1. Text of the Proposed Rule Change

(a) NASDAQ OMX PHLX LLC (“Phlx” or “Exchange”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² proposes to amend the Exchange’s Pricing Schedule to clarify certain references to the Exchange’s trading floor.

A notice of the proposed rule change for publication in the Federal Register is attached hereto as Exhibit 1 and a copy of the relevant portions of the Pricing Schedule are attached hereto as Exhibit 5.

(b) Inapplicable.

(c) Inapplicable.

2. Procedures of the Self-Regulatory Organization

The proposed rule change was approved by senior management of the Exchange pursuant to authority delegated by the Board of Directors of the Exchange on July 10, 2012. Exchange staff will advise the Board of Directors of any action taken pursuant to delegated authority. No other action by the Exchange is necessary for the filing of the rule change.

Questions and comments on the proposed rule change may be directed to Angela Saccomandi Dunn, Associate General Counsel, at (215) 496-5692.

² 17 CFR 240.19b-4.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

The purpose of the proposed rule change is to amend certain text within the Pricing Schedule which refers to the Exchange's trading floor. The Exchange makes reference in its Pricing Schedule to trades which are electronic, submitted into PHLX XL[®],³ the Exchange's fully automated options trading system, and trades which are non-electronic, submitted into the Options Floor Broker Management System⁴ or executed in open outcry.

The Exchange is proposing to clarify its Pricing Schedule by referring to transactions that are non-electronic as transactions "originating (originates or originated) on the Exchange floor" or "floor transactions" to eliminate any confusion. The Exchange would eliminate the other various references to floor trading such as "non-electronic," "FBMS" and "open outcry." The Exchange believes the proposed language provides clarity to the Pricing Schedule by utilizing consistent terminology. The Exchange believes this is a non-substantive change.

³ This proposal refers to "PHLX XL" as the Exchange's automated options trading system. In May 2009 the Exchange enhanced the system and adopted corresponding rules referring to the system as "Phlx XL II." See Securities Exchange Act Release No. 59995 (May 28, 2009), 74 FR 26750 (June 3, 2009) (SR-Phlx-2009-32). The Exchange intends to submit a separate technical proposed rule change that would change all references to the system from "Phlx XL II" to "PHLX XL" for branding purposes.

⁴ The Options Floor Broker Management System ("FBMS") is a component of the Exchange's system designed to enable Floor Brokers and/or their employees to enter, route and report transactions stemming from options orders received on the Exchange. FBMS also is designed to establish an electronic audit trail for options orders represented and executed by Floor Brokers on the Exchange, such that the audit trail provides an accurate, time-sequenced record of electronic and other orders, quotations and transactions on the Exchange, beginning with the receipt of an order by the Exchange, and further documenting the life of the order through the process of execution, partial execution, or cancellation of that order. See Exchange Rule 1080, Commentary .06.

b. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act⁶ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest.

The Exchange believes that clarifying the current rule text in the Pricing Schedule by adopting consistent terms to refer to floor transactions would simplify the Pricing Schedule and conform the rule text as it relates to floor transactions. Each of the terms, “non-electronic,” “FBMS” and “open outcry,” refer to transaction originating on the Exchange’s trading floor as compared to electronic transactions entered into PHLX XL. The Exchange believes that utilizing the terms “originating (originates or originated) on the Exchange floor” and “floor transactions” will eliminate any potential confusion. The proposed amendment is non-substantive.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

Not applicable

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

Pursuant to Section 19(b)(3)(A) of the Act⁷ and Rule 19b-4(f)(6)⁸ thereunder, the Exchange has designated this proposal as one that effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest. The Exchange believes that this filing is non-controversial because it seeks to amend terminology within the Pricing Schedule to provide clarity. The Exchange believes this is a non-substantive change.

Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement. Furthermore, a proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act⁹ normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)¹⁰ permits the

Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest.

The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

The Exchange proposes to amend the Exchange's Pricing Schedule to clarify certain references to the Exchange's trading floor.

The text of the proposed rule change is available on the Exchange's Website at <http://www.nasdaqtrader.com/micro.aspx?id=PHLXRulefilings>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

² 17 CFR 240.19b-4.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to amend certain text within the Pricing Schedule which refers to the Exchange's trading floor. The Exchange makes reference in its Pricing Schedule to trades which are electronic, submitted into PHLX XL[®],³ the Exchange's fully automated options trading system, and trades which are non-electronic, submitted into the Options Floor Broker Management System⁴ or executed in open outcry.

³ This proposal refers to "PHLX XL" as the Exchange's automated options trading system. In May 2009 the Exchange enhanced the system and adopted corresponding rules referring to the system as "Phlx XL II." See Securities Exchange Act Release No. 59995 (May 28, 2009), 74 FR 26750 (June 3, 2009) (SR-Phlx-2009-32). The Exchange intends to submit a separate technical proposed rule change that would change all references to the system from "Phlx XL II" to "PHLX XL" for branding purposes.

⁴ The Options Floor Broker Management System ("FBMS") is a component of the Exchange's system designed to enable Floor Brokers and/or their employees to enter, route and report transactions stemming from options orders received on the Exchange. FBMS also is designed to establish an electronic audit trail for options orders represented and executed by Floor Brokers on the Exchange, such that the audit trail provides an accurate, time-sequenced record of electronic and other orders, quotations and transactions on the Exchange, beginning with the receipt of an order by the Exchange, and further documenting the life of the order through the process of execution, partial execution, or cancellation of that order. See Exchange Rule 1080, Commentary .06.

The Exchange is proposing to clarify its Pricing Schedule by referring to transactions that are non-electronic as transactions “originating (originates or originated) on the Exchange floor” or “floor transactions” to eliminate any confusion. The Exchange would eliminate the other various references to floor trading such as “non-electronic,” “FBMS” and “open outcry.” The Exchange believes the proposed language provides clarity to the Pricing Schedule by utilizing consistent terminology. The Exchange believes this is a non-substantive change.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act⁶ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest.

The Exchange believes that clarifying the current rule text in the Pricing Schedule by adopting consistent terms to refer to floor transactions would simplify the Pricing Schedule and conform the rule text as it relates to floor transactions. Each of the terms, “non-electronic,” “FBMS” and “open outcry,” refer to transaction originating on the Exchange’s trading floor as compared to electronic transactions entered into PHLX XL. The Exchange believes that utilizing the terms “originating (originates or originated) on the Exchange floor” and “floor transactions” will eliminate any potential confusion. The proposed amendment is non-substantive.

⁵ 15 U.S.C. 78f(b).

⁶ 15 U.S.C. 78f(b)(5).

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate, it has become effective pursuant to 19(b)(3)(A) of the Act⁷ and Rule 19b-4(f)(6)⁸ thereunder.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

⁷ 15 U.S.C. 78s(b)(3)(A).

⁸ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.
