2. Procedures of the Self-Regulatory Organization

The proposed rule change was approved by senior management of the Exchange pursuant to authority delegated by the Board of Directors of the Exchange (the “Board”) on July 17, 2013. Exchange staff will advise the Board of any action taken pursuant to delegated authority. No other action is necessary for the filing of the rule change.

3. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

The Exchange is proposing to clarify that the Exchange does not charge an Extranet Access Fee, unlike The NASDAQ Stock Market LLC (“NASDAQ”)<sup>3</sup> or NASDAQ OMX BX, Inc. (“BX”)<sup>4</sup>.

Specifically, the proposed rule change provides that extranet providers that establish a connection with the Exchange to offer direct access connectivity to market data feeds will not be assessed a monthly access fee per recipient Customer Premises Equipment (“CPE”) Configuration.<sup>5</sup>

b. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act<sup>6</sup> in general, and with Section 6(b)(5) of the Act,<sup>7</sup> in particular. The Exchange believes the proposal furthers the objectives of Section 6(b)(5) of the Act<sup>8</sup> in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest and is not designed to permit unfair discrimination between customer, issuers, brokers and dealers. The Exchange is proposing to add clarifying language that states that extranet providers that establish an extranet connection with the Exchange to access market data feeds from the Exchange will not be subject to an Extranet Access Fee. Accordingly, the Exchange believes that it is consistent with the protection of investors and the public interest to avoid potential market participant confusion that may be caused by the omission of the proposed rule text.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended. The proposed rule change clarifies that no fee is being instituted and this applies across all extranet providers and none are compelled to establish a

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>9</sup> and Rule 19b-4(f)(6) thereunder<sup>10</sup> in that it effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

The Exchange believes that the proposed rule change is consistent with these requirements because it clarifies that the Exchange does not charge an Extranet Access Fee. The Exchange has provided the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule.

The Exchange requests that the Commission waive the 30-day operative delay contained in Exchange Act Rule 19b-4(f)(6)(iii).<sup>11</sup> The Exchange requests this waiver

because it will allow the change to be both effective and operative immediately upon filing. As noted, the proposed change makes a clarifying change to the rule

Accordingly, the Exchange believes that it is in the interest of protecting investors and the public interest to waive the 30-day operative delay so that the Exchange may implement the changes at the earliest time possible, thus avoiding potential market participant confusion that may be caused by the absence of the proposed rule text.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change
