F-27 Options Exchange Official Rulings

Options Exchange Officials are empowered to render rulings on the trading floor to resolve trading disputes occurring on and respecting activities on the trading floor. All rulings rendered by Options Exchange Officials are effective immediately and must be complied with promptly. Failure to promptly comply with a ruling concerning a trading dispute may result in referral to the Business Conduct Committee. Failure to promptly comply with other rulings issued pursuant to Order and Decorum Regulations or Floor Procedure Advices and not concerning a trading dispute may result in an additional violation. Options Exchange Officials need not render decisions in any instance where the request for a ruling was not made within a reasonable period of time. An Options Exchange Official should not render a decision or authorize a citation where such Options Exchange Official was involved in or affected by the dispute, as well as in any situation where the Options Exchange Official is not able to objectively and fairly render a decision.

Options Exchange Officials shall endeavor to be prompt in rendering decisions. However, in any instance where an Options Exchange Official has determined that the benefits of further discovery as to the facts and circumstances of any matter under review outweigh the monetary risks of a delayed ruling, the Options Exchange Official may determine to delay rendering the ruling until such time as that further discovery is

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

completed. In issuing decisions for the resolution of trading disputes, Options Exchange Officials shall institute the course of action deemed by the ruling Options Exchange Official to be more fair to all parties under the circumstances at the time. An Options Exchange Official may direct the execution of an order on the floor, or adjust the transaction terms or participants to an executed order on the floor. However, an Options Exchange Official may nullify a transaction if they determine the transaction to have been in violation of Rule Rules 1014 (Obligations and Restrictions Applicable to Specialists and Registered Options Traders), Rule 1017 (Openings In Options), Rule 1033 (Bids And Offers-Premium) or Rule 1080 (Phlx XL and Phlx XL II).

Exchange staff may determine that an Options Exchange Official is ineligible to participate in a particular ruling where it appears that such Options Exchange Official has a conflict of interest. For purposes of this Rule, and without limitation, a conflict of interest exists where an Options Exchange Official: (a) is directly or indirectly affiliated with a party seeking an Options Exchange Official ruling; (b) is a participant or is directly or indirectly affiliated with a participant in a transaction that is the subject of an Options Exchange Official ruling; (c) is a debtor or creditor of a party seeking an Options Exchange Official ruling; or (d) is an immediate family member of a party seeking an Options Exchange Official ruling. Exchange staff may consider other circumstances, on a case-by-case basis, in determining the eligibility or ineligibility of a particular Options Exchange Official to participate in a particular ruling due to a conflict of interest.

All Options Exchange Official rulings concerning the adjustment and nullification of transactions are reviewable by the [Referee (as defined in Rule 124)] Market Operations Review Committee.

2. Procedures of the Self-Regulatory Organization

The proposed rule change was approved by senior management of the Exchange pursuant to authority delegated by the Board of Directors of the Exchange (the “Board”) on July 16, 2014. Exchange staff will advise the Board of any action taken pursuant to delegated authority. No other action is necessary for the filing of the rule change.

Questions and comments on the proposed rule change may be directed to Edith Hallahan, Principal Associate General Counsel, The NASDAQ OMX Group, Inc., at 215-496-5179.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

The purpose of the proposal is to correct an Exchange provision respecting how disputes are settled. Advice F-27 generally parallels Rule 124 and governs how disputes are settled on the Exchange’s options trading floor. Specifically, Advice F-27 (as well as Rule 124) provides that Options Exchange Officials are empowered to render rulings on the trading floor to resolve trading disputes occurring on and respecting activities on the trading floor. It also governs the process for rendering rulings and situations where the Options Exchange Official may have a conflict.

Some time ago, Options Exchange Official rulings were appealable to the Exchange Referee, an Exchange employee who was empowered to review Options Exchange Official rulings. In 2009,³ the Exchange replaced the Referee with a committee, the Market Operations Review Committee,⁴ and inadvertently left one reference to the Referee in Advice F-27. At this time, the Exchange proposes to delete that reference and replace it with reference to the Market Operations Review Committee. This change to Advice F-27 ensures that the terms used in the Advice and the Rule are consistent and up-to-date.

b. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act⁶ in particular, in that it is designed to promote just and equitable principles of trade, and, to protect investors and the public interest, by providing a clear rule on how rulings can be appealed.

³ Securities Exchange Act Release Nos. 60687 (September 18, 2009), 74 FR 49060 (September 25, 2009) (SR-Phlx-2009-59) (Replacing Referee with Options Trade Review Committee); and 64338 (April 25, 2011), 76 FR 24069 (April 29, 2011) (SR-Phlx-2011-13) (Renaming the Options Trade Review Committee as the Market Operations Review Committee).

⁴ Options Exchange Official rulings (including those concerning the nullification or adjustment of transactions) may be sustained, overturned or modified by the Market Operations Review Committee. See Rule 124(d) and By-Law Article V, Section 5-3(d).

⁵ 15 U.S.C. 78f(b).

⁶ 15 U.S.C. 78f(b)(5).

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act, because it merely corrects a reference.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)⁷ of the Act and Rule 19b-4(f)(6) thereunder⁸ in that it effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest. The proposal does not significantly affect the protection of investors or the public interest, because it merely corrects an outdated reference and because another rule (Rule 124) has been operating with the correct reference. The proposal does not impose any significant burden on competition, as explained above.

⁷ 15 U.S.C. 78s(b)(3)(A).

