1. **Text of the Proposed Rule Change**

(a) The Nasdaq Stock Market LLC (“Nasdaq” or “Exchange”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)1 and Rule 19b-4 thereunder,2 is filing with the Securities and Exchange Commission (“SEC” or “Commission”) a proposal to extend the expiration date of the temporary amendments in SR-NASDAQ-2020-076 from December 31, 2021, to March 31, 2022.3 The proposed rule change would not make any changes to the text of the Exchange rules.

A notice of the proposed rule change for publication in the Federal Register is attached as Exhibit 1.

(b) Not applicable.

(c) Not applicable.

2. **Procedures of the Self-Regulatory Organization**

The proposed rule change was approved by senior management of the Exchange pursuant to authority delegated by the Board of Directors (the “Board”) on November 5, 2020. Exchange staff will advise the Board of any action taken pursuant to delegated authority. No other action is necessary for the filing of the rule change.

The Exchange has filed the proposed rule change for immediate effectiveness and has requested that the SEC waive the requirement that the proposed rule change not

3. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

The Exchange proposes to continue to harmonize Exchange Rules 1015, 9261, 9524 and 9830 with recent changes by the Financial Industry Regulatory Authority, Inc. (“FINRA”) to its Rules 1015, 9261, 9524 and 9830 in response to the COVID-19 global health crisis and the corresponding need to restrict in-person activities. The Exchange originally filed proposed rule change SR-NASDAQ-2020-076, which allows the Exchange’s Office of Hearing Officers (“OHO”) and the Exchange Review Council (“ERC”) to conduct hearings, on a temporary basis, by video conference, if warranted by the current COVID-19-related public health risks posed by an in-person hearing. In August 2021, the Exchange filed a proposed rule change, SR-NASDAQ-2021-067, to extend the expiration date of the temporary amendments in SR- NASDAQ-2020-076 from August 31, 2021, to December 31, 2021. While there are signs of improvement, much uncertainty remains for the coming months. The presence of the Delta variant, dissimilar vaccination rates throughout the United States, and the uptick in transmissions

---

in many locations indicate that COVID-19 remains an active and real public health concern.\(^5\) Due to the uncertainty and the lack of a clear timeframe for a sustained and widespread abatement of COVID-19-related health concerns and corresponding restrictions,\(^6\) the Exchange believes that there is a continued need for temporary relief beyond December 31, 2021. Accordingly, the Exchange proposes to extend the expiration

---

\(^6\) For instance, the Centers for Disease Control ("CDC") recently announced that the first confirmed case of COVID-19 caused by the Omicron variant was detected in the United States. See [https://www.cdc.gov/media/releases/2021/s1201-omicron-variant.html](https://www.cdc.gov/media/releases/2021/s1201-omicron-variant.html). The CDC also recommends that fully vaccinated people wear a mask in public indoor settings in areas of substantial or high transmission and noted that fully vaccinated people might choose to wear a mask regardless of the level of transmission, particularly if they are immunocompromised or at increased risk for severe disease from COVID-19. See [https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated-guidance.html](https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated-guidance.html). Furthermore, numerous states currently have COVID-19 restrictions in place. Six states (Hawaii, Illinois, Nevada, New Mexico, Oregon, and Washington) require most people to wear masks in indoor public places regardless of vaccination status, and three states (California, Connecticut, and New York) have mask mandates in indoor public places for those individuals who are unvaccinated. Several other states have mask mandates in certain settings, such as healthcare facilities, schools, and correctional facilities.

On November 5, 2020, the Exchange filed, and subsequently extended to December 31, 2021, SR-NASDAQ-2020-076, to temporarily amend Exchange Rules 1015, 9261, 9524 and 9830 to grant OHO and the ERC authority to conduct hearings in connection with appeals of Membership Application Program decisions, disciplinary actions, eligibility proceedings and temporary and permanent cease and desist orders by video conference, if warranted by the COVID-19-related public health risks posed by an in-person hearing.8

As set forth in the previous filings, the Exchange also relies on COVID-19 data and the guidance issued by public health authorities to determine whether the current public health risks presented by an in-person hearing may warrant a hearing by video conference.9 Based on that data and guidance, the Exchange does not believe the COVID-19-related health concerns necessitating this relief will meaningfully subside by December 31, 2021, and believes that there will be a continued need for this temporary

7 For OHO hearings under Exchange Rules 9261 and 9830, the proposed rule change temporarily grants authority to the Chief or Deputy Chief Hearing Officer to order that a hearing be conducted by video conference. For ERC hearings under Exchange Rules 1015 and 9524, this temporary authority is granted to the ERC or relevant Subcommittee.

