

Fund to sell its shares to and redeem its shares from a Fund of Funds, and to engage in the accompanying in-kind transactions with the Fund of Funds.³ The purchase of Creation Units by a Fund of Funds directly from a Fund will be accomplished in accordance with the policies of the Fund of Funds and will be based on the NAVs of the Funds.

9. Applicants also request relief to permit a Feeder Fund to acquire shares of another registered investment company managed by the Adviser having substantially the same investment objectives as the Feeder Fund ("Master Fund") beyond the limitations in section 12(d)(1)(A) and permit the Master Fund, and any principal underwriter for the Master Fund, to sell shares of the Master Fund to the Feeder Fund beyond the limitations in section 12(d)(1)(B).

10. Section 6(c) of the Act permits the Commission to exempt any persons or transactions from any provision of the Act if such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Section 12(d)(1)(J) of the Act provides that the Commission may exempt any person, security, or transaction, or any class or classes of persons, securities, or transactions, from any provision of section 12(d)(1) if the exemption is consistent with the public interest and the protection of investors. Section 17(b) of the Act authorizes the Commission to grant an order permitting a transaction otherwise prohibited by section 17(a) if it finds that (a) the terms of the proposed transaction are fair and reasonable and do not involve overreaching on the part of any person concerned; (b) the proposed transaction is consistent with the policies of each registered investment company involved; and (c) the proposed transaction is consistent with the general purposes of the Act.

Assistant Secretary.

³ The requested relief would apply to direct sales of shares in Creation Units by a Fund to a Fund of Funds and redemptions of those shares. Applicants, moreover, are not seeking relief from section 17(a) for, and the requested relief will not apply to, transactions where a Fund could be deemed an Affiliated Person, or a Second-Tier Affiliate, of a Fund of Funds because an Adviser or an entity controlling, controlled by or under common control with an Adviser provides investment advisory services to that Fund of Funds.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-82169; File No. SR-Phlx-2017-97]

Self-Regulatory Organizations; Nasdaq PHLX LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Adopt a Shell Structure for the Phlx Rulebook

November 29, 2017.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 17, 2017, Nasdaq PHLX LLC ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange proposes to adopt a shell structure for the Phlx rulebook ("Rulebook") as part of its initiative to structure its Rulebook.

The text of the proposed rule change is available on the Exchange's Web site at <http://nasdaqphlx.cchwallstreet.com/>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On March 9, 2016, Nasdaq, Inc. acquired the capital stock of U.S. Exchange Holdings, thereby indirectly

acquiring all of the interests of the International Securities Exchange, LLC (now Nasdaq ISE, LLC), ISE Gemini, LLC (now Nasdaq GEMX, LLC) ("GEMX") and ISE Mercury, LLC (now Nasdaq MRX, LLC) ("MRX").³ The acquisition resulted in a total of six self-regulatory organization licenses for Nasdaq, Inc. which, in addition to the three aforementioned exchanges, also include The Nasdaq Stock Market LLC ("Nasdaq"), Phlx and Nasdaq BX, Inc. ("BX") (collectively, "Nasdaq Entities").

The Exchange is planning to conform the chapters of the various Nasdaq Entity rulebooks for efficiency, and conformity of certain Nasdaq Entity processes. The Exchange believes that aligning the rules of the Nasdaq Entities will assist market participants in navigating the various rulebooks. Specifically, the Exchange proposes to add a shell structure which would reside alongside the current rulebook. The proposed shell would outline the various chapters of the future rulebook and contains new chapter numbering. A similar shell would be filed to add the same structure to each of the other Nasdaq Entities. The proposed chapters would be similar for each shell filed for each of the Nasdaq Entities. In subsequent rule changes, each of the Nasdaq Entities would file rule changes to move their current rules into the various chapters of the proposed shells for all six markets and delete the migrated rule from the current location in the Rulebook.⁴ The proposed shell would contain a general rule section and product specific sections, in this case equities and options, which would encompass all the rules of the Exchange.

The Exchange believes this new structure would align the Nasdaq Entities' rulebooks for ease of use by Members, who are members of more than one Nasdaq Entity. This proposal would not amend the current Rulebook and is therefore not a substantive change. A Member would continue to be able to view the current Rulebook alongside the proposed reorganized Rulebook. Subsequent rule changes will be filed to move the rule text into the shell Rulebook.

³ See Securities Exchange Act Release No. 78119 (June 21, 2016), 81 FR 41611 (June 27, 2016) (SR-ISE-2016-11; SR-ISE Gemini-2016-05; SR-ISE Mercury-2016-10) (Order Granting Accelerated Approval of Proposed Rule Changes, Each as Modified by Amendment No. 1 Thereto, Relating to a Corporate Transaction in Which Nasdaq, Inc. Will Become the Indirect Parent of ISE, ISE Gemini, and ISE Mercury).

⁴ When relocating the current rule text into the new shell, the Exchange shall not amend the rule text but simply move existing rule text.

² 17 CFR 240.19b-4.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁶ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest, by starting the process of organizing its rules in a manner which is clear and consistent across the Nasdaq Entities. The Exchange believes that coordinating the chapters of the rulebooks among the Nasdaq Entities will provide Members, who are members of more than one Nasdaq Entity, with consistency and ease of reference in locating rules.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed changes do not impose a burden on competition because the proposed amendments are non-substantive, are intended to start the process to organize the rules of the Exchange in a manner that will be more user-friendly to Nasdaq Entity members.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁷ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁸

⁶ 15 U.S.C. 78f(b)(5).

⁷ 15 U.S.C. 78s(b)(3)(A)(iii).

⁸ 17 CFR 240.19b-4(f)(6). As required under Rule 19b-4(f)(6)(iii), the Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and the text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)⁹ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay so that the proposed rule change will become operative upon filing. The Exchange states that such waiver will enable the Exchange to start the process to reorganize the rulebooks of the Nasdaq Entities. The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest because the proposal does not raise any novel issues and waiver will allow the Exchange to begin the reorganization of its Rulebook without delay. Therefore, the Commission hereby waives the operative delay and designates the proposed rule change operative upon filing.¹⁰

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) Necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
