3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

On September 10, 2010, the Commission approved, for a pilot period to end December 10, 2010, a proposed rule change submitted by the BATS Exchange, Inc., NASDAQ OMX BX, Inc., Chicago Board Options Exchange, Incorporated, Chicago Stock Exchange, Inc., EDGA Exchange, Inc., EDGX Exchange, Inc., International Securities Exchange LLC, The NASDAQ Stock Market LLC, New York Stock Exchange LLC, NYSE Amex LLC, NYSE Arca, Inc., and National Stock Exchange, Inc. (collectively, the "Exchanges"), to amend certain of their respective rules to set forth clearer standards and curtail discretion with respect to breaking erroneous trades.³ The changes were adopted to address concerns that the lack of clear guidelines for dealing with clearly erroneous transactions may have added to the confusion and uncertainty faced by investors on May 6, 2010. In connection with its resumption of trading of NMS Stocks through PSX, the Exchange amended Rule 3312 to conform it to the newly-adopted changes to the Exchanges' clearly erroneous rules, so that it could participate in the pilot program.⁴ On December 7, 2010, the Exchange filed an immediately effective filing to extend the existing pilot program for four months, so that the pilot would expire

on April 11, 2011.⁵ On March 31, 2011, the Exchange filed an immediately effective filing to extend the existing pilot program for four months, so that the pilot would expire on the earlier of August 11, 2011 or the date on which a limit up / limit down mechanism to address extraordinary market volatility, if adopted, applies.⁶ On August 5, 2011, the Exchange filed an immediately effective filing removed language from the rule that tied the expiration of the pilot to the adoption of a limit up / limit down mechanism to address extraordinary market volatility, and further extended the pilot period, so that the pilot would expire on January 31, 2012.⁷ On August 8, 2011, the Exchange filed an immediately effective filing to amend Rule 3312 so that it would continue to operate in the same manner after changes to the single stock trading pause process became effective.⁸

The Exchange believes that the pilot program has been successful in providing greater transparency and certainty to the process of breaking erroneous trades. The Exchange also believes that an additional extension of the pilot is warranted so that it may continue to monitor the effects of the pilot on the markets and investors, and consider appropriate adjustments, as necessary.

Accordingly, the Exchange is filing to further extend the pilot program until July 31, 2012.

b. Statutory Basis

The statutory basis for the proposed rule change is Section 6(b)(5) of the Securities Exchange Act of 1934 (the “Act”),⁹ which requires the rules of an exchange to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest. The proposed rule change also is designed to support the principles of Section 11A(a)(1)¹⁰ of the Act in that it seeks to assure fair competition among brokers and dealers and among exchange markets. The Exchange believes that the proposed rule meets these requirements in that it promotes transparency and uniformity across markets concerning decisions to break erroneous trades.

4. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

5. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Not applicable.

6. Extension of Time Period for Commission Action

The Exchange does not consent to an extension of time.

¹⁰ 15 U.S.C. 78k-1(a)(1).

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹¹ and Rule 19b-4(f)(6)¹² thereunder in that it effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

The Exchange requests that the Commission waive the 30-day pre-operative waiting period contained in Exchange Act Rule 19b-4(f)(6)(iii).¹³ The Exchange requests this waiver because it will allow the change to be operative beginning with the first trading day after January 31, 2012, thus allowing the pilot program to continue, uninterrupted. Because similar rule filings are being proposed by multiple market centers, the Exchange believes that extension of this pilot will continue the transparency and uniformity regarding decisions to break erroneous trades provided by the pilot. In particular, the Exchange adopted the pilot rule to address concerns that a lack of clear and uniform guidance concerning breaking of erroneous trades may have added to the confusion and uncertainty faced by investors on May 6, 2010. Further, the Exchange believes that the waiver of the 30-day pre-operative period will serve to avoid investor confusion likely to result from a temporary period during which the pilot is not in operation. As such, the Exchange believes that implementation of proposal should not be

delayed, so that it may become operative beginning with the first trading day after January 31, 2012.

8. Proposed Rule Change Based on Rules of Another Self-Regulatory Organization of the Commission

The proposed rule changes are part of a market-wide effort designed to provide transparency and finality with respect to clearly erroneous transactions.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On September 10, 2010, the Commission approved, for a pilot period to end December 10, 2010, a proposed rule change submitted by the BATS Exchange, Inc., NASDAQ OMX BX, Inc., Chicago Board Options Exchange, Incorporated, Chicago Stock Exchange, Inc., EDGA Exchange, Inc., EDGX Exchange, Inc., International Securities Exchange LLC, The NASDAQ Stock Market LLC, New York Stock Exchange LLC, NYSE Amex LLC, NYSE Arca, Inc., and National Stock Exchange, Inc. (collectively, the “Exchanges”), to amend certain of their respective rules to set forth clearer standards and curtail discretion with respect to breaking erroneous trades.³ The changes were adopted to address concerns that the lack of clear guidelines for dealing

with clearly erroneous transactions may have added to the confusion and uncertainty faced by investors on May 6, 2010. In connection with its resumption of trading of NMS Stocks through PSX, the Exchange amended Rule 3312 to conform it to the newly-adopted changes to the Exchanges' clearly erroneous rules, so that it could participate in the pilot program.⁴ On December 7, 2010, the Exchange filed an immediately effective filing to extend the existing pilot program for four months, so that the pilot would expire on April 11, 2011.⁵ On March 31, 2011, the Exchange filed an immediately effective filing to extend the existing pilot program for four months, so that the pilot would expire on the earlier of August 11, 2011 or the date on which a limit up / limit down mechanism to address extraordinary market volatility, if adopted, applies.⁶ On August 5, 2011, the Exchange filed an immediately effective filing removed language from the rule that tied the expiration of the pilot to the adoption of a limit up / limit down mechanism to address extraordinary market volatility, and further extended the pilot period, so that the pilot would expire on January 31, 2012.⁷ On August 8, 2011, the Exchange filed an immediately effective filing to amend Rule 3312 so that it would continue to operate in

the same manner after changes to the single stock trading pause process became effective.⁸

The Exchange believes that the pilot program has been successful in providing greater transparency and certainty to the process of breaking erroneous trades. The Exchange also believes that an additional extension of the pilot is warranted so that it may continue to monitor the effects of the pilot on the markets and investors, and consider appropriate adjustments, as necessary.

Accordingly, the Exchange is filing to further extend the pilot program until July 31, 2012.

2. Statutory Basis

The statutory basis for the proposed rule change is Section 6(b)(5) of the Securities Exchange Act of 1934 (the “Act”),⁹ which requires the rules of an exchange to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest. The proposed rule change also is designed to support the principles of Section 11A(a)(1)¹⁰ of the Act in that it seeks to assure fair competition among brokers and dealers and among exchange markets. The Exchange believes that the proposed rule meets these requirements in that it promotes transparency and uniformity across markets concerning decisions to break erroneous trades.

B. Self-Regulatory Organization’s Statement on Burden on Competition

⁸ Securities Exchange Act Release No. 65106 (August 11, 2011), 76 FR 51079 (August 17, 2011) (SR-Phlx-2011-114).

⁹ 15 U.S.C. 78f(b)(5).

¹⁰ 15 U.S.C. 78k-1(a)(1).

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act¹¹ and subparagraph (f)(6) of Rule 19b-4 thereunder.¹²

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. The Exchange has provided the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change.