9 As noted in SR-NASDAQ-2020-076, the temporary proposed rule change grants discretion to OHO and the ERC to order a video conference hearing. In deciding whether to schedule a hearing by video conference, OHO and the ERC may consider a variety of other factors in addition to COVID-19 trends.
relief beyond that date. Accordingly, the Exchange proposes to extend the expiration date of the temporary rule amendments originally set forth in SR-NASDAQ-2020-076 from December 31, 2021, to March 31, 2022. The extension of these temporary amendments allowing for specified OHO and ERC hearings to proceed by video conference will allow the Exchange’s critical adjudicatory functions to continue to operate effectively in these extraordinary circumstances – enabling the Exchange to fulfill its statutory obligations to protect investors and maintain fair and orderly markets – while also protecting the health and safety of hearing participants.

The Exchange has filed the proposed rule change for immediate effectiveness and has requested that the SEC waive the requirement that the proposed rule change not become operative for 30 days after the date of the filing, so the Exchange can implement the proposed rule change immediately.

b. **Statutory Basis**

The Exchange believes that its proposal is consistent with Section 6(b) of the Act, 10 in general, and furthers the objectives of Section 6(b)(5) of the Act, 11 in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest, by continuing to provide greater harmonization between the Exchange rules and FINRA rules of similar purpose, 12 resulting in less burdensome and more efficient regulatory compliance.

---

The proposed rule change, which extends the expiration date of the temporary amendments to the Exchange rules set forth in SR-NASDAQ-2020-076, will continue to aid the Exchange’s efforts to timely conduct hearings in connection with its core adjudicatory functions. Given the current and frequently changing COVID-19 conditions and the uncertainty around when those conditions will see meaningful, widespread, and sustained improvement, without this relief allowing OHO and ERC hearings to proceed by video conference, the Exchange might be required to postpone some or almost all hearings indefinitely. The Exchange must be able to perform its critical adjudicatory functions to fulfill its statutory obligations to protect investors and maintain fair and orderly markets. As such, this relief is essential to the Exchange’s ability to fulfill its statutory obligations and allows hearing participants to avoid the serious COVID-19-related health and safety risks associated with in-person hearings.

Among other things, this relief will allow OHO to conduct temporary cease and desist proceedings by video conference so that the Exchange can take immediate action to stop ongoing customer harm and will allow the ERC to timely provide members, disqualified individuals and other applicants an approval or denial of their applications. As set forth in detail in SR-NASDAQ-2020-076, this temporary relief allowing OHO and ERC hearings to proceed by video conference accounts for fair process considerations and will continue to provide fair process while avoiding the COVID-19-related public health risks for hearing participants. Accordingly, the proposed rule change extending this temporary relief is in the public interest and consistent with the Act’s purpose.

4. **Self-Regulatory Organization’s Statement on Burden on Competition**

The Exchange does not believe that the temporary proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the
purposes of the Act. As set forth in SR-NASDAQ-2020-076, the proposed rule change is intended solely to extend temporary relief necessitated by the continued impacts of the COVID-19 outbreak and the related health and safety risks of conducting in-person activities. The Exchange believes that the proposed rule change will prevent unnecessary impediments to its operations, including its critical adjudicatory processes, and its ability to fulfill its statutory obligations to protect investors and maintain fair and orderly markets that would otherwise result if the temporary amendments were to expire on December 31, 2021.

5. **Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others**

   No written comments were either solicited or received.

6. **Extension of Time Period for Commission Action**

   Not applicable.

7. **Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)**

   The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(iii)\(^{13}\) of the Act and Rule 19b-4(f)(6) thereunder\(^{14}\) in that it effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

---

The Exchange requests that the Commission waive the requirement that the proposed rule change, by its terms, not become operative for 30 days after the date of the filing as set forth in Rule 19b-4(f)(6)(iii),\textsuperscript{15} so that the proposed rule change may become operative immediately. Waiver of the operative delay would allow the proposed changes, which are designed to minimize disruptions to the Exchange’s operations in order to maintain fair processes and fulfill its obligations to protect investors and maintain fair and orderly markets, to be operative on the date of filing. Given that the need for the temporary relief originally by the Exchange persists, waiving the 30-day operative delay would provide continuation and an uninterrupted extension of this necessary relief.\textsuperscript{16}

Furthermore, Rule 19b-4(f)(6)(iii)\textsuperscript{17} requires a self-regulatory organization to give the Commission written notice of its intent to file a proposed rule change under that subsection at least five business days prior to the date of filing, or such shorter time as designated by the Commission. The Exchange has provided such notice.

8. **Proposed Rule Change Based on Rules of Another Self-Regulatory Organization or of the Commission**

The proposed rule changes are based on similar FINRA rule changes.\textsuperscript{18}

9. **Security-Based Swap Submissions Filed Pursuant to Section 3C of the Act**

Not applicable.

\textsuperscript{16} The Exchange notes that waiver of the 30-day operative period here is consistent with previous extensions of this temporary relief. See, e.g., SR-NASDAQ-2021-067, supra note 4.

\textsuperscript{17} Supra note 15.

\textsuperscript{18} Supra note 12.

