C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to section 19(b)(3)(A)(iii) of the Act and subparagraph (f)(6) of Rule 19b–4 thereunder.11

A proposed rule change filed under Rule 19b–4(f)(6)12 of the Act normally does not become operative prior to 30 days after the date of filing. However, Rule 19b–4(f)(6)(iii)13 permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay contained in Rule 19b–4(f)(6)(iii).14 The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest as the proposal raises no new or novel issues. Accordingly, the Commission hereby waives the 30-day operative delay and designates the proposal operative upon filing.15

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings

to determine whether the proposed rule should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION

Self-Regulatory Organizations; The Nasdaq Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to a Stockholders’ Agreement by and Among Nasdaq, Inc., Adenza Parent, LP, and the Other Parties thereto

August 8, 2023.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),1 and Rule 19b–4 thereunder,2 notice is hereby given that on July 28, 2023, The Nasdaq Stock Market LLC (the “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I and II, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing a proposed rule change regarding a stockholders’ agreement by and among the Exchange’s parent corporation, Nasdaq, Inc. (“Nasdaq”), Adenza Parent, LP, a Delaware limited partnership (“Seller”), and the other parties thereto (“Stockholders’ Agreement”). The Stockholders’ Agreement will be implemented upon closing under the Merger Agreement (as defined below).

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements

concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On June 10, 2023, Nasdaq entered into an Agreement and Plan of Merger (the “Merger Agreement”) by and among Nasdaq, Argus Merger Sub 1, Inc., a Delaware corporation and a direct wholly owned subsidiary of Nasdaq, Argus Merger Sub 2, LLC, a Delaware limited liability company and a direct wholly owned subsidiary of Nasdaq, Adenza Holdings, Inc., a Delaware corporation (“Adenza”), and Seller. Pursuant to the Merger Agreement, and upon the terms and subject to the conditions therein, Nasdaq will acquire 100% of the stock of Adenza (the “Transaction”). As a result of the Transaction, it is expected to hold, at closing, approximately 15% of the outstanding Nasdaq common stock based upon the outstanding shares of Nasdaq common stock as of June 9, 2023.4 The shares to be held by Seller will be subject to Article Fourth of Nasdaq’s Amended and Restated Certificate of Incorporation, which provides that no person who beneficially owns shares of common stock or preferred stock of Nasdaq in excess of 5% of the then-outstanding securities entitled to vote may vote the shares in excess of 5%. This limitation mitigates the potential for any Nasdaq shareholder to exercise undue control over the operations of Nasdaq’s self-regulatory subsidiaries (including the Exchange), and facilitates the self-regulatory subsidiaries’ and the Commission’s ability to carry out their regulatory obligations under the Act. Adenza and Seller are affiliates of Thoma Bravo, Like the other directors of the Nasdaq Board, would be nominated by the Nominating & Governance Committee, whose members are subject to the independence requirements of Nasdaq’s Amended and Restated Certificate of Incorporation, and so the proposed changes would not enable a person to exercise undue control over the operations of Nasdaq’s self-regulatory subsidiaries or to restrict the ability of the Commission or the Exchange to effectively carry out their regulatory oversight responsibilities under the Act. Further, as discussed above, it is expected that the Board Designee, like the other directors of the Nasdaq Board, would be nominated by the Nominating & Governance Committee, whose members are subject to the independence requirements of Nasdaq’s By-Laws and Exchange Rule 5605. Further, the Board Designee must then be elected by the stockholders of Nasdaq, like the other directors of the Nasdaq Board. The Board Designee is currently composed of 11 directors and is expected to increase to 12 directors upon the closing of the Transaction. Thus, the Board Designee would represent a small percentage (approximately 8.3%) of the Nasdaq Board.

2. Statutory Basis

The Exchange believes that its proposal is consistent with section 6(b) of the Act,7 in general, and furthers the objectives of section 6(b)(1) of the Act,8 in that it enables the Exchange to be so organized as to have the capacity to be able to carry out the purposes of the Act and to comply, and to enforce compliance by its participants, with the provisions of the Act, the rules and regulations thereunder, and the rules of the Exchange.

The proposal related to the Stockholders’ Agreement would not impact the Exchange’s ability to be so organized as to have the capacity to be able to carry out the purposes of the Act. In particular, the proposed changes would not alter the limitations on voting and ownership set forth in Article Fourth of Nasdaq’s Amended and Restated Certificate of Incorporation, and so the proposed changes would not enable a person to exercise undue control over the operations of Nasdaq’s self-regulatory subsidiaries or to restrict the ability of the Commission or the Exchange to effectively carry out their regulatory oversight responsibilities under the Act. Further, as discussed above, it is expected that the Board Designee, like the other directors of the Nasdaq Board, would be nominated by the Nominating & Governance Committee, whose members are subject to the independence requirements of Nasdaq’s By-Laws and Exchange Rule 5605. Further, the Board Designee must then be elected by the stockholders of Nasdaq, like the other directors of the Nasdaq Board. The Board Designee is currently composed of 11 directors and is expected to increase to 12 directors upon the closing of the Transaction. Thus, the Board Designee would exceed the number of Industry Directors and at least two members of the committee shall be Public Directors (i.e., directors who have no material business relationship with a broker or dealer, Nasdaq or its affiliates, or FINRA). Exchange Rule 5605, which governs Nasdaq as a company whose securities are listed on the Exchange, requires Nominating & Governance Committee members to satisfy the definition of “independence” in Exchange Rule 5605 and IM–5605 and to otherwise be deemed independent by the Nasdaq Board.9

3. A copy of the Merger Agreement and a description of its terms were filed by Nasdaq on Form 8-K on June 12, 2023 and are available at: https://www.sec.gov/Archives/edgar/data/0001120193/000119325123164839/d476077d0k.htm.

4. Seller owns all of the issued and outstanding capital stock of Adenza. Both Seller and Adenza are owned by Thoma Bravo.

6. Section 4.13 of the Nasdaq By-Laws provide that the Nominating & Governance Committee shall be appointed annually by the Nasdaq Board and shall consist of two or more directors, each of whom shall be an independent director within the meaning of the rules of the Exchange. The number of Non-Industry Directors (i.e., directors without material ties to the securities industry) on the Nominating & Governance Committee shall equal or

A proposed rule change filed under Rule 19b–4(f)(6) of the Act normally does not become operative prior to 30 days after the date of filing. However, Rule 19b–4(f)(6)(ii)(iii) permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay contained in Rule 19b–4(f)(6)(ii)(iii). The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest as the proposal raises no new or novel issues. Accordingly, the Commission hereby waives the 30-day operative delay and designates the proposal operative upon filing.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

- Send paper comments in triplicate to Secretary, Securities and Exchange Commission, 100 F Street NE, Washington, DC 20549–1908.
