1. Text of the Proposed Rule Change

(a) Nasdaq TEXAS, LLC (“NTX” or “Exchange”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> is filing with the Securities and Exchange Commission (“SEC” or “Commission”) a proposal to amend Options 9, Section 13, Position Limits, Options 9, Section 15, Exercise Limits, and Options 6C, Section 3, Margin Requirements, to make technical, non-substantive revisions to these Rules.

A notice of the proposed rule change for publication in the Federal Register is attached as Exhibit 1.

The text of the proposed rule change is attached as Exhibit 5.

(b) Not applicable.

(c) Not applicable.

2. Procedures of the Self-Regulatory Organization

The proposed rule change was approved by senior management of the Exchange pursuant to authority delegated by the Board of Directors (the “Board”). Exchange staff will advise the Board of any action taken pursuant to delegated authority. No other action is necessary for the filing of the rule change.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

The Exchange proposes to amend Options 9, Section 13, Position Limits, Options 9, Section 15, Exercise Limits, and Options 6C, Section 3, Margin Requirements, to make technical, non-substantive revisions to these Rules. Each change is described below.

Position Limits

The Exchange proposes to amend its rules relating to position limits at Options 9, Section 13, Position Limits and Options 9, Section 15, Exercise Limits. The Exchange proposes to remove the following rule text at Options 9, Section 13(a), “notwithstanding the foregoing options contracts overlying SPDR® S&P 500® ETF Trust (SPY) shall have a position limit of 3,600,000 contracts on the same side of the market.” Further, the Exchange proposes to remove the following text at Options 9, Section 15(a), “notwithstanding the foregoing options contracts overlying SPDR® S&P 500® ETF Trust (SPY) shall have an exercise limit of 3,600,000 contracts on the same side of the market.”

Currently, Options 9, Section 13(a) and Options 9, Section 15(a) provide that no Options Participant shall make, for any account in which it has an interest or for the account of any customer, an opening transaction on any exchange if the Options Participant has reason to believe that as a result of such transaction the Options Participant or its customer would, acting alone or in concert with others, directly or indirectly exceed the applicable position or exercise limit fixed from time to time by the Cboe Exchange, Inc. (“Cboe”) for any options contract traded on NTX Options and

Cboe. The Exchange notes that Cboe's position and exercise limit rules currently provide that SPY options shall have a position limit of 3,600,000 contracts on the same side of the market.<sup>3</sup> The Exchange proposes to remove the rule text referencing the position and exercise limits of 3,600,000 contracts for SPY options because they are unnecessary. The proposed amendments are non-substantive and do not amend the current position or exercise limit for SPY options.

### **Margin**

Currently, Options 6C, Section 3, Margin Requirements, provides at subparagraph (a) that a Participant or associated person must be bound by the initial and maintenance margin requirements of either the Chicago Board Options Exchange ("CBOE") or the New York Stock Exchange ("NYSE") as the same may be in effect from time to time. The Exchange proposes to update Cboe's name from "Chicago Board Options Exchange" to "Cboe Exchange, Inc."

#### **b. Statutory Basis**

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,<sup>4</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>5</sup> in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and

<sup>5</sup> 15 U.S.C. 78f(b)(5).

perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Exchange's proposal to remove rule text at Options 9, Section 13(a) and Options 9, Section 15(a) related to position and exercise limits for SPY Options of 3,600,000 contracts on the same side of the market is consistent with the Act because the proposed amendments are non-substantive and do not amend the current position or exercise limit for SPY options. Currently, Options 9, Section 13(a) and Options 9, Section 15(a) provide that no Options Participant shall make, for any account in which it has an interest or for the account of any customer, an opening transaction on any exchange if the Options Participant has reason to believe that as a result of such transaction the Options Participant or its customer would, acting alone or in concert with others, directly or indirectly exceed the applicable position limit fixed from time to time by the Cboe for any options contract traded on NTX Options and Cboe. The Exchange notes that Cboe's position and exercise limit rules currently provide that SPY options shall have a position limit of 3,600,000 contracts on the same side of the market.<sup>6</sup> Therefore, the Exchange proposes to remove the rule text referencing the position and exercise limits of 3,600,000 contracts for SPY options because they are unnecessary.

The amendment to Options 6C, Section 3 to update Cboe's name is a non-substantive amendment.

---

<sup>6</sup> See Cboe Rule 8.30 at Interpretations and Policies .07.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

The Exchange's proposal to remove rule text in Options 9, Section 13(a) and Options 9, Section 15(a) regarding the position and exercise limit for SPY Options and amend Cboe's name in Options 6C, Section 3 does not burden intra-market competition because the amendments are non-substantive. Further, the Exchange does not believe that the proposed amendments will impose any burden on inter-market competition because the proposed position and exercise limits, as amended, continue to align with the rules of other options exchanges. Also, the proposed name change at Options 6C, Section 3 conforms to Cboe's current name and is non-substantive.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

The Exchange does not consent to an extension of the time period for Commission action.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(iii)<sup>7</sup> of the Act and Rule 19b-4(f)(6) thereunder<sup>8</sup> in that it effects a change

---

<sup>7</sup> 15 U.S.C. 78s(b)(3)(A)(iii).