Self-Regulatory Organizations; The Nasdaq Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Extend the Expiration Date of the Temporary Amendments Concerning Video Conference Hearings

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),1 and Rule 19b-4 thereunder,2 notice is hereby given that on December 17, 2021, The Nasdaq Stock Market LLC ("Nasdaq" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Exchange has designated the proposed rule change as constituting a "non-controversial" rule change under paragraph (f)(6) of Rule 19b-4 under the Act,3 which renders the proposal effective upon receipt of this filing by the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to extend the expiration date of the temporary amendments in SR-NASDAQ-2020-076 from December 31, 2021, to March 31, 2022.4 The proposed rule change would not make any changes to the text of the Exchange rules.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis 
for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning 
the purpose of and basis for the proposed rule change and discussed any comments it 
received on the proposed rule change. The text of these statements may be examined at 
the places specified in Item IV below. The Exchange has prepared summaries, set forth 
in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory 
Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to continue to harmonize Exchange Rules 1015, 9261, 
9524 and 9830 with recent changes by the Financial Industry Regulatory Authority, Inc. 
(“FINRA”) to its Rules 1015, 9261, 9524 and 9830 in response to the COVID-19 global 
health crisis and the corresponding need to restrict in-person activities. The Exchange 
originally filed proposed rule change SR-NASDAQ-2020-076, which allows the 
Exchange’s Office of Hearing Officers (“OHO”) and the Exchange Review Council 
(“ERC”) to conduct hearings, on a temporary basis, by video conference, if warranted by 
the current COVID-19-related public health risks posed by an in-person hearing. In 
August 2021, the Exchange filed a proposed rule change, SR-NASDAQ-2021-067, to

extend the expiration date of the temporary amendments in SR-NASDAQ-2020-076 from August 31, 2021, to December 31, 2021.\(^5\) While there are signs of improvement, much uncertainty remains for the coming months. The presence of the Delta variant, dissimilar vaccination rates throughout the United States, and the uptick in transmissions in many locations indicate that COVID-19 remains an active and real public health concern.\(^6\) Due to the uncertainty and the lack of a clear timeframe for a sustained and widespread abatement of COVID-19-related health concerns and corresponding restrictions,\(^7\) the Exchange believes that there is a continued need for temporary relief

\(^7\) For instance, the Centers for Disease Control and Prevention (“CDC”) recently announced that the first confirmed case of COVID-19 caused by the Omicron variant was detected in the United States. See https://www.cdc.gov/media/releases/2021/s1201-omicron-variant.html. The CDC also recommends that fully vaccinated people wear a mask in public indoor settings in areas of substantial or high transmission and noted that fully vaccinated people might choose to wear a mask regardless of the level of transmission, particularly if they are immunocompromised or at increased risk for severe disease from COVID-19. beyond December 31, 2021. Accordingly, the Exchange proposes to extend the expiration
date of the temporary rule amendments in SR-NASDAQ-2020-076 from December 31,
2021, to March 31, 2022

On November 5, 2020, the Exchange filed, and subsequently extended to
December 31, 2021, SR-NASDAQ-2020-076, to temporarily amend Exchange Rules

and the guidance issued by public health authorities to determine whether the current

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,\(^\text{11}\) in general, and furthers the objectives of Section 6(b)(5) of the Act,\(^\text{12}\) in particular, in that it is designed to promote just and equitable principles of trade, to remove

impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest, by continuing to provide greater harmonization between the Exchange rules and FINRA rules of similar purpose, resulting in less burdensome and more efficient regulatory compliance.

The proposed rule change, which extends the expiration date of the temporary amendments to the Exchange rules set forth in SR-NASDAQ-2020-076, will continue to aid the Exchange’s efforts to timely conduct hearings in connection with its core adjudicatory functions. Given the current and frequently changing COVID-19 conditions and the uncertainty around when those conditions will see meaningful, widespread, and sustained improvement, without this relief allowing OHO and ERC hearings to proceed by video conference, the Exchange might be required to postpone some or almost all hearings indefinitely. and will continue to provide fair process while avoiding the COVID-19-related public health risks for hearing participants. Accordingly, the proposed rule change extending this temporary relief is in the public interest and consistent with the Act’s purpose.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the temporary proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. As set forth in SR-NASDAQ-2020-076, the proposed rule change is intended solely to extend temporary relief necessitated by the continued impacts of the COVID-19 outbreak and the related health and safety risks of conducting in-person activities. The Exchange believes that the proposed rule change will prevent unnecessary impediments to its operations, including its critical adjudicatory processes, and its ability to fulfill its statutory obligations to protect investors and maintain fair and orderly markets that would otherwise result if the temporary amendments were to expire on December 31, 2021.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant
to Section 19(b)(3)(A)(iii) of the Act\(^{14}\) and subparagraph (f)(6) of Rule 19b-4 thereunder.\(^{15}\)

A proposed rule change filed under Rule 19b-4(f)(6)\(^{16}\) normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),\(^{17}\) the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

\(^{15}\) 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

   Electronic comments:
   • Use the Commission’s Internet comment form (http://www.sec.gov/rules/sro.shtml); or
