remotely through June 30, 2022. The goal of the proposed rule change is to grant additional time for dealers to meet their office inspection obligations, under Supplementary Material .01 of Rule G-27, while also determining how to best implement their return to office plans in a safe and effective manner during the exigent circumstances of the COVID-19 pandemic. The temporary relief afforded does not alter dealers underlying obligations under the rule.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹² and Rule 19b-4(f)(6)¹³ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such

action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments
