For example, all references to the federal securities laws must include the corresponding cite to the United States Code in a footnote. All references to SEC rules must include the corresponding cite to the Code of Federal Regulations in a footnote. All references to Securities Exchange Act Releases must include the release number, release date, Federal Register cite, Federal Register date, and corresponding file number (e.g., SR-[SRO]-xx-xx). A material failure to comply with these guidelines will result in the proposed rule change being deemed not properly filed. See also Rule 0-3 under the Act (17 CFR 240.0-3)

Partial Amendment

[Add](#) [Remove](#) [View](#)

If the self-regulatory organization is amending only part of the text of a lengthy proposed rule change, it may, with the Commission's permission, file only those portions of the text of the proposed rule change in which changes are being made if the filing (i.e. partial amendment) is clearly understandable on its face. Such partial amendment shall be clearly identified and marked to show deletions and additions.

1. Text of Proposed Rule Change

(a) Pursuant to the provisions of Section 19(b)(1) under the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² NASDAQ OMX PHLX LLC (“PHLX” or “Exchange”) is filing with the Securities and Exchange Commission (“Commission”) a proposed rule change to establish the new TradeInfo PHLX product and amend its fee schedule to add a related subscription fee. The text of the proposed rule change is attached as Exhibit 5.

(b) Not applicable.

(c) Not applicable.

2. Procedures of the Self-Regulatory Organization

The proposed rule change was approved by senior management of PHLX pursuant to authority delegated by the Board of Directors of the Exchange on August 16, 2011. PHLX staff will advise the Board of Directors of the Exchange of any action taken pursuant to delegated authority. No other action by PHLX is necessary for the filing of the rule change.

The Exchange will implement the proposed change on February 1, 2012.

Questions regarding this rule filing may be directed to T. Sean Bennett, Assistant General Counsel, The NASDAQ OMX Group, at (301) 978-8499 (telephone) or (301) 978-8472 (fax).

3. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

The Exchange is proposing to offer a new product, TradeInfo PHLX, and to amend its fee schedule to assess a fee of \$95 per user, per month for subscription to the new product.³ Through a secure Web connection, TradeInfo PHLX will allow a subscribing member to scan for their orders submitted to PHLX. A subscribing member will be able to scan for all orders in a particular security or all orders of a particular type, regardless of their status (open, canceled, executed, etc.). A subscribing member will also be able to cancel open orders at the order, port or firm mnemonic level. For example, after scanning for open orders, a subscribing member is able to select an open order and cancel the order. TradeInfo PHLX will also allow a subscribing member to scan other order statuses, such as executed, cancelled, broken, rejected and suspended orders. A subscribing member will be able to generate reports of execution, order or cancel information, which can be exported into a spreadsheet for review. TradeInfo PHLX will also permit a subscribing member to manage their order flow and mitigate risk by giving them the ability to view their orders and executions, as well as the ability to perform cancels at the port level. Last, TradeInfo PHLX will allow a subscribing member to download records of their orders and executions for record-keeping purposes. The Exchange currently offers PSX TradeInfo data to subscribing members for a fee of \$95 per user, per month for member's trading activity on the PSX equities market.⁴ Under the proposed rule change, TradeInfo PHLX will be available to PHLX members participating on the PHLX options market.

³ The Exchange is creating new Chapter XII "PHLX Trading Application Services" of the NASDAQ OMX PHLX LLC Fee Schedule under which it will place the proposed new fee.

⁴ See NASDAQ OMX PHLX LLC Fee Schedule (January 5, 2012), Chapter VIII NASDAQ OMX PSX FEES, TradeInfo PSX, p. 23.

TradeInfo PHLX is similar to comparable products offered by the The Nasdaq Stock Market (“Nasdaq”) and NASDAQ OMX BX (“BX”).⁵ PHLX is proposing to offer the same functionality to its options participants in regard to their PHLX trade activity for the same fee assessed for the similar products offered by Nasdaq and BX.⁶

b. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁷ in general, and with Section 6(b)(4) of the Act,⁸ in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility or system which the Exchange operates or controls. The Exchange believes that the proposal is reasonable since the product is currently offered to PSX participants, as well as Nasdaq and BX members, and is offered at the same subscription fee. The Exchange believes that the proposal is equitable since subscription to the product is voluntary and the fee is assessed only upon members that elect to subscribe to the product.

4. Self-Regulatory Organization’s Statement on Burden on Competition

⁶ NASDAQ Rule 7053(a) assesses subscribing members a fee of \$95 per user, per month for TradeInfo if the subscribing member does not have subscription to the Nasdaq Workstation. BX Rule 7015 assesses subscribing members a fee of \$95 per user, per month for TradeInfo BX.

⁷ 15 U.S.C. 78f.

⁸ 15 U.S.C. 78f(b)(4).

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)⁹ of the Act and Rule 19b-4(f)(6) thereunder.¹⁰ At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

The Exchange believes that the proposed rule change does not significantly affect the protection of investors or the public interest because it merely provides a new tool to Exchange members for their PHLX participation that will assist them in the management of their Exchange orders, a PSX version of which is currently available to PSX

⁹ 15 U.S.C. 78s(b)(3)(A).

¹⁰ 17 CFR 240.19b-4(f)(6).

participants. Likewise, both Nasdaq and BX offer the identical product to their members in regard to their orders on those markets. The Exchange is proposing to charge the same fee to its members for the product as is currently charged to subscribers to the PSX, Nasdaq and BX TradeInfo products. The new product will not impose any burden on competition as it merely provides a mechanism by which a subscribing member may access information concerning its market activity on PHLX.

The Exchange requests that the Commission waive the 30-day pre-operative waiting period contained in Exchange Act Rule 19b-4(f)(6)(iii).¹¹ The Exchange requests this waiver because it will allow the new product and related fee to be operative on February 1, 2012, the beginning of the Exchange's next monthly product rollout cycle. As such, waiver of the pre-operative period will ensure that member firms have access to this useful monitoring tool in the earliest time possible.
