

is not necessary or appropriate in furtherance of the purposes of the Act because it will amend this risk control in the same manner for all Users on the Exchange. In addition to this, and as stated above, the use of the duplicative order protection risk control is voluntary, and the Exchange will continue to offer various other price protections and risk controls that sufficiently mitigate risks associated with market participants entering and/or trading orders and quotes at unintended or extreme prices. The Exchange does not believe the proposed rule change will impose any burden on intermarket competition that is not necessary or appropriate in furtherance of the purposes of the Act, as the proposed rule change only updates an existing risk control applicable to ordered submitted to the Exchange. The Exchange also notes that market participants on other exchanges are welcome to become participants on the Exchange if they determine that this proposed rule change has made C2 Options a more attractive or favorable venue.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(6)¹⁰ thereunder.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of

the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

Self-Regulatory Organizations; The Nasdaq Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend FINRA Fees

November 17, 2021.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 8, 2021, The Nasdaq Stock Market LLC ("Nasdaq" or "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Nasdaq's Pricing Schedule at Equity 7, Section 30, Registration and Processing Fees, to reflect adjustments to FINRA Registration Fees, Fingerprinting Fees and Continuing Education Fees.

While the changes proposed herein are effective upon filing, the Exchange has designated the amendments become operative on January 2, 2022.³

The text of the proposed rule change is available on the Exchange's website at <https://listingcenter.nasdaq.com/rulebook/nasdaq/rules>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements

In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

This proposal amends Nasdaq's Pricing Schedule at Equity 7, Section 30, Registration and Processing Fees, to reflect adjustments to FINRA Registration Fees, Fingerprinting Fees, and Continuing Education Fees.⁴ The FINRA fees are collected and retained by FINRA via Web CRD for the registration of employees of Nasdaq members that are not FINRA members ("Non-FINRA members"). The Exchange is merely listing these fees on its Pricing Schedule. The Exchange does not collect or retain these fees.

The Exchange proposes to amend the title of Equity 7, Section 30 from "Registration and Processing Fees" to "Regulatory, Registration and Processing Fees" to reflect the pricing within the section.

Today, Nasdaq Equity 7, Section 30, provides a list of FINRA Fees. The Exchange proposes to amend the introductory paragraph to: (1) Indicate "CRD" is the "Central Registration Depository" or "CRD"; (2) add a sentence to make clear that FINRA collects the fees listed within Equity 7, Section 30 on behalf of the Exchange; (3) add the title "General Registration Fees:"; and (4) remove the numbering from (1) to (3).

With respect to the General Registration Fees, the Exchange proposes to increase the \$100 fee to \$125 for each initial Form U4 filed for the registration of a representative or principal. This amendment is made in accordance with a recent FINRA rule change to adjust to its fees.⁵ The Exchange also proposes to amend the description of the \$45 registration fee from "annually for each of the member's registered representatives and principals

for system processing" to "FINRA Annual System Processing Fee Assessed only during Renewals." The proposed new title is more precise.

With respect to the fingerprint processing fees, the Exchange notes that the current fees do not reflect the fees assessed by FINRA today. The Exchange proposes to amend the current fees to reflect the current fees that are assessed by FINRA. The proposed new rule text, with the title, "Fingerprint Processing Fees:" added, would provide, Fingerprint Processing Fees:

- \$29.50—Initial Submission (Electronic)
- \$44.50—Initial Submission (Paper)
- \$15.00—Second Submission (Electronic)
- \$30.00—Second Submission (Paper)
- \$29.50—Third Submission (Electronic)
- \$44.50—Third Submission (Paper)
- \$30.00—FINRA Processing Fee for Fingerprint Results Submitted by Self-Regulatory Organizations other than FINRA.

In 2012, FINRA only offered one set of fees (\$27.50 for the initial submission, \$13.00 for the second submission, and \$27.50 for the third submission). In 2013, FINRA amended its fingerprint fees and offered two sets of fees. For fingerprints submitted on paper card, the fees are \$44.50 per initial submission, \$30.00 per second submission, and \$44.50 per third submission. For fingerprints submitted electronically, the fees are \$29.50 per initial submission, \$15.00 per second submission, and \$29.50 per third submission.⁶ By updating the fingerprinting fees, the Exchange would properly reflect the fees assessed today by FINRA.⁷

⁶ See Securities Exchange Act Release No. 67247 (June 25, 2012) 77 FR 38866 (June 29, 2012) (SR-FINRA-2012-030) (Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Sections 4 and 6 of Schedule A to the FINRA By-Laws Regarding Fees Relating to the Central Registration Depository). FINRA notes in this rule change that it is proposing a two-tiered fingerprint processing fee structure in part to reflect that the costs associated with processing fingerprints submitted via a hard copy fingerprint card are much higher than those that are submitted electronically. Specifically, fingerprints submitted by a hard copy card require additional processing by FINRA, including adding a barcode, if necessary, to the card for tracking purposes; scanning the fingerprints and converting them to a digital image for submission to the FBI; and, for first-time registrants, entering the individual's personal and demographic information into the CRD system. FINRA noted that members will be able to choose how they submit their associated persons' fingerprints and therefore will have some control over the fees they incur for fingerprint processing. FINRA also noted an FBI Fee of \$11.25 is assessed as well.

