A notice of the proposed rule change for publication in the Federal Register is attached as Exhibit 1 and the text of the amended Exchange rule is attached as Exhibit 5.

(b) Not applicable.

(c) Not applicable.

2. **Procedures of the Self-Regulatory Organization**

The proposed rule change was approved by senior management of the Exchange pursuant to authority delegated by the Board of Directors of the Exchange on July 1, 2015. No other action by the Exchange is necessary for the filing of the rule change.

Questions and comments on the proposed rule change may be directed to:

3. **Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

a. **Purpose**

The purpose of this proposed rule change is to delete Rule 756, which deals with accounts of general partners. As discussed below, the Exchange has determined that these rules are anachronistic and no longer serve a purpose. Consequently, the Exchange

---

is proposing to eliminate the rules from the rulebook to avoid any confusion that may be caused by retaining them.

**Rule 756**

Rule 756 concerns the accounts of general partners. The rule requires that no member organization that is a partnership shall carry an account for a general partner of another member organization that is a partnership without the prior written consent of another general partner of such other organization. It also requires that duplicate reports and monthly statements shall be sent to a general partner of the organization (other than the partner for whom the account is carried) designated in such consent.

Further, the rule requires that all clearance transactions for a general partner of another member organization that is a partnership shall be reported by the clearing firm to a general partner of such other organization who has no interest in such transactions.

The Exchange believes that the rule is no longer relevant. The rule was adopted at a time when the Exchange had a general partner membership classification. That classification is no longer in existence. Accordingly, the Exchange does not believe the rule serves a regulatory purpose and it is accordingly proposing to delete the rule.

b. **Statutory Basis**

The Exchange believes that its proposal is consistent with Section 6(b) of the Act, in general, and furthers the objectives of Section 6(b)(5) of the Act, in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with

---

persons engaged in facilitating transactions in securities, to remove impediments to and
perfect the mechanism of a free and open market and a national market system and, in
general, to protect investors and the public interest.

The Exchange believes the proposed changes are consistent with just and
equitable principles of trade because they delete outdated and potentially confusing rules.
The rule that the Exchange proposes to delete is anachronistic and does not have
application to the Exchange’s current function. Thus, removing it from the rules
promotes clarity and eliminates potential confusion caused by allowing it to remain.

4. **Self-Regulatory Organization’s Statement on Burden on Competition**

   The proposed rule change does not impose any burden on competition that is not
necessary or appropriate in furtherance of the purposes of the Act. Rather it is designed
to promote competition among exchanges by removing archaic rules in comparison to the
rules of other exchanges. Last, the proposed changes promote clarity in the application of
the Exchange’s rules by eliminating unneeded rules.

5. **Self-Regulatory Organization’s Statement on Comments on the Proposed Rule
   Change Received from Members, Participants, or Others**

   No written comments were either solicited or received.

6. **Extension of Time Period for Commission Action**

   Not applicable.

7. **Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated
   Effectiveness Pursuant to Section 19(b)(2)**

   Pursuant to Section 19(b)(3)(A) of the Act\(^5\) and Rule 19b-4(f)(6)\(^6\) thereunder, the

Exchange has designated this proposal as one that effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

The proposed rule changes do not significantly affect the protection of investors and the public interest, rather they delete rules from the rulebook that are anachronistic and do not serve any purpose at this time. The proposed rule changes do not impose any significant burden on competition; rather they are designed to promote competition among exchanges by removing archaic rules in comparison to the rules of other exchanges.

Furthermore, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file a proposed rule change under that subsection at least five business days prior to the date of filing, or such shorter time as designated by the Commission. The Exchange requests the Commission to waive the pre-filing requisite as Rule 756 is no longer relevant due to the fact that the general partner membership classification no longer exists.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative prior to 30 days after the date of filing. Rule 19b-4(f)(6)(iii), however, permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange requests that the Commission waive the 30-day pre-operative waiting period contained in Rule 19b-4(f)(6)(iii) so that the Exchange can implement this rule which benefits investors and market participants.

8. **Proposed Rule Change Based on Rules of Another Self-Regulatory Organization or of the Commission**
   
   Not applicable.

9. **Security-Based Swap Submissions Filed Pursuant to Section 3C of the Act**
   
   Not applicable.

10. **Advance Notices Filed Pursuant to Section 806(e) of the Payment, Clearing and Settlement Supervision Act**

Self-Regulatory Organizations; NASDAQ PHLX LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Delete Phlx Rule 756

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)\(^1\), and Rule 19b-4 thereunder,\(^2\) notice is hereby given that on March 18, 2016, NASDAQ PHLX LLC (“Phlx” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to delete Rule 756 from the Phlx rules.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at

---

the places specified in Item IV below. The Exchange has prepared summaries, set forth
in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory
   Basis for, the Proposed Rule Change

   1. Purpose

   The purpose of this proposed rule change is to delete Rule 756, which deals with
   accounts of general partners. As discussed below, the Exchange has determined that
   these rules are anachronistic and no longer serve a purpose. Consequently, the Exchange
   is proposing to eliminate the rules from the rulebook to avoid any confusion that may be
   caused by retaining them.

   Rule 756

   Rule 756 concerns the accounts of general partners. The rule requires that no
   member organization that is a partnership shall carry an account for a general partner of
   another member organization that is a partnership without the prior written consent of
   another general partner of such other organization. It also requires that duplicate reports
   and monthly statements shall be sent to a general partner of the organization (other than
   the partner for whom the account is carried) designated in such consent.

   Further, the rule requires that all clearance transactions for a general partner of
   another member organization that is a partnership shall be reported by the clearing firm to
   a general partner of such other organization who has no interest in such transactions.

   The Exchange believes that the rule is no longer relevant. The rule was adopted
   at a time when the Exchange had a general partner membership classification. That
   classification is no longer in existence. Accordingly, the Exchange does not believe the
   rule serves a regulatory purpose and it is accordingly proposing to delete the rule.
2. **Statutory Basis**

The Exchange believes that its proposal is consistent with Section 6(b) of the Act, in general, and furthers the objectives of Section 6(b)(5) of the Act, in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

The Exchange believes the proposed changes are consistent with just and equitable principles of trade because they delete outdated and potentially confusing rules. The rule that the Exchange proposes to delete is anachronistic and does not have application to the Exchange’s current function. Thus, removing it from the rules promotes clarity and eliminates potential confusion caused by allowing it to remain.

B. **Self-Regulatory Organization's Statement on Burden on Competition**

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Rather it is designed to promote competition among exchanges by removing archaic rules in comparison to the rules of other exchanges. Last, the proposed changes promote clarity in the application of the Exchange’s rules by eliminating unneeded rules.

C. **Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others**

No written comments were either solicited or received.

---

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act.5

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
