3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

In August 2017 the Commission approved a proposed rule change for the listing on the Exchange of NDXPM options on a pilot basis, with the pilot to terminate on the earlier to occur of (i) 12 months following the date of the first listing of the NDXPM options, or (ii) December 29, 2018.<sup>3</sup> Notwithstanding this approval, due to unforeseen technical programming delays P.M.-settled options on the NASDAQ-100 Index (“NASDAQ-100”) have not yet been listed by the Exchange. In order to allow sufficient time to realize the benefits of a pilot program for NDXPM options, the Exchange proposes to amend Rule 1101A, Commentary .05 such that the pilot will terminate on May 6, 2019. By extending the outer limit of the pilot period, the Exchange believes it will have adequate time to resolve the programming issues, implement the listing of NDXPM options, and provide the pilot reports associated with the initial approval order over a meaningful period of time. Without the amendment, the pilot period would end on December 29, 2018 and would not afford the Exchange or Commission a sufficient period of time within which NDXPM options may trade in order to be meaningfully evaluated by the Exchange as provided in the August 2017 approval order.<sup>4</sup> The Exchange will make public on its website any data and analysis it submits to the Commission under the pilot program.

---

<sup>3</sup> See Rule 1101A Commentary .05 and Securities Exchange Act Release No. 81293 (August 2, 2017), 82 FR 37138 (August 8, 2017) (approving SR-Phlx-2017-04).

<sup>4</sup> The Exchange will issue an Options Trader Alert notifying Members when NDXPM options are listed.

b. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,<sup>5</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>6</sup> in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest. The Exchange believes the proposed rule change will protect investors and the public interest by preserving the opportunity to list NDXPM options until May 6, 2019, providing the Exchange, the Commission and investors the benefit of a pilot program of sufficient duration to yield meaningful information concerning the impact of NDXPM options on the market.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. NDXPM options would be available for trading to all market participants. The proposed rule change will facilitate the listing and trading of a novel option product that will enhance competition among market participants, to the benefit of investors and the marketplace. The listing of NDXPM will enhance competition by providing investors with an additional investment vehicle, in a fully-electronic trading environment, through which investors can gain and hedge exposure to NASDAQ-100 stocks. Further, this product could offer a competitive alternative to other existing investment products that

---

<sup>6</sup> 15 U.S.C. 78f(b)(5).

seek to allow investors to gain broad market exposure. Also, the Exchange notes that it is possible for other exchanges to develop or license the use of a new or different index to compete with the NASDAQ-100 and seek Commission approval to list and trade options on such an index.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

The Exchange does not consent to an extension of the time period for Commission action.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act and Rule 19b-4(f)(6) thereunder in that it effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest. This filing proposes to extend the outside date of the previously-approved pilot program, thereby preserving the original intent of the Exchange to list the NDXPM options and provide the related pilot program reports. Inasmuch as NDXPM options have not yet been listed, this proposal raises no new regulatory issues. The Exchange therefore believes that the proposed rule change qualifies for immediate effectiveness as a “non-controversial” rule change.

The proposed rule change does not significantly affect the protection of investors. The Exchange has adequate surveillance procedures to monitor trading in these options thereby helping to ensure the maintenance of a fair and orderly market, and it has sufficient capacity to handle additional traffic associated with this new listing. Phlx would have access to information through its membership in the Intermarket Surveillance Group with respect to the trading of the securities underlying the Nasdaq–100 index, as well as tools such as large options positions reports to assist its surveillance of NDXPM options.

The proposed rule change does not impose any significant burden on competition because, as discussed above, NDXPM options would be available for trading to all market participants. The proposed rule change will facilitate the listing and trading of a novel option product that will enhance competition among market participants, to the benefit of investors and the marketplace. The listing of NDXPM will enhance competition by providing investors with an additional investment vehicle, in a fully-electronic trading environment, through which investors can gain and hedge exposure to NASDAQ–100 stocks. Further, this product could offer a competitive alternative to other existing investment products that seek to allow investors to gain broad market exposure. Also, the Exchange notes that it is possible for other exchanges to develop or license the use of a new or different index to compete with the NASDAQ–100 and seek Commission approval to list and trade options on such an index.

Furthermore, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file a proposed rule change under that

subsection at least five business days prior to the date of filing, or such shorter time as designated by the Commission. The Exchange has provided such notice.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

November \_\_, 2018

Self-Regulatory Organizations; Nasdaq PHLX LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Amend the Pilot Period for the Listing of P.M.-Settled Nasdaq-100 Index Options Expiring on the Third Friday of the Month

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on November 20, 2018, Nasdaq PHLX LLC (“Phlx” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the pilot period for the listing of P.M.-settled Nasdaq-100 Index Options expiring on the third Friday of the month (“NDXPM options”).

The text of the proposed rule change is available on the Exchange’s Website at <http://nasdaqphlx.cchwallstreet.com/>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

In August 2017 the Commission approved a proposed rule change for the listing on the Exchange of NDXPM options on a pilot basis, with the pilot to terminate on the earlier to occur of (i) 12 months following the date of the first listing of the NDXPM options, or (ii) December 29, 2018.<sup>3</sup> Notwithstanding this approval, due to unforeseen technical programming delays P.M.-settled options on the NASDAQ-100 Index (“NASDAQ-100”) have not yet been listed by the Exchange. In order to allow sufficient time to realize the benefits of a pilot program for NDXPM options, the Exchange proposes to amend Rule 1101A, Commentary .05 such that the pilot will terminate on May 6, 2019. By extending the outer limit of the pilot period, the Exchange believes it will have adequate time to resolve the programming issues, implement the listing of NDXPM options, and provide the pilot reports associated with the initial approval order over a meaningful period of time. Without the amendment, the pilot period would end on

---

<sup>3</sup> See Rule 1101A Commentary .05 and Securities Exchange Act Release No. 81293 (August 2, 2017), 82 FR 37138 (August 8, 2017) (approving SR-Phlx-2017-04).

December 29, 2018 and would not afford the Exchange or Commission a sufficient period of time within which NDXPM options may trade in order to be meaningfully evaluated by the Exchange as provided in the August 2017 approval order.<sup>4</sup> The Exchange will make public on its website any data and analysis it submits to the Commission under the pilot program.

## 2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,<sup>5</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>6</sup> in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest. The Exchange believes the proposed rule change will protect investors and the public interest by preserving the opportunity to list NDXPM options until May 6, 2019, providing the Exchange, the Commission and investors the benefit of a pilot program of sufficient duration to yield meaningful information concerning the impact of NDXPM options on the market.

## B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. NDXPM options would be available for trading to all market participants. The

proposed rule change will facilitate the listing and trading of a novel option product that will enhance competition among market participants, to the benefit of investors and the marketplace. The listing of NDXPM will enhance competition by providing investors with an additional investment vehicle, in a fully-electronic trading environment, through which investors can gain and hedge exposure to NASDAQ-100 stocks. Further, this product could offer a competitive alternative to other existing investment products that seek to allow investors to gain broad market exposure. Also, the Exchange notes that it is possible for other exchanges to develop or license the use of a new or different index to compete with the NASDAQ-100 and seek Commission approval to list and trade options on such an index.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>7</sup> and subparagraph (f)(6) of Rule 19b-4 thereunder.<sup>8</sup>

---

<sup>7</sup> 15 U.S.C. 78s(b)(3)(A)(iii).

<sup>8</sup> 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