⁸ 17 CFR 240.19b-4(f)(6).

Furthermore, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file a proposed rule change under that subsection at least five business days prior to the date of filing, or such shorter time as designated by the Commission. The Exchange has provided such notice.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative prior to 30 days after the date of filing. Rule 19b-4(f)(6)(iii), however, permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange requests that the Commission waive the 30-day pre-operative waiting period contained in Rule 19b-4(f)(6)(iii) so that the Exchange may promptly correct Advice F-27.

8. Proposed Rule Change Based on Rules of Another Self-Regulatory Organization or of the Commission

Not applicable.

F-27 Options Exchange Official Rulings

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

Options Exchange Officials are empowered to render rulings on the trading floor to resolve trading disputes occurring on and respecting activities on the trading floor. All rulings rendered by Options Exchange Officials are effective immediately and must be complied with promptly. Failure to promptly comply with a ruling concerning a trading dispute may result in referral to the Business Conduct Committee. Failure to promptly comply with other rulings issued pursuant to Order and Decorum Regulations or Floor Procedure Advices and not concerning a trading dispute may result in an additional violation. Options Exchange Officials need not render decisions in any instance where the request for a ruling was not made within a reasonable period of time. An Options Exchange Official should not render a decision or authorize a citation where such Options Exchange Official was involved in or affected by the dispute, as well as in any situation where the Options Exchange Official is not able to objectively and fairly render a decision.

Options Exchange Officials shall endeavor to be prompt in rendering decisions. However, in any instance where an Options Exchange Official has determined that the benefits of further discovery as to the facts and circumstances of any matter under review outweigh the monetary risks of a delayed ruling, the Options Exchange Official may determine to delay rendering the ruling until such time as that further discovery is completed. In issuing decisions for the resolution of trading disputes, Options Exchange Officials shall institute the course of action deemed by the ruling Options Exchange Official to be more fair to all parties under the circumstances at the time. An Options Exchange Official may direct the execution of an order on the floor, or adjust the transaction terms or participants to an executed order on the floor. However, an Options

Exchange Official may nullify a transaction if they determine the transaction to have been in violation of Rule Rules 1014 (Obligations and Restrictions Applicable to Specialists and Registered Options Traders), Rule 1017 (Openings In Options), Rule 1033 (Bids And Offers-Premium) or Rule 1080 (Phlx XL and Phlx XL II).

Exchange staff may determine that an Options Exchange Official is ineligible to participate in a particular ruling where it appears that such Options Exchange Official has a conflict of interest. For purposes of this Rule, and without limitation, a conflict of interest exists where an Options Exchange Official: (a) is directly or indirectly affiliated with a party seeking an Options Exchange Official ruling; (b) is a participant or is directly or indirectly affiliated with a participant in a transaction that is the subject of an Options Exchange Official ruling; (c) is a debtor or creditor of a party seeking an Options Exchange Official ruling; or (d) is an immediate family member of a party seeking an Options Exchange Official ruling. Exchange staff may consider other circumstances, on a case-by-case basis, in determining the eligibility or ineligibility of a particular Options Exchange Official to participate in a particular ruling due to a conflict of interest.

All Options Exchange Official rulings concerning the adjustment and nullification of transactions are reviewable by the [Referee (as defined in Rule 124)] Market Operations Review Committee.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposal is to correct an Exchange provision respecting how disputes are settled. Advice F-27 generally parallels Rule 124 and governs how disputes are settled on the Exchange's options trading floor. Specifically, Advice F-27 (as well as Rule 124) provides that Options Exchange Officials are empowered to render rulings on the trading floor to resolve trading disputes occurring on and respecting activities on the trading floor. It also governs the process for rendering rulings and situations where the Options Exchange Official may have a conflict.

Some time ago, Options Exchange Official rulings were appealable to the Exchange Referee, an Exchange employee who was empowered to review Options Exchange Official rulings. In 2009,³ the Exchange replaced the Referee with a

³ Securities Exchange Act Release Nos. 60687 (September 18, 2009), 74 FR 49060 (September 25, 2009) (SR-Phlx-2009-59) (Replacing Referee with Options Trade Review Committee); and 64338 (April 25, 2011), 76 FR 24069 (April 29, 2011) (SR-Phlx-2011-13) (Renaming the Options Trade Review Committee as the Market Operations Review Committee).

committee, the Market Operations Review Committee,⁴ and inadvertently left one reference to the Referee in Advice F-27. At this time, the Exchange proposes to delete that reference and replace it with reference to the Market Operations Review Committee. This change to Advice F-27 ensures that the terms used in the Advice and the Rule are consistent and up-to-date.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act⁶ in particular, in that it is designed to promote just and equitable principles of trade, and, to protect investors and the public interest, by providing a clear rule on how rulings can be appealed.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act, because it merely corrects a reference.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

⁴ Options Exchange Official rulings (including those concerning the nullification or adjustment of transactions) may be sustained, overturned or modified by the Market Operations Review Committee. See Rule 124(d) and By-Law Article V, Section 5-3(d).

⁵ 15 U.S.C. 78f(b).

⁶ 15 U.S.C. 78f(b)(5).

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act⁷ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁸

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Electronic comments:

⁷ 15 U.S.C. 78s(b)(3)(a)(ii).

In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

- Send an e-mail to rule-comments@sec.gov. Please include File Number SR-Phlx-2014-64 on the subject line.