<sup>8</sup> 17 CFR 240.19b-4(f)(6).

that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

The proposed rule change does not significantly affect the protection of investors or the public interest. The proposed amendments to Options 9, Section 13(a) and Options 9, Section 15(a) related to position and exercise limits for SPY Options of 3,600,000 contracts on the same side of the market do not significantly affect the protection of investors or the public interest because the proposed amendments are non-substantive and do not amend the current position or exercise limit for SPY options. Also, the Exchange's proposal does not impose any significant burden on competition because the proposed position and exercise limits align with the rules of other options exchanges. The proposed amendment to Options 6C, Section 3 is non-substantive.

Furthermore, Rule 19b-4(f)(6)(iii)<sup>9</sup> requires a self-regulatory organization to give the Commission written notice of its intent to file a proposed rule change under that subsection at least five business days prior to the date of filing, or such shorter time as designated by the Commission. The Exchange has provided such notice.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on May 5, 2026, Nasdaq Texas, LLC (“Nasdaq Texas” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The text of the proposed rule change is available on the Exchange’s Website at <https://listingcenter.nasdaq.com/rulebook/nasdaqtx/rulefilings>, and at the principal office of the Exchange.

<sup>2</sup> 17 CFR 240.19b-4.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Options 9, Section 13, Position Limits, Options 9, Section 15, Exercise Limits, and Options 6C, Section 3, Margin Requirements, to make technical, non-substantive revisions to these Rules. Each change is described below.

Position Limits

The Exchange proposes to amend its rules relating to position limits at Options 9, Section 13, Position Limits and Options 9, Section 15, Exercise Limits. The Exchange proposes to remove the following rule text at Options 9, Section 13(a), “notwithstanding the foregoing options contracts overlying SPDR® S&P 500® ETF Trust (SPY) shall have a position limit of 3,600,000 contracts on the same side of the market.” Further, the Exchange proposes to remove the following text at Options 9, Section 15(a), “notwithstanding the foregoing options contracts overlying SPDR® S&P 500® ETF Trust (SPY) shall have an exercise limit of 3,600,000 contracts on the same side of the market.”

Currently, Options 9, Section 13(a) and Options 9, Section 15(a) provide that no Options Participant shall make, for any account in which it has an interest or for the account of any customer, an opening transaction on any exchange if the Options Participant has reason to

believe that as a result of such transaction the Options Participant or its customer would, acting alone or in concert with others, directly or indirectly exceed the applicable position or exercise limit fixed from time to time by the Cboe Exchange, Inc. (“Cboe”) for any options contract traded on NTX Options and Cboe. The Exchange notes that Cboe’s position and exercise limit rules currently provide that SPY options shall have a position limit of 3,600,000 contracts on the same side of the market.<sup>3</sup> The Exchange proposes to remove the rule text referencing the position and exercise limits of 3,600,000 contracts for SPY options because they are unnecessary. The proposed amendments are non-substantive and do not amend the current position or exercise limit for SPY options.

### **Margin**

Currently, Options 6C, Section 3, Margin Requirements, provides at subparagraph (a) that a Participant or associated person must be bound by the initial and maintenance margin requirements of either the Chicago Board Options Exchange (“CBOE”) or the New York Stock Exchange (“NYSE”) as the same may be in effect from time to time. The Exchange proposes to update Cboe’s name from “Chicago Board Options Exchange” to “Cboe Exchange, Inc.”

### **2. Statutory Basis**

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,<sup>4</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>5</sup> in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in

<sup>5</sup> 15 U.S.C. 78f(b)(5).

securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Exchange's proposal to remove rule text at Options 9, Section 13(a) and Options 9, Section 15(a) related to position and exercise limits for SPY Options of 3,600,000 contracts on the same side of the market is consistent with the Act because the proposed amendments are non-substantive and do not amend the current position or exercise limit for SPY options. Currently, Options 9, Section 13(a) and Options 9, Section 15(a) provide that no Options Participant shall make, for any account in which it has an interest or for the account of any customer, an opening transaction on any exchange if the Options Participant has reason to believe that as a result of such transaction the Options Participant or its customer would, acting alone or in concert with others, directly or indirectly exceed the applicable position limit fixed from time to time by the Cboe for any options contract traded on NTX Options and Cboe. The Exchange notes that Cboe's position and exercise limit rules currently provide that SPY options shall have a position limit of 3,600,000 contracts on the same side of the market.<sup>6</sup> Therefore, the Exchange proposes to remove the rule text referencing the position and exercise limits of 3,600,000 contracts for SPY options because they are unnecessary.

The amendment to Options 6C, Section 3 to update Cboe's name is a non-substantive amendment.

**B. Self-Regulatory Organization's Statement on Burden on Competition**

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

---

<sup>6</sup> See Cboe Rule 8.30 at Interpretations and Policies .07.

The Exchange's proposal to remove rule text in Options 9, Section 13(a) and Options 9, Section 15(a) regarding the position and exercise limit for SPY Options and amend Cboe's name in Options 6C, Section 3 does not burden intra-market competition because the amendments are non-substantive. Further, the Exchange does not believe that the proposed amendments will impose any burden on inter-market competition because the proposed position and exercise limits, as amended, continue to align with the rules of other options exchanges. Also, the proposed name change at Options 6C, Section 3 conforms to Cboe's current name and is non-substantive.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>7</sup> and subparagraph (f)(6) of Rule 19b-4 thereunder.<sup>8</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the

<sup>8</sup> 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