⁷ See <https://www.finra.org/registration-exams-ce/classic-crd/fingerprints/fingerprint-fees>.

The Exchange is deleting the fees noted within current Equity 7, Section 9C [sic] at (4)–(6) and (8).⁸ These fingerprint fees, which are proposed to be deleted, were superseded by the FINRA fingerprinting fees which were adopted in 2013.

The Exchange proposes to add a new title, "Continuing Education Fee:" and proposes to provide an introductory paragraph to those fees that states, "The Continuing Education Fee will be assessed as to each individual who is required to complete the Regulatory Element of the Continuing Education Requirements pursuant to Exchange General 4, Section 1240. This fee is paid directly to FINRA." The incorrect citation to Nasdaq Rule 1240 is being removed from the current rule text. Also, the Exchange proposes to cite the appropriate registrations, namely S101 and S201.

The FINRA Web CRD Fees are user-based and there is no distinction in the cost incurred by FINRA if the user is a FINRA member or a Non-FINRA member. Accordingly, the proposed fees mirror those currently assessed by FINRA.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁹ in general, and furthers the objectives of Sections 6(b)(4) and 6(b)(5) of the Act,¹⁰ in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility, and is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Exchange believes it is reasonable to increase the \$100 fee for each initial Form U4 filed for the registration of a

⁸ The Exchange proposes to delete the following rule text:

(4) \$15 for processing and posting to the CRD system each set of fingerprints submitted electronically by the member, plus a pass-through of any other charge imposed by the United States Department of Justice for processing each set of fingerprints;

(5) \$30.00 for processing and posting to the CRD system each set of fingerprint cards submitted in non-electronic format by the member to FINRA, plus any other charge that may be imposed by the United States Department of Justice for processing each set of fingerprints;

(6) \$30 for processing and posting to the CRD system each set of fingerprint results and identifying information that has been processed through a self-regulatory organization other than NASD; and

(8) \$110 for the additional processing of each initial or amended Form BD that includes the initial reporting, amendment, or certification of one or more disclosure events or proceedings.

⁵ *Id.* FINRA noted in its rule change that it was adjusting its fees to provide sustainable funding for FINRA's regulatory mission.

representative or principal to \$125 in accordance with an adjustment to FINRA's fees.¹¹ The Exchange's rule text will reflect the current registration rate that will be assessed by FINRA as of January 2, 2022. Additionally, making clear that FINRA, on behalf of the Exchange, will bill and collect these fees will bring greater transparency to its fees. Amending the title of the \$45 fee to be more precise will provide greater transparency to this fee. Updating FINRA's fingerprint processing fees to reflect the current charges will bring greater transparency to these charges that are currently assessed and collected by FINRA. Also, referencing the rule which governs the Regulatory Element of the Continuing Education Requirements and, noting that the fee is paid directly to FINRA, will provide more information to members regarding the fees for Continuing Education. The proposed fees are identical to those adopted by FINRA for use of Web CRD for disclosure and the registration of FINRA members and their associated persons. These costs are borne by FINRA when a Non-FINRA member uses Web CRD.

The Exchange believes that its proposal to increase the \$100 fee for each initial Form U4 filed for the registration of a representative or principal to \$125 is equitable and not unfairly discriminatory as the amendment will reflect the current fee that will be assessed by FINRA to all members who require Form U4 filings as of January 2, 2022. Amending the title of the \$45 fee to be more precise will provide greater transparency to this fee. Updating the fingerprint processing fees to reflect the current fees is equitable and not unfairly discriminatory as FINRA currently assesses these rates to all members. Finally, making clear that FINRA, on behalf of the Exchange, will bill and collect these fees and referencing the rule which governs the Continuing Education Requirements will bring greater transparency to FINRA's fees. Further, the proposal is also equitable and not unfairly discriminatory because the Exchange will not be collecting or retaining these fees, therefore, the Exchange will not be in a position to apply them in an inequitable or unfairly discriminatory manner.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance

of the purposes of the Act. The Exchange believes that its proposal to increase the \$100 fee for each initial Form U4 filed for the registration of a representative or principal to \$125 does not impose an undue burden on competition as the amendment will reflect the current fee that will be assessed by FINRA to all members who require Form U4 filings as of January 2, 2022. Amending the title of the \$45 fee to be more precise will provide greater transparency to this fee. Updating the fingerprint processing fees to reflect the current fees does not impose an undue burden on competition as FINRA currently assesses these rates to all members. Finally, making clear that FINRA, on behalf of the Exchange, will bill and collect these fees and referencing the rule which governs the Continuing Education Requirements will bring greater transparency to FINRA's fees. Further, the proposal does not impose an undue burden on competition because the Exchange will not be collecting or retaining these fees, therefore, the Exchange will not be in a position to apply them in an inequitable or unfairly discriminatory manner.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act.¹²

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) Necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
